

15. Anticipated Return on Federal Investment. ROFI will be calculated by annualizing the total project benefits and Federal costs utilizing the current discount rate, and applying the formula: $(\text{Benefits} - \text{Federal Costs}) / (\text{Federal Costs})$.

16. Statement on replicability and how this approach may be applied to other prospective projects.

17. Statement on risk allocation and how this approach will effectively allocate delivery and performance risk to non-Federal entities and minimize Federal direct and contingent liabilities associated with the project.

18. Socioeconomic information to address concerns of equity which include: Population Benefited, Number of existing jobs in benefited area, Median Family Income, Unemployment Rate, and trends on population growth.

Although not required as part of the submittal the Corps is interested in gathering input on how equity issues can be addressed as part of the P3 program development. This could include means, methods, analysis, or other modifiers that could allow for an equitable distribution of projects.

SUPPLEMENTARY INFORMATION: The Department of Education (ED), in accordance with the Paperwork Reduction Act of 1995 (PRA) (44 U.S.C. 3506(c)(2)(A)), provides the general public and Federal agencies with an opportunity to comment on proposed, revised, and continuing collections of information. This helps the Department assess the impact of its information collection requirements and minimize the public's reporting burden. It also helps the public understand the Department's information collection requirements and provide the requested data in the desired format. ED is soliciting comments on the proposed information collection request (ICR) that is described below. The Department of Education is especially interested in public comment addressing the following issues: (1) Is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology. Please note that written comments received in response to this notice will be considered public records.

Title of Collection: Student Assistance General Provisions—Annual Fire Safety Report.

OMB Control Number: 1845-0097.

Type of Review: An extension of an existing information collection.

Respondents/Affected Public: State, Local, and Tribal Governments; Private Sector.

Total Estimated Number of Annual Responses: 4,310.

Total Estimated Number of Annual Burden Hours: 4,313.

Abstract: The Department of Education regulations at 34 CFR 668.49 require institutions to collect statistics on fires occurring in on-campus student housing facilities, including the number and cause of each fire, the number of injuries related to each fire that required treatment at a medical facility, the number of deaths related to each fire, and the value of property damage caused by each fire. Institutions must also publish an annual fire safety report containing the institution's policies regarding fire safety and the fire statistics information. Further institutions are required to maintain a fire log that records the date, time, nature, and general location of each fire in on-campus student housing facilities.

This request is to extend the current approval of reporting requirements contained in the regulations. The collection requirements in the regulations are necessary to meet institutional information reporting to students and staff as well as for reporting to Congress through the Secretary.

Dated: January 28, 2019.

Kate Mullan,

Acting Director, Information Collection Clearance Program, Information Management Branch, Office of the Chief Information Officer.
