Form T-3 (17 CFR 269.3) is an application for qualification of an indenture under the Trust Indenture Act of 1939 (15 U.S.C. 77aaa *et seq.*). The information provided under Form T-3 is used by the Commission to determine whether to qualify an indenture relating to an offering of debt securities that is not required to be registered under the Securities Act of 1933 (15 U.S.C. 77a *et seq.*). Form T-3 is filed on occasion. The

Form N-6

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (the “Commission”) has submitted to the Office of Management and Budget a request for extension of the previously approved collection of information discussed below.

The title for the collection of information is “Form N-6 (17 CFR

239.17c and 274.11d) under the Securities Act of 1933 (15 U.S.C. 77a *et seq.*) and under the Investment Company Act of 1940 (15 U.S.C. 80a-1 *et seq.*) registration statement of separate accounts organized as unit investment trusts that offer variable life insurance policies.” Form N-6 is the form used by insurance company separate accounts organized as unit investment trusts that offer variable life insurance contracts to register as investment companies under the Investment Company Act of 1940 and/or to register their securities under the Securities Act of 1933. The primary purpose of the registration process is to provide disclosure of financial and other information to investors and potential investors for the purpose of evaluating an investment in a security. Form N-6 also requires separate accounts organized as unit investment trusts that offer variable life insurance policies to provide investors with a prospectus and a statement of additional information (“SAI”) covering essential information about the separate account when it makes an initial or additional offering of its securities.

The Commission estimates that approximately 388 registration statements (8 initial registration statements plus 380 post-effective amendments) are filed on Form N-6 annually. The estimated hour burden per portfolio for preparing and filing an initial registration statement on Form N-6 is 770.25 hours. The estimated annual hour burden for preparing and filing initial registration statements is 6,162 hours (8 initial registration statements annually times 770.25 hours per registration statement). The Commission estimates that the hour burden for preparing and filing a post-effective amendment on Form N-6 is 67.5 hours. The total annual hour burden for preparing and filing post-effective amendments is 25,650 hours (380 post-effective amendments annually times 67.5 hours per amendment). The frequency of response is annual. The total annual hour burden for Form N-6, therefore, is estimated to be 31,812 hours (6,162 hours for initial registration statements plus 25,650 hours for post-effective amendments).

The Commission estimates that the cost burden for preparing an initial Form N-6 filing is \$26,169 per portfolio and the current cost burden for preparing a post-effective amendment to a previously effective registration statement is \$9,493 per portfolio. The Commission estimates that, on an annual basis, 8 portfolios will be referenced in an initial Form N-6 and 380 portfolios will be referenced in a post-effective amendment of Form N-6.
