Proposal To Approve Under OMB Delegated Authority the Extension for Three Years, Without Revision, of the Following Report

Report title: Recordkeeping Requirements of Regulation H and Regulation K Associated with the Procedures for Monitoring Bank Secrecy Act Compliance.

Agency form number: FR K.

OMB control number: 7100–0310.

Frequency: Annually.

Respondents: State member banks; Edge and agreement corporations; and certain U.S. branches, agencies, and representative offices of foreign banks supervised by the Board.

Estimated number of respondents: Establish compliance program—1; maintenance of compliance program—957.

Estimated average hours per response: Establish compliance program—16; maintenance of compliance program—4.

Estimated annual burden hours: Establish compliance program—16; maintenance of compliance program—3,828.

General description of report: The Board's Regulation K and Regulation H require state member banks, Edge and agreement corporations and, except for a federal branch or a federal agency or a state branch that is insured by the Federal Deposit Insurance Corporation, the U.S. branches, agencies, and representative offices of foreign banks supervised by the Board to establish a written Bank Secrecy Act (BSA) compliance program that includes the following components: (1) A system of internal controls to assure ongoing compliance, (2) independent testing of compliance by the institution's personnel or by an outside party, (3) the designation of an individual or individuals for coordinating and monitoring day-to-day compliance, and (4) training for appropriate personnel.¹ The compliance program must be approved by the board of directors of the state member bank, Edge corporation, or agreement corporation and must be noted in the institution's minutes. In the case of a branch, agency, or representative office of a foreign bank, the compliance program may be approved by the foreign bank's board of directors and noted in the minutes or approved by a delegee acting under the express authority of the foreign bank's board of directors.

Legal authorization and confidentiality: The FR K is authorized pursuant to the Federal Deposit

Insurance Act (12 U.S.C. 1818(s)), which requires the federal banking agencies, including the Board, to (1) prescribe regulations requiring the institutions they regulate to establish and maintain procedures reasonably designed to assure and monitor compliance with the BSA and (2) to review such procedures during the course of their examinations.² The FR K is mandatory.

Because the Federal Reserve will not collect this information, confidentiality issues would normally not arise. Because the records will be retained at banking organizations, the Freedom of Information Act (FOIA) will only be implicated if the Board's examiners retain a copy of the record as part of an examination or supervision of a banking institution. In that case, the records would be exempt from disclosure under exemption 8 to FOIA, which protects examination materials from disclosure (5 U.S.C. 552(b)(8)). Exemption 4 to FOIA, which protects confidential financial information, may also be applicable (5 U.S.C. 552(b)(4)).

Board of Governors of the Federal Reserve System, January 30, 2019.

Michele Taylor Fennell,

Assistant Secretary of the Board.
