

and cooperative agreements to import or handle regulated articles or to move regulated articles interstate, amendments and appeals, consultations, site assessments, inspections, certifications, labeling of containers and bags, and recordkeeping. These information collection activities allow APHIS to evaluate the risks associated with the importation or interstate movement of plant pests, noxious weeds, and soil, and also assist with developing risk mitigations, if necessary, for the importation or interstate movement of plant pests, noxious weeds, and soil.

We are asking the Office of Management and Budget (OMB) to approve our use of these information collection activities for 3 years.

The purpose of this notice is to solicit comments from the public (as well as affected agencies) concerning our information collection. These comments will help us:

(1) Evaluate whether the collection of information is necessary for the proper performance of the functions of the Agency, including whether the information will have practical utility;

(2) Evaluate the accuracy of our estimate of the burden of the collection of information, including the validity of the methodology and assumptions used;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who are to respond, through use, as appropriate, of automated, electronic, mechanical, and other collection technologies; e.g., permitting electronic submission of responses.

Estimate of burden: The public burden for this collection of information is estimated to average 0.243 hours per response.

Respondents: Importers and shippers of plant pests, noxious weeds, and other regulated articles; owners/operators of regulated garbage-handling facilities; State plant health officials; Tribal groups; and individuals.

Estimated annual number of respondents: 4,844.

Estimated annual number of responses per respondent: 18.

Estimated annual number of responses: 85,889.

Estimated total annual burden on respondents: 20,879 hours. (Due to averaging, the total annual burden hours may not equal the product of the annual number of responses multiplied by the reporting burden per response.)

All responses to this notice will be summarized and included in the request

for OMB approval. All comments will also become a matter of public record.

Done in Washington, DC, this 30th day of January 2019.

Kevin Shea,

Administrator, Animal and Plant Health Inspection Service.

[S–03–2019]

Foreign-Trade Zone 50—Long Beach, California; Application for Subzone; Fender Musical Instruments Corporation, San Bernardino and Corona, California

An application has been submitted to the Foreign-Trade Zones (FTZ) Board by the Board of Harbor Commissioners of the Port of Long Beach, grantee of FTZ 50, requesting subzone status for the facilities of Fender Musical Instruments Corporation (Fender), located in San Bernardino and Corona, California. The application was submitted pursuant to the provisions of the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a–81u), and the regulations of the FTZ Board (15 CFR part 400). It was formally docketed on January 31, 2019.

The proposed subzone would consist of the following sites: *Site 1* (15.28 acres) 1295 East Central Avenue, San Bernardino; and, *Site 2* (9.12 acres) 301 and 311 Cessna Circle, Corona. The applicant has indicated that a notification of proposed production activity will be submitted which will be published separately for public comment. The proposed subzone would be subject to the existing activation limit of FTZ 50.

In accordance with the FTZ Board's regulations, Christopher J. Kemp of the

FTZ Staff is designated examiner to review the application and make recommendations to the Executive Secretary.

Public comment is invited from interested parties. Submissions shall be addressed to the FTZ Board's Executive Secretary at the address below. The closing period for their receipt is March 18, 2019. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period to April 2, 2019.

A copy of the application will be available for public inspection at the Office of the Executive Secretary, Foreign-Trade Zones Board, Room 21013, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230–0002, and in the "Reading Room" section of the FTZ Board's website, which is accessible via www.trade.gov/ftz.

Foreign-Trade Zones Board

[B–02–2019]

Foreign-Trade Zone (FTZ) 106—Oklahoma City, Oklahoma; Notification of Proposed Production Activity; Xerox Corporation (Polyester Latex for Printer/Copier Toner); Oklahoma City, Oklahoma

The Port Authority of Greater Oklahoma City, grantee of FTZ 106, submitted a notification of proposed production activity to the FTZ Board on behalf of Xerox Corporation (Xerox), located in Oklahoma City, Oklahoma. The notification conforming to the requirements of the regulations of the FTZ Board (15 CFR 400.22) was received on December 17, 2018.

Xerox already has authority to produce bulk toner and toner cartridges within Subzone 106D. Xerox has changed its production process and is no longer producing bulk toner and toner cartridges at its Oklahoma City facility. The facility is currently used for the production of polyester latex for printer/copier toner. The current request would add a finished product and foreign status materials/components to the scope of authority. Pursuant to 15 CFR 400.14(b), additional FTZ activity would be limited to the specific foreign-status materials and components and specific finished product described in the submitted notification (as described below) and subsequently authorized by the FTZ Board.

Production under FTZ procedures could exempt Xerox from customs duty payments on the foreign-status components used in export production. On its domestic sales, for the foreign-status materials/components noted below, Xerox would be able to choose the duty rate during customs entry procedures that apply to polyester latex (duty rate 5.1%). Xerox would be able to avoid duty on foreign-status components which become scrap/waste. Customs duties also could possibly be deferred or reduced on foreign-status production equipment.

The components and materials sourced from abroad include dodecanedioic acid, nonanediol, and dodecylbenzenesulfonic acid sodium salt (duty rates range from 4% to 6.5%). The request indicates that certain
