DEPARTMENT OF COMMERCE

Census Bureau

Submission for OMB Review; Comment Request

The Department of Commerce will submit to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act.

Agency: U.S. Census Bureau.

Title: Annual Business Survey.

OMB Control Number: 0607-1004.

Form Number(s): ABS-L1—Initial Letter; ABS-L1R—Due Date Reminder; ABS-L2—Follow-up; ABS-1 Worksheet; ABS-2 Worksheet; ABS Email Follow-up.

Type of Request: Revision of a currently approved collection.

Number of Respondents: 300,000.

Average Hours per Response: 52 minutes.

Burden Hours: 260,000.

Needs and Uses: In an effort to improve the measurement of business dynamics in the United States, the Census Bureau is conducting the Annual Business Survey (ABS). The ABS combines Census Bureau firm-level collections to reduce respondent burden, increase data quality, reduce

operational costs, and operate more efficiently. The ABS replaced the five-year Survey of Business Owners (SBO) for employer businesses, the Annual Survey of Entrepreneurs (ASE), and the Business R&D and Innovation for Microbusinesses (BRDI-M) surveys. The ABS provides information on selected economic and demographic characteristics for businesses and business owners by sex, ethnicity, race, and veteran status. Further, the survey measures research and development for microbusinesses, new business topics such as innovation and technology, as well as other business characteristics. The ABS is sponsored by the National Center for Science and Engineering Statistics (NCSES) within the National Science Foundation (NSF) and conducted by the Census Bureau for five years (2018–2022).

The ABS includes all nonfarm employer businesses filing Internal Revenue Service (IRS) tax forms as individual proprietorships, partnerships, or any other type of corporation, with receipts of \$1,000 or more. The ABS samples approximately 850,000 employer businesses in 2018 and approximately 300,000 employer businesses in years 2019–2022. The sample is stratified by state, frame, and industry. The Census Bureau selects some companies with certainty based on volume of sales, payroll, number of paid employees or NAICS. All certainty cases are sure to be selected and represent only themselves.

The ABS is designed to incorporate new content each survey year based on topics of relevance. Each year the new module of questions is submitted to the Office of Management and Budget (OMB) for approval. The table below shows the proposed ABS content for each survey year.

PROPOSED CONTENT FOR THE ANNUAL BUSINESS SURVEY

Topic modules	Collection year				
	2018	2019	2020	2021	2022
A. Owner Characteristics	Full	Reduced	Reduced	Full	Reduced.
B. Innovation	Full	Reduced	Full.		
C. Research & Development (1–9 employees only).	Full	Full	Full	Full	Full.
D. Technology and Intellectual Property.	Reduced (digital) ..	Full (automation) ..	Full (technology TBD).	Full (digital)	Full (automation).
E. Financing	Full	Full.	
F. Globalization	Full.		
G. Business Structure	Full	Full	Full	Full	Full.

The ABS collection is electronic only. Those selected for the survey receive an initial letter informing the respondents of their requirement to complete the

survey as well as instructions on accessing the survey. The 2019 ABS initial mailing is scheduled for July 2019. Responses will be due

approximately 30 days from initial mailing. Respondents will also receive a due date reminder approximately one week before responses are due. The
