

DEPARTMENT OF LABOR

29 CFR Part 30

RIN 1205-AB59

Apprenticeship Programs; Equal Employment Opportunity; Correction**AGENCY:** Employment and Training Administration, Department of Labor.**ACTION:** Correcting amendment.

SUMMARY: The Department of Labor (Department or DOL) is making technical corrections to the equal employment opportunity regulations that implement the National Apprenticeship Act of 1937.

DATES: Effective February 12, 2019.

FOR FURTHER INFORMATION CONTACT: John Ladd, Administrator, Office of Apprenticeship, Employment and Training Administration, U.S. Department of Labor, 200 Constitution Avenue NW, Room C-5321, Washington, DC 20210, oa.administrator@dol.gov, (202) 693-2796 (this is not a toll-free number). Individuals with hearing or speech impairments may access this telephone number via TTY by calling the toll-free Federal Information Relay Service at 1-800-877-8339.

SUPPLEMENTARY INFORMATION: The Department of Labor issued a final rule published in the **Federal Register** on December 19, 2016 (81 FR 92026), to modernize the equal employment opportunity regulations that implement the National Apprenticeship Act of 1937. The existing regulations, set forth at 29 CFR part 30 (part 30), prohibit discrimination in registered apprenticeship on the basis of race, color, religion, national origin, and sex, and require that sponsors of registered apprenticeship programs take affirmative action to provide equal opportunity in such programs.

The technical corrections being made, address minor publication errors, and therefore, should be treated as if they had been in the final rule published in the December 19, 2016 **Federal Register** (81 FR 92026).

List of Subjects in 29 CFR Part 30

Administrative practice and procedure, Apprenticeship, Employment, Equal employment opportunity, Reporting and recordkeeping requirements, Training.

For the reasons set out in the preamble, 29 CFR part 30 is amended by making the following correcting amendments:

PART 30—EQUAL EMPLOYMENT OPPORTUNITY IN APPRENTICESHIP

■ 1. The authority citation for part 30 continues to read as follows:

Authority: Sec. 1, 50 Stat. 664, as amended (29 U.S.C. 50; 40 U.S.C. 276c; 5 U.S.C. 301); Reorganization Plan No. 14 of 1950, 64 Stat. 1267, 3 CFR 1949-53 Comp. p. 1007.

§ 30.3 [Amended]

■ 2. Amend § 30.3 as follows:

- a. In paragraph (a)(2)(iv), remove “29 U.S.C. 2000ff *et seq.*” and add in its place “42 U.S.C. 2000ff *et seq.*”; and
- b. In paragraph (b)(2)(i), remove “29.5(c) of this title” and add in its place “29.5(b) of this title”.

Molly E. Conway,*Acting Assistant Secretary for Employment and Training.*

BILLING CODE 4510-FR-P**DEPARTMENT OF HOMELAND SECURITY****Coast Guard****33 CFR Part 100**

[Docket No. USCG-2019-0049]

Special Local Regulations; Marine Events Within the Fifth Coast Guard District**AGENCY:** Coast Guard, DHS.**ACTION:** Notice of enforcement of regulation.

SUMMARY: The Coast Guard will enforce special local regulations for two events, the Cambridge Classic Powerboat Race on May 18, 2019, and May 19, 2019, and the Oxford Funathlon swim event on June 1, 2019 (if necessary, rescheduled to June 2, 2019), to provide for the safety of life on navigable waterways during these events. Our regulation for marine events within the Fifth Coast Guard District identifies the regulated area for each event. During the enforcement periods, the Coast Guard patrol commander or designated marine event patrol may forbid and control the movement of all vessels in the regulated area.

DATES: The regulations in 33 CFR 100.501 will be enforced for the Cambridge Classic Powerboat Race regulated area listed in item b.21 in the Table to § 100.501 from 9:30 a.m. to 5:30 p.m. on May 18, 2019, and from 9:30 a.m. to 5:30 p.m. on May 19, 2019.

The regulations in 33 CFR 100.501 will be enforced for the regulated area listed in item b.14 in the Table to

§ 100.501 from 8:30 a.m. to 11:30 a.m. on June 1, 2019, and if necessary, due to inclement weather, from 8:30 a.m. to 11:30 a.m. on June 2, 2019. The regulated area is being enforced for the Oxford Funathlon.

FOR FURTHER INFORMATION CONTACT: If you have questions about this notice of enforcement, call or email Mr. Ron Houck, U.S. Coast Guard Sector Maryland-National Capital Region (WWM Division); telephone 410-576-2674, email Ronald.L.Houck@uscg.mil.

SUPPLEMENTARY INFORMATION: The Coast Guard was notified by the Cambridge Power Boat Racing Association, Inc. on January 31, 2019, through submission of a marine event application, that due to a scheduling change, a change of dates is necessary to the dates previously published in the Code of Federal Regulations (CFR) for the annually scheduled Cambridge Classic Powerboat Race, as listed in the Table to 33 CFR 100.501. This year, the Coast Guard will enforce the special local regulations in 33 CFR 100.501 for the Cambridge Classic Powerboat Race regulated area from 9:30 a.m. to 5:30 p.m. on May 18, 2019 and from 9:30 a.m. to 5:30 p.m. on May 19, 2019. Our regulation for marine events within the Fifth Coast Guard District, § 100.501, specifies the location of the regulated area for the Cambridge Classic Powerboat Race, which encompasses portions of Hambrooks Bay and the Choptank River, at Cambridge, MD.

The Coast Guard was notified by Charcot-Marie-Tooth Association and Therapies For Inherited Neuropathies, Inc. on September 19, 2018, through submission of a marine event application, that it that it will be conducting the swim portion of the Oxford Funathlon from 9:30 a.m. until 10:30 a.m. on June 1, 2019, and if necessary, due to inclement weather, from 9:30 a.m. until 10:30 a.m. on June 2, 2019. The swim event consists of approximately 40 participants competing on a designated 1300-meter course that starts at the ferry dock at Bellevue, MD, and finishes at the Tred Avon Yacht Club at Oxford, MD. The date and location proposed for this event is the same as those for the Oxford-Bellevue Sharkfest Swim event, sponsored by EnviroSports Productions, Inc. The Oxford Funathlon is being held in place of the Oxford-Bellevue Sharkfest Swim. The Coast Guard was notified by EnviroSports Productions, Inc. on December 20, 2018, that it will no longer be holding the Oxford-Bellevue Sharkfest Swim event in 2019 or any future year. Hazards associated with the Oxford Funathlon swim event

include participants swimming within and adjacent to the designated navigation channel and interfering with vessels intending to operate within that channel, as well as swimming within approaches to local public and private marinas and public boat facilities. The Coast Guard will enforce the special local regulations in 33 CFR 100.501 for the Oxford Funathlon swim event regulated area from 8:30 a.m. to 11:30 a.m. on June 1, 2019, and if necessary, due to inclement weather, from 8:30 a.m. to 11:30 a.m. on June 2, 2019. Our regulation for marine events within the Fifth Coast Guard District, § 100.501, specifies the location of the regulated area for the Oxford-Bellevue Sharkfest Swim, which encompasses portions of the Tred Avon River, between Bellevue, MD and Oxford, MD.

This action is being taken to provide for the safety of life on navigable waterways during these events. As specified in § 100.501(c), during the enforcement periods, the Coast Guard patrol commander or designated marine event patrol may forbid and control the movement of all vessels in the regulated area. Vessel operators may request permission to enter and transit through a regulated area by contacting the Coast Guard patrol commander on VHF-FM channel 16.

This notice of enforcement is issued under authority of 33 CFR 100.501(f) and 5 U.S.C. 552(a). In addition to this notice of enforcement in the **Federal Register**, the Coast Guard plans to provide notification of these enforcement periods on scene and via the Local Notice to Mariners and marine information broadcasts.

Dated: February 7, 2019.

Joseph B. Loring,

Captain, U.S. Coast Guard, Captain of the Port Maryland-National Capital Region.

BILLING CODE 9110-04-P

ENVIRONMENTAL PROTECTION AGENCY

40 CFR Part 52

[EPA-R09-OAR-2018-0535; FRL-9988-40-Region 9]

Clean Air Plans; 2008 8-Hour Ozone Nonattainment Area Requirements; San Joaquin Valley, California

AGENCY: Environmental Protection Agency (EPA).

ACTION: Final rule.

SUMMARY: The Environmental Protection Agency (EPA) is taking final action to

approve portions of three state implementation plan (SIP) revisions submitted by the State of California to meet Clean Air Act (CAA or “the Act”) requirements for the 2008 8-hour ozone national ambient air quality standards (NAAQS or “standards”) in the San Joaquin Valley, California ozone nonattainment area. First, the EPA is approving the portions of the “2016 Ozone Plan for the 2008 8-Hour Ozone Standard” (“2016 Ozone Plan”) that address the requirements to demonstrate attainment by the applicable attainment date and implementation of reasonably available control measures, among other requirements. Second, the EPA is approving the portions of the “Revised Proposed 2016 State Strategy for the State Implementation Plan” (“2016 State Strategy”) related to the ozone control strategy for the San Joaquin Valley for the 2008 ozone standards, including a specific aggregate emissions reduction commitment. Lastly, the EPA is approving an air district rule addressing the emission statement requirement for ozone nonattainment areas.

DATES: This rule will be effective on March 14, 2019.

ADDRESSES: The EPA has established a docket for this action under Docket ID No. EPA-R09-OAR-2018-0535. All documents in the docket are listed on the <https://www.regulations.gov> website. Although listed in the index, some information is not publicly available, e.g., Confidential Business Information (CBI) or other information whose disclosure is restricted by statute. Certain other material, such as copyrighted material, is not placed on the internet and will be publicly available only in hard copy form. Publicly available docket materials are available through <https://www.regulations.gov>, or please contact the person identified in the **FOR FURTHER INFORMATION CONTACT** section for additional availability information.

FOR FURTHER INFORMATION CONTACT: Tom Kelly, EPA Region IX, (415) 972-3856, kelly.thomas@epa.gov.

SUPPLEMENTARY INFORMATION: Throughout this document, “we,” “us” and “our” refer to the EPA.

- II. Public Comments
- III. Final Action
- IV. Incorporation by Reference
- V. Statutory and Executive Order Reviews

I. Summary of the Proposed Action

On August 31, 2018 (83 FR 44528), the EPA proposed to approve, under

CAA section 110(k)(3), portions of submittals from the California Air Resources Board (CARB or “State”) as revisions to the California SIP for the San Joaquin Valley 2008 ozone nonattainment area.¹ The relevant SIP revisions include an emissions statement rule (Rule 1160), the 2016 Ozone Plan, and the 2016 State Strategy, which were submitted on January 11, 1993, August 24, 2016, and April 27, 2017, respectively. The San Joaquin Valley Air Pollution Control District (SJVUAPCD or “District”) adopted Rule 1160 (“Emission Statement”) on November 18, 1992, to comply with the CAA’s SIP revision requirement for emission statement rules. The 2016 State Strategy submittal consists of documents originating from the District (e.g., the 2016 Ozone Plan with Appendices and the District Governing Board Resolution) and from CARB (e.g., the CARB Staff Report and Appendices). The 2016 State Strategy includes CARB’s commitments for rulemaking over the next several years and aggregate emission reduction commitments for the South Coast Air Basin and San Joaquin Valley. Each of these SIP revisions includes documentation of public notice, comment, and opportunity for public hearing prior to adoption by CARB or the District.

In our August 31, 2018 proposed rule, we provided background material on the ozone standards,² area designations, and related SIP revision requirements under the CAA, and the EPA’s implementing regulations for the 2008 ozone standards, referred to as the SIP Requirements Rule (SRR). In short, the San Joaquin Valley nonattainment area is classified as Extreme for the 2008 ozone standards, and the 2016 Ozone Plan was developed to address the requirements for this area. The 2016 Ozone Plan relies on District Rule 1160 to meet the CAA requirements for emissions statement rules and is supported by the 2016 State Strategy, which includes commitments by CARB for rulemaking and for achievement of aggregate emission reductions of eight tons per day (tpd) of oxides of nitrogen (NO_x) in the San Joaquin Valley by 2031

¹ The San Joaquin Valley nonattainment area for the 2008 ozone standards generally covers the southern half of California’s Central Valley and consists of San Joaquin, Stanislaus, Merced, Madera, Fresno, Tulare, and Kings counties, and the western portion of Kern County. A precise description of the San Joaquin Valley ozone nonattainment area is contained in 40 CFR 81.305.

² Ground-level ozone pollution is formed from the reaction of volatile organic compounds (VOC) and oxides of nitrogen (NO_x) in the presence of sunlight. The 2008 ozone standard is 0.075 parts per million (ppm) average over an 8-hour period. 73 FR 16436 (March 27, 2008).
