SUPPLEMENTARY INFORMATION:

A. Need for and Use of the Information Collection

Section 10b of the Federal Home Loan Bank Act (Bank Act) establishes the requirements for making Federal Home Loan Bank (Bank) advances (secured loans) to nonmember mortgagees, which are referred to as “Housing Associates”

in FHFA's regulations.¹ Section 10b also establishes the eligibility requirements an applicant must meet in order to be certified as a Housing Associate.

Part 1264 of FHFA's regulations implements the statutory eligibility requirements and establishes uniform review criteria the Banks must use in evaluating applications from entities that wish to be certified as a Housing Associate. Specifically, § 1264.4 implements the statutory eligibility requirements and provides guidance to an applicant on how it may satisfy those requirements.² Section 1264.5

authorizes the Banks to approve or deny all applications for certification as a Housing Associate, subject to the statutory and regulatory requirements.³ Section 1264.6 permits an applicant that has been denied certification by a Bank to appeal that decision to FHFA.⁴

In part 1266 of FHFA's regulations, subpart B governs Bank advances to Housing Associates that have been approved under part 1264. Section 1266.17 establishes the terms and conditions under which a Bank may make advances to Housing Associates.⁵ Specifically, § 1266.17(e) imposes a continuing obligation on each certified Housing Associate to provide information necessary for the Bank to determine if it remains in compliance with applicable statutory and regulatory requirements, as set forth in part 1264.

The OMB control number for the information collection, which expired on December 31, 2018, is 2590-0001. The likely respondents include entities applying to be certified as a Housing Associate and current Housing Associates.

B. Burden Estimates

FHFA estimates the total annualized hour burden imposed upon respondents by this information collection to be 318 hours (14 hours for applicants + 304 hours for current Housing Associates), based on the following calculations:

I. Applicants

FHFA estimates that the total annual average number of entities applying to be certified as a Housing Associate over the next three years will be one, with one response per applicant. The estimate for the average hours per application is 14 hours. Therefore, the estimate for the total annual hour burden for all applicants is 14 hours (1 applicant × 1 response per applicant × 14 hours = 14 hours).

¹ See 12 U.S.C. 1430b; 12 CFR 1264.3.

² See 12 CFR 1264.4.

³ See 12 CFR 1264.5.

⁴ See 12 CFR 1264.6.

⁵ See 12 CFR 1266.17.

II. Current Housing Associates

FHFA estimates that the total annual average number of existing Housing Associates over the next three years will be 76, with one response per Housing Associate required to comply with the regulatory reporting requirements. The estimate for the average hours per response is 4 hours. Therefore, the estimate for the total annual hour burden for current Housing Associates is 304 hours (76 certified Housing Associates × 1 response per Associate × 4 hours = 304 hours).

C. Comments Request

In accordance with the requirements of 5 CFR 1320.8(d), FHFA published an initial notice and request for public comments regarding this information collection in the **Federal Register** on October 17, 2018.⁶ The 60-day comment period closed on December 17, 2018. FHFA received no comments.

FHFA requests written comments on the following: (1) Whether the collection of information is necessary for the proper performance of FHFA functions, including whether the information has practical utility; (2) the accuracy of FHFA's estimates of the burdens of the collection of information; (3) ways to enhance the quality, utility, and clarity of the information collected; and (4) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.
