

SUPPLEMENTARY INFORMATION:

Title; Associated Form; and OMB Number: Emergency Mass Notification System (EMNS); OMB Control Number 0701-XXXX.

Needs and Uses: The Emergency Mass Notification System is an Air Force enterprise-wide system that employs commercial software to send notices to the AF population through desktop, mobile application, telephone, text messaging alerts, and Giant Voice systems at Main Operating Bases (MOB). This system provides individuals with near-real time notifications sent directly from the AF/MAJCOM/Installation command posts.

This single AF enterprise solution will provide lifesaving and mission protective measures within the AF. The system shall have the capability of delivering reliable and secure emergency threat notifications to all personnel at all AF locations on a 24 hour/7 day a week basis.

EMNS is designated as a National Security System (NSS). EMNS must be maintained as a high integrity, high availability capability vital to operational readiness. The absence of such a system could result in immediate and sustained loss of mission effectiveness.

[Docket No. CP19-58-000]

Florida Gas Transmission Company, LLC; Notice of Request Under Blanket Authorization

Take notice that on January 29, 2019, Florida Gas Transmission Company, LLC (FGT), 1300 Main Street, Houston, Texas 77002, filed a prior notice application pursuant to sections 157.205, 157.208, 157.210 and 157.211 of the Federal Energy Regulatory Commission's (Commission) regulations under the Natural Gas Act (NGA), and FGT's blanket certificate issued in Docket No. CP82-553-000.¹ FGT requests authorization to construct/modify, install, own, maintain and operate, certain natural gas pipeline facilities (including lateral looping) and appurtenant facilities in Volusia County, Florida; and to install back pressure regulation and appurtenant facilities on the existing FGT East Leg mainlines in Orange County, Florida, in support of the proposed Sanford Project (Project).

This Project will enable FGT to increase firm transportation service hourly flow rights to the Florida Power & Light (FPL) Sanford power generation plant in Volusia County, Florida, from 15.7 MMBtu/hr to 17.2 MMBtu/hr, all as more fully set forth in the request which is on file with the Commission and open to public inspection.

The filing may also be viewed on the web at <http://www.ferc.gov> using the "eLibrary" link. Enter the docket number excluding the last three digits in the docket number field to access the document. For assistance, contact FERC at FERCOnlineSupport@ferc.gov or call toll-free, (866) 208-3676 or TTY, (202) 502-8659.

Any questions regarding this application should be directed to Blair Lichtenwalter, Senior Director of Certificates, Florida Gas Transmission Company, LLC, 1300 Main Street,

¹ Florida Gas Transmission Company, 21 FERC ¶ 62,236 (1982).

Houston, Texas 77002, or call (713) 989-2605, or FAX (713) 989-1205, or email: Blair.Lichtenwalter@energytransfer.com.

Any person or the Commission's staff may, within 60 days after issuance of the instant notice by the Commission, file pursuant to Rule 214 of the Commission's Procedural Rules (18 CFR 385.214) a motion to intervene or notice of intervention and pursuant to Section 157.205 of the regulations under the NGA (18 CFR 157.205), a protest to the request. If no protest is filed within the time allowed therefore, the proposed activity shall be deemed to be authorized effective the day after the time allowed for filing a protest. If a protest is filed and not withdrawn within 30 days after the allowed time for filing a protest, the instant request shall be treated as an application for authorization pursuant to section 7 of the NGA.

Pursuant to section 157.9 of the Commission's rules, 18 CFR 157.9, within 90 days of this Notice the Commission staff will either: Complete its environmental assessment (EA) and place it into the Commission's public record (eLibrary) for this proceeding, or issue a Notice of Schedule for Environmental Review. If a Notice of Schedule for Environmental Review is issued, it will indicate, among other milestones, the anticipated date for the Commission staff's issuance of the final environmental impact statement (FEIS) or EA for this proposal. The filing of the EA in the Commission's public record for this proceeding or the issuance of a Notice of Schedule for Environmental Review will serve to notify federal and state agencies of the timing for the completion of all necessary reviews, and the subsequent need to complete all federal authorizations within 90 days of the date of issuance of the Commission staff's FEIS or EA.

Persons who wish to comment only on the environmental review of this project should submit an original and two copies of their comments to the Secretary of the Commission. Environmental commenters will be placed on the Commission's environmental mailing list, will receive copies of the environmental documents, and will be notified of meetings associated with the Commission's environmental review process. Environmental commenters will not be required to serve copies of filed documents on all other parties. However, the non-party commenter will not receive copies of all documents filed by other parties or issued by the Commission (except for the mailing of environmental documents issued by the
