Drummond Company, Inc. d/b/a ABC Coke (Drummond)*, Civil Action No. 2:19-cv-00240-AKK. The United States is joined in this matter by its co-plaintiff the Jefferson County Board of Health (JCBH).

This case relates to alleged releases of benzene from Drummond's coke by-product recovery plant in Tarrant, Alabama (Facility). The settlement resolves the alleged claims by requiring Drummond to, among other things: (1) Pay a civil penalty of \$775,000 for the past alleged violations to be split equally between the United States and JCBH; (2) undertake fixes to the Facility to address the alleged violations; (3) implement a leak detection and repair program to ensure compliance and reduce potential future fugitive benzene emissions; and (4) implement a supplemental environmental project of two years of semi-annual use of an infrared camera as part of leak detection efforts at a cost of \$16,000.
