AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) preliminarily determines that Novolipetsk Steel (NLMK) did not make a *bona fide* sale during the period of review (POR) December 1, 2016, through November 30, 2017; therefore, we are preliminarily rescinding this administrative review. Interested parties are invited to comment on the preliminary results of this review.

DATES: Applicable February 19, 2019.

SUPPLEMENTARY INFORMATION:

Background

Commerce published the notice of initiation of this review on February 9,

2016.¹ Pursuant to section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), Commerce extended these preliminary results by 90 days until December 4, 2018.² Commerce then extended the preliminary results by an additional 30 days until January 3, 2019.³

Commerce exercised its discretion to toll all deadlines affected by the partial federal government closure from December 22, 2018, through the resumption of operations on January 29, 2019.⁴ If the new deadline falls on a non-business day, in accordance with Commerce's practice, the deadline will become the next business day. The revised deadline for the preliminary results is now February 12, 2019.

Scope of the Order

The product covered by this administrative review is hot-rolled steel from Russia. The full text of the scope of the order is contained in the Preliminary Decision Memorandum.

Methodology

Commerce is conducting this review in accordance with section 751(a)(1)(B) and (2) of the Tariff Act of 1930, as amended (the Act). For a full description of the methodology underlying our conclusions, see the Preliminary Decision Memorandum, which is hereby adopted by this notice. Preliminary Rescission of the Antidumping Administrative Review of NLMK

As discussed in the *Bona Fide* Sales Analysis Memorandum,⁵ Commerce preliminarily finds that the sale made by (Novolipetsk Steel) NLMK serving as the basis for this review is not a *bona fide* sale. Commerce reached this conclusion based on the totality of the record information surrounding NLMK's reported sale, including the sales price and quantity, the limited number of sales (*i.e.*, one sale) that NLMK reported during the POR, and customer correspondence.

Because the non-*bona fide* sale was the only reported sale of subject merchandise during the POR, we find that NLMK had no reviewable transactions during this POR. Accordingly, we are preliminarily rescinding this administrative review.⁶ Given that the factual information used in our *bona fides* analysis of NLMK's sale involves business proprietary information, see the *Bona Fide* Sales Analysis Memorandum for a full discussion of the basis for our preliminary determination.

Disclosure and Public Comment

Interested parties may submit case briefs no later than 30 days after the date of publication of the preliminary results of review.⁷ Rebuttals to case briefs may be filed no later than five days after the briefs are filed.⁸ All rebuttal comments must be limited to comments raised in the case briefs.⁹

Commerce intends to issue the final results of this administrative review, which will include the results of its analysis of issues raised in any briefs received, no later than 90 days after the date these preliminary results of review are issued pursuant to section 751(a)(2)(B) of the Act.

Assessment Rates

If Commerce proceeds to a final rescission of this administrative review, the assessment rate to which NLMK's shipments will be subject will not be affected by this review. If Commerce does not proceed to a final rescission of this administrative review, pursuant to 19 CFR 351.212(b)(1), we will calculate importer-specific (or customer-specific) assessment rates based on the final results of this review.

Cash Deposit Requirements

If Commerce proceeds to a final rescission of this administrative review, NLMK's cash deposit rate will continue to be the all-others rate of 184.56 percent. If Commerce issues final results for this administrative review, Commerce will instruct CBP to collect cash deposits, effective upon the publication of the final results, at the rates established therein.

Notification to Importers

This notice also serves as a reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

We are issuing and publishing this notice in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: February 11, 2019.

Christian Marsh,

Deputy Assistant Secretary for Enforcement and Compliance.

Takes of Marine Mammals Incidental to Specified Activities; Taking Marine Mammals Incidental to the Railroad Dock Dolphin Installation Project, Skagway, Alaska

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice; Issuance of an incidental harassment authorization.

SUMMARY: In accordance with the regulations implementing the Marine Mammal Protection Act (MMPA), as amended, notification is hereby given that NMFS has issued an incidental harassment authorization (IHA) to White Pass & Yukon Route (WP&YR) to incidentally take, by Level A and Level B harassment, seven species of marine mammals during the Railroad Dock dolphin installation project in Skagway, Alaska.

DATES: This IHA is valid from February 15, 2019 through February 14, 2020.

FOR FURTHER INFORMATION CONTACT: Wendy Piniak, Office of Protected

Resources, NMFS, (301) 427-8401. Electronic copies of the authorization, application, and supporting documents, as well as a list of the references cited in this document, may be obtained online at: <https://www.fisheries.noaa.gov/national/marine-mammal-protection/incidental-take-authorizations-construction-activities>. In case of problems accessing these documents, please call the contact listed above.

SUPPLEMENTARY INFORMATION:

Background

The MMPA prohibits the "take" of marine mammals, with certain exceptions. Sections 101(a)(5)(A) and (D) of the MMPA (16 U.S.C. 1361 *et seq.*) direct the Secretary of Commerce (as delegated to NMFS) to allow, upon request, the incidental, but not intentional, taking of small numbers of marine mammals by U.S. citizens who engage in a specified activity (other than commercial fishing) within a specified geographical region if certain findings are made and either regulations are issued or, if the taking is limited to harassment, a notice of a proposed incidental take authorization may be provided to the public for review.

Authorization for incidental takings shall be granted if NMFS finds that the taking will have a negligible impact on the species or stock(s) and will not have an unmitigable adverse impact on the availability of the species or stock(s) for taking for subsistence uses (where relevant). Further, NMFS must prescribe the permissible methods of taking and other means of effecting the least practicable adverse impact on the affected species or stocks and their habitat, paying particular attention to rookeries, mating grounds, and areas of similar significance, and on the availability of such species or stocks for taking for certain subsistence uses (referred to in shorthand as "mitigation"); and requirements pertaining to the mitigation, monitoring and reporting of such takings are set forth.

The NDAA (Pub. L. 108-136) removed the "small numbers" and "specified geographical region" limitations indicated above and amended the definition of "harassment" as it applies to a "military readiness activity." The definitions of all applicable MMPA statutory terms cited above are included in the relevant sections below.

Summary of Request

On August 21, 2018, NMFS received a request from WP&YR for an IHA to take marine mammals incidental to the
