DEPARTMENT OF LABOR

Office of Labor-Management Standards

Extension of Information Collection; Comment Request

ACTION: Notice.

SUMMARY: The Department of Labor, as part of its continuing effort to reduce paperwork and respondent burden, conducts a preclearance consultation program to provide the general public and Federal agencies with an opportunity to comment on proposed and/or continuing collections of information in accordance with the Paperwork Reduction Act of 1995 (PRA95). This program helps to ensure that requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirements on respondents can be properly assessed. Currently, the Office of Labor-Management Standards (OLMS) of the Department of Labor (Department) is soliciting comments concerning the proposed extension of the collection of information requirements implementing Executive Order (E.O.) 13496: Notification of Employee Rights Under Federal Labor Laws. A copy of the proposed information collection request can be obtained by contacting the office listed below in the addresses section of this Notice.

DATES: Written comments must be submitted to the office listed in the addresses section below on or before April 22, 2019.

ADDRESSES: Andrew R. Davis, Chief of the Division of Interpretations and

Standards, Office of Labor-Management Standards, U.S. Department of Labor, 200 Constitution Avenue NW, Room N-5609, Washington, DC 20210, *olms-public@dol.gov*, (202) 693-0123 (this is not a toll-free number), (800) 877-8339 (TTY/TDD).

Please use only one method of transmission for comments (mail or Email).

SUPPLEMENTARY INFORMATION:

I. *Background:* President Barack Obama signed Executive Order 13496 (E.O. 13496) on January 30, 2009, requiring certain Government contractors and subcontractors to post notices informing their employees of their rights as employees under Federal labor laws. The Order also provides the text of contractual provisions that Federal Government contracting departments and agencies must include in every Government contract, except for collective bargaining agreements and contracts for purchases under the Simplified Acquisition Threshold.

OLMS administers the enforcement provisions of Executive Order 13496, while the compliance evaluation and investigatory provisions are handled by the Department's Office of Federal Contract Compliance Programs (OFCCP), pursuant to the Order's implementing regulatory provisions (29 CFR part 471). Complaints can be filed with both agencies.

II. *Review Focus:* The Department is particularly interested in comments which:

- * Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

- * evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

- * enhance the quality, utility and clarity of the information to be collected; and

- * minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.

III. *Current Actions:* The Department seeks extension of the current approval to collect this information. An extension is necessary because if this information collection is not conducted, E.O. 13496 could not be enforced through the complaint procedure.
