### Overview of This Information Collection

(1) *Type of Information Collection:* Revision of a currently approved collection.

(2) *Title of the Form/Collection:* National Criminal Justice Reference Service (NCJRS) online subscription center: <https://www.ncjrs.gov/App/Secure/Registration/Register.aspx/>.

(3) *Agency form number, if any, and the applicable component of the Department sponsoring the collection:* Agency form number: 1121-NEW.

*Sponsoring component:* Department of Justice, Office of Justice Programs, Office of Communications.

(4) *Affected public who will be asked or required to respond, as well as a brief abstract:* Currently, constituents can sign-up for communications, such as new publications, funding opportunities, events, and other news and announcements from NCJRS and the NCJRS federal sponsors, place online orders, and track their order status by creating a detailed profile on [NCJRS.gov](http://NCJRS.gov). End Users can also subscribe to specific Bureau, Program Office, and shared email notification lists and newsletters when creating an NCJRS account. This action can also be accomplished on various Bureau, Program Office, or GovDelivery web pages.

However, the NCJRS online subscription center is more than 14 years old and subscription form selections have remained relatively unchanged for more than 20 years. Moreover, the subscription process includes 19 required fields and 7 different screens, creating an undue burden for End Users.

An evaluation of the current use of the information collected through the form and its impact to End Users was conducted to see where updates can be made to make for a better user experience while enabling customer segmentation strategies for targeted outreach. The goals for revising the subscription process are to increase

subscriptions by making the sign-up process less cumbersome for users and collect meaningful customer information to assist segmentation strategies for targeted outreach and upselling of Bureau and Program Office products and services.

(5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond/reply:* An estimated 75 End Users use the NCJRS online subscription center on a monthly basis to register. Based on pilot testing, an average of 2–4 minutes per respondent is needed to complete form 1121-NEW. The estimated range of burden for respondents is expected to be between 2 minutes to 4 minutes for completion.

(6) *An estimate of the total public burden (in hours) associated with the collection:* It is estimated that respondents will take 2–4 minutes to complete their profile. The estimated public burden hours associated for End Users to subscribe is 5 hours per month (75 respondents × 4 minutes = 300 minutes/60 minutes = 5 hours) or 60 hours per year (5 hours × 12 months = 60 hours).

*If additional information is required contact:* Melody Braswell, Department Clearance Officer, United States Department of Justice, Justice Management Division, Policy and Planning Staff, Two Constitution Square, 145 N Street NE, 3E.405A, Washington, DC 20530.
