SURFACE TRANSPORTATION BOARD

[Docket No. FD 36186]

Texas Railway Exchange LLC—Construction and Operation Exemption—in Galveston County, Texas

AGENCY: Surface Transportation Board.

ACTION: Issuance of Draft Environmental Assessment; Request for comments.

SUMMARY: The Surface Transportation Board’s (Board’s) Office of Environmental Analysis (OEA) has prepared a Draft Environmental Assessment (Draft EA) in response to a petition for exemption filed on November 21, 2018 by Texas Railway Exchange LLC (TREX) to construct and operate an approximately 2,800-foot line of railroad in the City of Galveston, Galveston County, Texas. The proposed rail line would connect the Texas International Terminals facility (the Terminal) on Galveston Bay with an existing line of railroad operated by BNSF Railway Company by crossing an existing Union Pacific Railroad rail line. The proposed rail line would offer a new alternative rail transportation option for rail traffic entering and leaving the Terminal.

The Draft EA evaluates the potential environmental impacts of two alternative rail alignments, as well as the No-Action Alternative and preliminarily concludes that construction of the proposed rail line connection would have no significant environmental impacts if the Board imposes and TREX implements the recommended mitigation measures set forth in the Draft EA. The entire Draft

EA is available on the Board's website (www.stb.dot.gov) by clicking on the "Decisions & Notices" button that appears in the drop down menu for "ELIBRARY," and searching by Service Date (February 22, 2019) or Docket Number (FD 36186).

DATES: The EA is available for public review and comment. Comments must be postmarked by March 14, 2019. OEA will consider and respond to comments received on the Draft EA in the Final EA. The Board will issue a final decision on the proposed transaction after issuance of the Final EA.

Filing Environmental Comments: Comments submitted by mail should be addressed to: Josh Wayland, Surface Transportation Board, 395 E Street SW, Washington, DC 20423. Comments on the Draft EA may also be filed electronically on the Board's website, www.stb.dot.gov, by clicking on the "E FILING" link. Please refer Docket No. FD 36186 in all comments, including electronic filings.

FOR FURTHER INFORMATION CONTACT: Josh Wayland by mail at the address above, by telephone at 202-245-0330, or by email at joshua.wayland@stb.gov.

Notice of Cancellation of Environmental Impact Statement for Proposed Capacity Enhancements and Other Improvements at Charlotte Douglas International Airport, Charlotte, Mecklenburg County, NC

AGENCY: Federal Aviation Administration (FAA), Department of Transportation (DOT).

ACTION: Notice of Cancellation of Preparation of Environmental Impact Statement (EIS) by the Federal Aviation Administration (FAA) for proposed

capacity enhancements and other improvements (Proposed Action) at Charlotte Douglas International Airport, Charlotte, NC.

SUMMARY: The Federal Aviation Administration (FAA) announces that it has discontinued preparation of an Environmental Impact Statement (EIS) for proposed capacity enhancements and other improvements (Proposed Action) at Charlotte Douglas International Airport (CLT), Charlotte, NC. The Proposed Action initially presented to the FAA entailed: (1) A Fourth 12,000-foot Parallel Runway 1-19 and End-Around Taxiways; (2) Concourse B and Ramp Expansion; (3) Concourse C and Ramp Expansion; and (4) Daily North Parking Deck. Based on developments during the National Environmental Policy Act, 42 U.S.C. 4321 *et seq.* (NEPA), review process, the project now subject to environmental review includes a fourth parallel runway of only 10,000 feet. The FAA determined that this was a sufficient change to one of the proposed capacity enhancements, as described in greater detail below in the Supplementary Information section of this Notice, to warrant cancellation of the EIS and conversion to an Environmental Assessment (EA).

DATES: Cancellation of this EIS is immediate.

ADDRESSES: Mail all comments, statements, or questions concerning this notice to: Mr. Tommy L. Dupree, Assistant Manager, Memphis Airports District Office, 2600 Thousand Oaks Blvd., Suite 2250, Memphis, TN 38118. You may also send comments to CLTEIS@faa.gov.

In addition, one copy of any comment submitted to the FAA should be mailed or delivered to Mr. Jack Christine, Chief Operating Officer, City of Charlotte Aviation Department, 5601 Wilkinson Boulevard, Charlotte, NC 28208.

The FAA held two governmental agency scoping meetings for Federal, state, and local regulatory agencies in Raleigh, NC, on April 24, 2018 and Charlotte, NC, on April 25, 2018, in addition to two public scoping meetings for the general public in Charlotte, NC, on April 24 and 26, 2018. FAA issued a Notice to Proceed for the EIS April 24, 2017.

In October 2018, FAA conducted an EIS runway length analysis for the proposed 12,000-foot runway, and the
