Methodology

Commerce is conducting this review in accordance with sections 751(a)(1)(B) and (2) of the Tariff Act of 1930, as amended (the Act). Pursuant to sections 776(a) and (b) of the Act, Commerce preliminarily relied upon the facts otherwise available with adverse inferences (AFA) to determine the margin for Ilsenburger Grobblech GmbH, Salzgitter Mannesmann Grobblech GmbH, Salzgitter Flachstahl GmbH, and Salzgitter Mannesmann International GmbH (collectively, Salzgitter), the sole remaining mandatory respondent selected for review, because Salzgitter did not respond to Commerce's questionnaire in this administrative review. For a complete explanation of the methodology and analysis underlying our preliminary application of AFA to Salzgitter, see the Preliminary Decision Memorandum. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to

Partial Rescission of Review

On October 22, 2018, the petitioners² withdrew their review requests for the following companies: AG der Dillinger Hüttenwerke (Dillinger); Perficon Steel GmbH (Perficon); Reiner Brach GmbH & Co. KG (Reiner Brach); Rudolf Rafflenbeul Stahlwarenfabrik GmbH & Co (Rudolf Rafflenbeul); Tenova (TAKRAF GmbH Lauchhammer) (Tenova); ThyssenKrupp Steel Europe AG (ThyssenKrupp Steel); ThyssenKrupp Schulte GmbH (TyssenKrupp Schulte); UPC Universal Piping GmbH (UPC); and VETTER Umformtechnik GmbH (VETTER).³ In accordance with 19 CFR 351.213(d)(1), Commerce is rescinding this review, in part, with respect to the following companies: Dillinger, Perficon, Reiner Brach, Rudolf Rafflenbeul, Tenova, ThyssenKrupp Steel, ThyssenKrupp Schulte, UPC, and VETTER.

Preliminary Results of the Review

As a result of this review, Commerce preliminarily determines that a dumping margin of 174.03 percent exists for Salzgitter for the period November 14, 2016, through April 30, 2018.

Disclosure

Normally, Commerce discloses to interested parties the calculations performed in connection with the preliminary results within five days of the date of publication of the notice of preliminary results in the **Federal Register**, in accordance with 19 CFR

² Enterprises LLC and Nucor Corporation, domestic producers and certain of the petitioners in the underlying less-than-fair-value investigation (hereafter, the petitioners)

³ See Letter from the petitioners, "Carbon and Alloy Steel Cut-To-Length Plate from Germany Withdrawal of Request for Administrative Review, dated October 22, 2018. The petitioners also withdrew their review request for Ilsenburger Grobblech GmbH (ILG). However, this company is one of the Salzgitter entities and the petitioners specifically indicated their intent to continue the review with respect to Salzgitter. Accordingly, we are not rescinding the administrative review with respect to ILG.

351.224(b). However, there are no calculations to disclose in connection with these preliminary results because, in accordance with section 776 of the Act, Commerce preliminarily applied AFA to Salzgitter, the sole mandatory respondent, and Commerce has preliminarily determined as the AFA rate the highest dumping margin alleged in the Petition.⁴

Assessment Rates

Upon issuance of the final results, Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries covered by this review.⁸ The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of this review and for future deposits of estimated duties, where applicable.⁹ For the companies for which we are rescinding this review, antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, during the period November 14, 2016, through April 30, 2018, in accordance with 19 CFR 351.212(c)(1)(i). We intend to issue instructions to CBP 15 days after the publication date of the final results of this review.

Cash Deposit Requirements

The following cash deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for Salzgitter will be the rate established in the final results of this review; (2) for previously reviewed or investigated companies not participating in this review, the cash deposit rate will continue to be the company-specific rate published for the most recently-completed segment of this proceeding in which the company was reviewed; (3) if the exporter is not a firm covered in this review, a prior review, or the less-than-fair-value (LTFV) investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recently-completed segment of this proceeding for the producer of subject merchandise;

and (4) the cash deposit rate for all other manufacturers or exporters will continue to be 21.04 percent, the "all others" rate established in the investigation.¹⁰ These deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.221(b)(4).

Dated: February 21, 2019.

Gary Taverman,

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations, performing the non-exclusive functions and duties of the Assistant Secretary for Enforcement and Compliance.
