SUPPLEMENTARY INFORMATION: The Paperwork Reduction Act of 1995 (PRA) and its implementing regulations, 5 CFR part 1320, require Federal agencies to issue two notices seeking public comment on information collection activities before OMB may approve paperwork packages. 44 U.S.C. 3506, 3507; 5 CFR 1320.5, 1320.8(d)(1), 1320.12. On December 20, 2018, OST published a 60-day notice in the **Federal Register** soliciting comment on ICRs for which the agency was seeking OMB approval. See 83 FR 65393. OST received no comments after issuing this notice. Accordingly, the Department has not made any changes to its anticipated burden hours for the respondents to comply with these requirements. The Department announces that these information collection activities have been re-evaluated and certified under 5 CFR. 1320.5(a) and is forwarding to OMB for review and approval pursuant to 5 CFR 1320.12(c).

Before OMB decides whether to approve these proposed collections of information, it must provide 30 days for public comment. 44 U.S.C. 3507(b); 5 CFR 1320.12(d). Federal law requires OMB to approve or disapprove paperwork packages between 30 and 60

days after the 30-day notice is published. 44 U.S.C. 3507(b)-(c); 5 CFR 1320.12(d); see also 60 FR 44978, 44983 (Aug. 29, 1995). OMB believes that the 30-day notice informs the regulated community to file relevant comments and affords the agency adequate time to digest public comments before it renders a decision. 60 FR 44983 (Aug. 29, 1995). Therefore, respondents should submit their respective comments to OMB within 30 days of publication to best ensure their full consideration. 5 CFR 1320.12(c); see also 60 FR 44983 (Aug. 29, 1995). The summaries below describe the nature of the ICR and the expected burden.

OMB Control Number: 2105-0551.

Title: Reporting Requirements for Disability-Related Complaints.

Type of Request: Renewal of Information Collection.

Background: On July 8, 2003, the Office of the Secretary published a final rule that requires certificated U.S. and foreign air carriers operating to, from and within the U.S. that conduct passenger-carrying service utilizing at least one large aircraft to record complaints that they receive alleging inadequate accessibility or discrimination on the basis of disability. The carriers must also categorize these complaints according to the type of disability and nature of complaint, prepare a summary report annually of the complaints received during the preceding calendar year, submit the report to the Department's Aviation Consumer Protection Division, and retain copies of correspondence and records of action taken on the reported complaints for three years. The rule requires carriers to submit their annual report via the World Wide Web except if the carrier can demonstrate an undue burden by doing so and receives permission from the Department to submit it in an alternative manner. The first required report covered disability-related complaints received by carriers during calendar year 2004, which was due to the Department on January 31, 2005. Carriers have been required to submit all subsequent reports on the last Monday in January for the prior calendar year. On March 7, 2016, OMB approved information collection of disability-related complaints, "Reporting Requirements for Disability-Related Complaints" through March 31, 2019. The application to renew this information collection request was published in the **Federal Register** on Thursday, December 20, 2018, 83 FR 65393.
