RIN 1515-AE45

Extension of Import Restrictions Imposed on Archaeological and Ecclesiastical Ethnological Material From Honduras

AGENCY: U.S. Customs and Border Protection, Department of Homeland Security; Department of the Treasury.
ACTION: Final rule.

SUMMARY: This document amends the U.S. Customs and Border Protection (CBP) regulations to reflect an extension of import restrictions on certain archaeological and ecclesiastical ethnological material from Honduras. The restrictions, which were originally imposed by CBP Dec. 04-08 and last extended by CBP Dec. 14-03, are due to expire March 12, 2019. The Assistant Secretary for Educational and Cultural Affairs, United States Department of State, has made the requisite determination for extending the import restrictions that previously existed and entering into a new Memorandum of Understanding (MOU) with Honduras to reflect the extension of these import restrictions. The new MOU supersedes the existing agreement that became effective on March 12, 2014. Accordingly, these import restrictions will remain in effect for an additional five years, and the CBP regulations are being amended to reflect this further extension through March 12, 2024. CBP Dec. 14-03 contains the amended Designated List of archaeological and ecclesiastical ethnological material from Honduras to which the restrictions apply.

DATES: *Effective Date:* March 12, 2019.

SUPPLEMENTARY INFORMATION:

Background

Pursuant to the Convention on Cultural Property Implementation Act, Public Law 97–446, 19 U.S.C. 2601 *et seq.*, which implements the 1970 United Nations Educational, Scientific and Cultural Organization (UNESCO) Convention on the Means of Prohibiting and Preventing the Illicit Import, Export and Transfer of Ownership of Cultural Property (823 U.N.T.S. 231 (1972)), the United States entered into a bilateral agreement with the Republic of Honduras (Honduras) on March 12, 2004, concerning the imposition of import restrictions on certain archaeological material representing the Pre-Columbian cultures of Honduras and ranging in date from approximately 1200 B.C. to 1500 A.D. On March 16, 2004, U.S. Customs and Border Protection published CBP Dec. 04–08 in the **Federal Register** (69 FR 12267), which amended 19 CFR 12.104g(a) to reflect the imposition of these restrictions and included a list designating the types of archaeological material covered by the restrictions.

Import restrictions listed at 19 CFR 12.104g(a) are effective for no more than five years beginning on the date on which the agreement enters into force with respect to the United States. This period may be extended for additional periods of not more than five years if it is determined that the factors which justified the initial agreement still pertain and no cause for suspension of the agreement exists.

On March 11, 2009, CBP published a final rule (CBP Dec. 09–05) in the **Federal Register** (74 FR 10482), which amended § 12.104g(a) to reflect the extension of these import restrictions for an additional five years, to March 12, 2014.

On September 24, 2013, the United States Department of State proposed in the **Federal Register** (78 FR 58596) to extend the agreement through a bilateral agreement between the United States and Honduras concerning the imposition of import restrictions on archaeological material from the pre-Columbian cultures of Honduras. On February 11, 2014, the Assistant Secretary for Educational and Cultural

Affairs, United States Department of State, made the necessary determinations to extend the import restrictions for an additional five years. Additionally, pursuant to his statutory and decision-making authority, the Assistant Secretary for Educational and Cultural Affairs, United States Department of State, included the coverage of certain ecclesiastical ethnological material to the Designated List. On March 12, 2014, CBP published a final rule (CBP Dec. 14–03) in the **Federal Register** (79 FR 13873). This final rule amended § 12.104g(a) to reflect the extension of these import restrictions for an additional five years and added restrictions on ecclesiastical ethnological material dating to the Colonial Period of Honduras, c. A.D. 1502 to 1821. The amended Designated List of archaeological and ecclesiastical ethnological material is set forth in CBP Dec. 14–03. These import restrictions are due to expire on March 12, 2019.

On December 14, 2018, the Assistant Secretary for Educational and Cultural Affairs, United States Department of State, after consultation with and recommendations by the Cultural Property Advisory Committee, determined that the cultural heritage of Honduras continues to be in jeopardy from pillage of certain archaeological and ecclesiastical ethnological material and that the import restrictions should be extended for an additional five years. Subsequently, a new MOU was concluded between the United States and Honduras. The new MOU supersedes and replaces the prior MOU and extends the import restrictions that went into effect under the prior MOU for an additional five years. This MOU is titled: “Memorandum of Understanding between the Government of the United States of America and the Government of Republic of Honduras Concerning the Imposition of Import Restrictions on Archaeological Material from the Pre-Columbian Cultures of Honduras and Ecclesiastical Ethnological Materials from the Colonial Period of Honduras.” Accordingly, CBP is amending 19 CFR 12.104g(a) to reflect the extension of the import restrictions.

The restrictions on the importation of archaeological and ecclesiastical ethnological material are to continue in effect through March 12, 2024. Importation of such material from Honduras continues to be restricted through that date unless the conditions set forth in 19 U.S.C. 2606 and 19 CFR 12.104c are met.

The Designated List and additional information may also be found at the following website address: <https://eca.state.gov/cultural-heritage-center/>

Inapplicability of Notice and Delayed Effective Date

This amendment involves a foreign affairs function of the United States and is, therefore, being made without notice or public procedure under 5 U.S.C. 553(a)(1). For the same reason, a delayed effective date is not required under 5 U.S.C. 553(d)(3).

Regulatory Flexibility Act

Because no notice of proposed rulemaking is required, the provisions of the Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*) do not apply.

Executive Orders 12866 and 13771

CBP has determined that this document is not a regulation or rule subject to the provisions of Executive Order 12866 or Executive Order 13771 because it pertains to a foreign affairs function of the United States, as described above, and therefore is specifically exempted by section 3(d)(2) of Executive Order 12866 and section 4(a) of Executive Order 13771.

Signing Authority

This regulation is being issued in accordance with 19 CFR 0.1(a)(1), pertaining to the Secretary of the Treasury’s authority (or that of his/her delegate) to approve regulations related to customs revenue functions.

RIN 0790-AK44

Program To Encourage Public and Community Service (PACS)

AGENCY: Under Secretary of Defense for Personnel and Readiness, DoD.

ACTION: Final rule.

SUMMARY: This final rule removes the Department of Defense (DoD) regulation concerning a program to encourage public and community service by separating/retiring Service members, and DoD civilian personnel leaving the Government, and encourages spouses to enter public and community service employment. The authorizing legislation for this program has been repealed. Therefore, this part is outdated and unnecessary and should be removed.

DATES: This rule is effective on March 12, 2019.

FOR FURTHER INFORMATION CONTACT: Ronald H. Horne, (703) 614-8631.

SUPPLEMENTARY INFORMATION: It has been determined that publication of this CFR part removal for public comment is impracticable, unnecessary, and contrary to public interest since it is based on removing obsolete information.

This part was originally published October 23, 1992, under 10 U.S.C. 1143a, and established a program to identify and encourage public and community service to separating DoD service members and civilians within the Office of the Secretary of Defense. The rule authorized DoD to counsel and create personnel registries for them to learn about community and public service employment prior to separation and retirement. It required public and community service organizations

employers to register in an organizational registry to validate their eligibility. The Fiscal Year 2019 National Defense Authorization Act (Pub. L. 115-232), section 553 repealed this part’s authorizing legislation.

This rule is not significant under Executive Order (E.O.) 12866, “Regulatory Planning and Review”; therefore, the requirements of E.O. 13771, “Reducing Regulation and Controlling Regulatory Costs” do not apply.

I. What are the State rule revisions?

On December 12, 2017 and August 9, 2018, MDEQ submitted a request to EPA to incorporate revisions to Michigan’s Air Pollution Control Rules entitled Part 1—General Provisions (Part 1). Part 1 is a compilation of the definitions used in Michigan’s rules. The submission revises the following Michigan’s Air Pollution Control rules: R 336.1101 to 1103, R 336.1106 to 1109, R 336.1112 to 1116, and R 336.1118 to 1123. The revisions are primarily administrative changes. The revisions to Part 1 include a range of administrative changes, from grammatical corrections to language updates.

In the August 9, 2018, submission, MDEQ rescinded its request to modify Part 1 for the following definitions: R336.1101(a) “Act,” R336.1101(h) “Air pollution,” R336.1101(q) “Aqueous based parts washer,” and R336.1103(aa) “Cold cleaner.”

II. Public Comment

On December 13, 2018 (83 FR 64056), EPA published a notice of proposed rulemaking proposing approval of Michigan’s Part 1 rule. The comment period closed on January 14, 2019. We received an anonymous comment that address subjects outside the scope of
