PENSION BENEFIT GUARANTY CORPORATION

29 CFR Parts 4022 and 4044

Allocation of Assets in Single-Employer Plans; Benefits Payable in Terminated Single-Employer Plans; Interest Assumptions for Valuing and Paying Benefits

AGENCY: Pension Benefit Guaranty Corporation.

ACTION: Final rule.

SUMMARY: This final rule amends the Pension Benefit Guaranty Corporation's regulations on Benefits Payable in Terminated Single-Employer Plans and Allocation of Assets in Single-Employer Plans to prescribe certain interest assumptions under the benefit payments regulation for plans with valuation dates in April 2019 and interest assumptions under the asset allocation regulation for plans with valuation dates in the second quarter of 2019. These interest assumptions are used for valuing benefits and paying certain benefits under terminating single-employer plans covered by the pension insurance system administered by PBGC.

DATES: Effective April 1, 2019.

FOR FURTHER INFORMATION CONTACT:

Melissa Rifkin (rifkin.melissa@PBGC.gov), Attorney, Regulatory Affairs Division, Pension Benefit Guaranty Corporation, 1200 K Street NW, Washington, DC 20005, 202-326-4400, ext. 6563. (TTY users may call the Federal relay service toll free at 1-800-877-8339 and ask to be connected to 202-326-4400, ext. 6563.)

SUPPLEMENTARY INFORMATION: PBGC's regulations on Allocation of Assets in Single-Employer Plans (29 CFR part 4044) and Benefits Payable in Terminated Single-Employer Plans (29 CFR part 4022) prescribe actuarial assumptions—including interest assumptions—for valuing and paying plan benefits under terminating single-employer plans covered by title IV of the Employee Retirement Income Security Act of 1974 (ERISA). The interest assumptions in the regulations are also published on PBGC's website (<http://www.pbgc.gov>).

Lump Sum Interest Assumption

PBGC uses the interest assumptions in appendix B to part 4022 ("Lump Sum Interest Rates for PBGC Payments") to determine whether a benefit is payable as a lump sum and to determine the amount to pay as a lump sum. Because some private-sector pension plans use these interest rates to determine lump sum amounts payable to plan

participants (if the resulting lump sum is larger than the amount required under section 417(e)(3) of the Internal Revenue Code and section 205(g)(3) of ERISA), these rates are also provided in appendix C to part 4022 (“Lump Sum Interest Rates for Private-Sector Payments”).

This final rule updates appendices B and C of the benefit payments regulation to provide the rates for April 2019 measurement dates.

The April 2019 lump sum interest assumptions will be 1.25 percent for the period during which a benefit is (or is assumed to be) in pay status and 4.00 percent during any years preceding the benefit’s placement in pay status. In comparison with the interest assumptions in effect for March 2019, these assumptions represent no change in the immediate rate and are otherwise unchanged.

Valuation/Asset Allocation Interest Assumptions

PBGC uses the interest assumptions in appendix B to part 4044 (“Interest Rates Used to Value Benefits”) to value benefits for allocation purposes under section 4044 of ERISA, and some private-sector pension plans use them to determine benefit liabilities reportable under section 4044 of ERISA and for other purposes. The second quarter 2019 interest assumptions will be 3.07 percent for the first 20 years following

the valuation date and 3.05 percent thereafter. In comparison with the interest assumptions in effect for the first quarter of 2019, these interest assumptions represent no change in the select period (the period during which the select rate (the initial rate) applies), a decrease of 0.02 percent in the select rate, and an increase of 0.21 percent in the ultimate rate (the final rate).

Need for Immediate Guidance

PBGC updates appendix B of the asset allocation regulation each quarter and appendices B and C of the benefit payments regulation each month. PBGC has determined that notice and public comment on this amendment are impracticable and contrary to the public interest. This finding is based on the need to issue new interest assumptions promptly so that they are available to value benefits and, for plans that rely on our publication of them each month or each quarter, to calculate lump sum benefit amounts.

Because of the need to provide immediate guidance for the valuation and payment of benefits under plans with valuation dates during April 2019, PBGC finds that good cause exists for making the assumptions set forth in this amendment effective less than 30 days after publication.

PBGC has determined that this action is not a “significant regulatory action”

under the criteria set forth in Executive Order 12866.

Because no general notice of proposed rulemaking is required for this amendment, the Regulatory Flexibility Act of 1980 does not apply. See 5 U.S.C. 601(2).

DEPARTMENT OF THE TREASURY

Office of Foreign Assets Control

31 CFR Parts 561 and 566

List of Foreign Financial Institutions Subject to Correspondent Account or Payable-Through Account Sanctions (CAPTA List)

AGENCY: Office of Foreign Assets Control, Treasury.

ACTION: Final rule; technical amendments.

SUMMARY: The Department of the Treasury’s Office of Foreign Assets Control (OFAC) is amending the Iranian Financial Sanctions Regulations (IFSR) and the Hizballah Financial Sanctions Regulations (HFSR) to incorporate references to the new List of Foreign Financial Institutions Subject to Correspondent Account or Payable-Through Account Sanctions (CAPTA List).

DATES: *Effective:* March 15, 2019.

FOR FURTHER INFORMATION CONTACT: OFAC: Assistant Director for Licensing, tel.: 202–622–2480; Assistant Director for Regulatory Affairs, tel.: 202–622–4855; Assistant Director for Sanctions Compliance & Evaluation, tel.: 202–622–2490; or the Department of the Treasury’s Office of the Chief Counsel (Foreign Assets Control), Office of the General Counsel, tel.: 202–622–2410.

SUPPLEMENTARY INFORMATION:

Electronic Availability

This document and additional information concerning OFAC are available from OFAC’s website (www.treasury.gov/ofac).

Background

Pursuant to a number of sanctions authorities, the Secretary of the Treasury may impose strict conditions or prohibitions on the opening or maintaining of correspondent or

payable-through accounts in the United States (collectively, “correspondent or payable-through account sanctions”) for a foreign financial institution (FFI) that the Secretary determines knowingly engages in specified transactions. As a general matter, the Secretary of the Treasury further delegates these authorities to the Director of OFAC.

With respect to the first two such authorities established, OFAC created separate sanctions lists to identify FFIs subject to correspondent or payable-through account sanctions. Specifically, §§ 561.201 and 561.203 of the IFSR (31 CFR part 561) provide that, upon a finding by the Secretary of the Treasury that an FFI knowingly engages in one or more of the activities described in § 561.201(a) or § 561.203(a), the Secretary of the Treasury will impose correspondent or payable-through account sanctions on the FFI. Notes to §§ 561.201(b) and 561.203(a) further clarify that the name of the FFI and the relevant prohibition or strict condition(s) will be added to the List of Foreign Financial Institutions Subject to Part 561 List (Part 561 List) on the Iran sanctions page on OFAC’s website (www.treasury.gov/ofac) and published in the **Federal Register**. As of March 14, 2019, there was one FFI on the Part 561 List.

Similarly, § 566.201 of the HFSR provides that, upon a finding by the Secretary of the Treasury that an FFI knowingly engages in one or more of the activities described in § 566.201(a), the Secretary of the Treasury will impose correspondent or payable-through account sanctions on the FFI. A note to § 566.201(c) further explains that the name of the FFI and the relevant prohibition or strict condition(s) will be added to the HFSR List on the Counter Terrorism Sanctions web page on OFAC’s website (www.treasury.gov/ofac) and published in the **Federal Register**. As of March 14, 2019, there was no HFSR List on the OFAC website because no FFI has been listed pursuant to the HFSR.

Additional sanctions authorities provide for correspondent or payable-through account sanctions, including the Ukraine Freedom Support Act of 2014, as amended (UFSA), and Executive Order 13810 of September 20, 2017 (“Imposing Additional Sanctions

With Respect to North Korea”) (82 FR 44705, September 25, 2017), as implemented in the North Korea Sanctions Regulations, 31 CFR part 510 (NKSr). In order to avoid potential confusion resulting from multiple OFAC lists addressing similar sanctions, on March 1, 2018, OFAC announced on its website the creation of a consolidated list, the List of Foreign Financial Institutions Subject to Correspondent Account or Payable-Through Account Sanctions (CAPTA List), which would list any FFI subject to correspondent or payable-through account sanctions pursuant to UFSA or the NKSr, as well as the relevant prohibition or strict condition(s). Also on March 1, 2018, OFAC stated that the CAPTA List eventually would be expanded to include FFIs subject to correspondent or payable-through account sanctions pursuant to additional authorities, including the IFSR and the HFSR. As of March 14, 2019, the CAPTA List did not include any FFIs subject to correspondent or payable-through account sanctions under UFSA or the NKSr because OFAC has not identified any such FFIs.

This rule amends the IFSR and the HFSR to replace 14 references to the Part 561 List and seven references to the HFSR List, respectively, with references to the CAPTA List. OFAC also is making a conforming change in the IFSR and the HFSR to the location on OFAC’s website for the CAPTA List.

On March 15, 2019, by separate action, OFAC is expanding the CAPTA List on the OFAC website to include FFIs subject to correspondent or payable-through account sanctions pursuant to the IFSR and the HFSR. As part of this change, OFAC will move the name of the FFI on the Part 561 List, along with the relevant prohibition or strict condition(s) to which the FFI is subject, to the CAPTA List. The CAPTA List will thus supersede the Part 561 List in its entirety, and the Part 561 List will be removed from OFAC’s website. Following the publication of this rule, unless otherwise specified, the names of any FFIs that are determined by the Secretary of the Treasury to be subject to correspondent or payable-through account sanctions will be placed on the CAPTA List. The CAPTA List will be accessible via OFAC’s website and
