preliminary conclusions, including our reliance on adverse facts available pursuant to sections 776(a) and (b) of the Act, *see* the Preliminary Decision Memorandum. As explained in the Preliminary Decision Memorandum, Commerce relied on adverse facts available because the five companies that remain under review (*i.e.*, Anshan, Foshan, Jangho H.K., Sihui Shi, and Sincere Profit) did not act to the best of their ability in responding to Commerce's requests for information, and consequently, we have drawn an adverse inference, where appropriate, in selecting from among the facts otherwise available.⁶ For further information, *see* "Use of Facts Otherwise Available and Adverse Inferences" in the Preliminary Decision Memorandum.

Intent To Rescind Review, In Part

For those companies named in the *Initiation Notice* for which all review requests have been timely withdrawn,⁷ we intend to rescind this administrative review in accordance with 19 CFR 351.213(d)(1). These companies are listed at Appendix II to this notice. For these companies, Commerce intends to assess duties at rates equal to the rates of the cash deposits for estimated countervailing duties required at the time of entry, or withdrawn from warehouse, for consumption, during the POR, in accordance with 19 CFR 351.212(c)(2).

Preliminary Results

Commerce preliminarily determines that the following estimated countervailable subsidy rates exist:⁸

Company	Ad valorem rate (percent)
Anshan Zhongjda Industry Co. Ltd	201.09
Foshan Sanshui Fenglu Aluminum Co	201.09
Jangho Curtain Wall Hong Kong Ltd ..	201.09
Sihui Shi Guoyao Aluminum Co., Ltd	201.09
Sincere Profit Ltd	201.09

Assessment Rates

In accordance with 19 CFR 351.221(b)(4)(i), we preliminarily assigned subsidy rates in the amounts shown above for the producer/exporters shown above. Upon completion of the administrative review, consistent with section 751(a)(1) of the Act and 19 CFR 351.212(b)(2), Commerce shall determine, and U.S. Customs and

Border Protection (CBP) shall assess, countervailing duties on all appropriate entries covered by this review. We intend to issue assessment instructions to CBP 15 days after publication of the final results of this review.

Cash Deposit Requirements

Pursuant to section 751(a)(2)(C) of the Act, Commerce also intends upon publication of the final results to instruct CBP to collect cash deposits of estimated countervailing duties in the amounts indicated above for each company listed on shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this administrative review. For all non-reviewed firms, we intend to instruct CBP to collect cash deposits of estimated countervailing duties at the most recent company-specific or all-others rate applicable to the company, as appropriate. These cash deposit requirements, when imposed, shall remain in effect until further notice.

Disclosure

Normally, Commerce discloses to interested parties the calculations performed in connection with the preliminary results of review within five days of its public announcement, or if there is no public announcement, within five days of the date of publication of this notice in accordance with 19 CFR 351.224(b). However, we have assigned a net subsidy rate based on total adverse facts available to the five companies for which requests for review were not withdrawn (each failed to submit a response to Commerce's quantity and value (Q&V) questionnaire), in accordance with section 776 of the Act. For information detailing the derivation of the adverse facts available (AFA) rate applied, *see* AFA Calculation Memorandum.⁹

SUPPLEMENTARY INFORMATION:**Background**

The TFAC was originally chartered on August 11, 2016, pursuant to discretionary authority and in accordance with the Federal Advisory Committee Act, as amended, 5 U.S.C. App., and re-chartered for a second two-year term on August 9, 2018. The TFAC serves as the principal advisory body to the Secretary of Commerce on policy matters relating to access to trade finance for U.S. exporters, including small- and medium-sized enterprises, and their foreign buyers. The TFAC is the sole mechanism by which the Department of Commerce (the Department) convenes private sector stakeholders to identify and develop consensus-based solutions to trade finance challenges. The Council is comprised of a diverse group of stakeholders from the trade finance industry and the U.S. exporting community, as well as experts from academia and public policy organizations.

On Wednesday, March 27, 2019, the TFAC will hold the first meeting of its 2018-2020 charter term. During the meeting, members will discuss with officials from the Department of Commerce and other agencies current challenges and opportunities to increase access to export financing resources for U.S. exporters. They will also establish priorities, the subcommittees' structure, and milestones for the successful development of recommendations.

Meeting minutes will be available within 90 days of the meeting upon request or on the TFAC's website at www.trade.gov/tfac.
