SUPPLEMENTARY INFORMATION:

I. Background

Section 4(j) of the Consumer Product Safety Act (CPSA) (15 U.S.C. 2053(j)) requires the Commission to establish an agenda for action under the laws the Commission administers, and to the extent feasible, select priorities for action at least 30 days before the beginning of each fiscal year. Section 4(j) of the CPSA provides further that before establishing its agenda and priorities, the Commission conduct a public hearing and provide an opportunity for the submission of comments.

II. Oral Presentations and Submission of Written Comments

The Commission is preparing the agency's fiscal year 2020 Operating Plan and fiscal year 2021 Congressional Budget Request. Fiscal year 2020 begins on October 1, 2019, and fiscal year 2021 begins on October 1, 2020. Through this notice, the Commission invites the public to comment on the following questions:

1. What are the priorities the Commission should consider emphasizing and dedicating resources toward in the fiscal year 2020 Operating Plan and/or the fiscal year 2021 Congressional Budget Request?

2. What activities should the Commission consider deemphasizing in the fiscal year 2020 Operating Plan and/or the fiscal year 2021 Congressional Budget Request?

3. What retrospective review of rules should the Commission consider in the fiscal year 2020 Operating Plan and/or the fiscal year 2021 Congressional Budget Request?

4. The CPSC's programs will align with the strategic goals outlined in the CPSC's 2018–2022 Strategic Plan. The CPSC's fiscal year 2020 Budget Request is based on four agency priorities: (1) Focusing the agency's resources on the highest-priority consumer product

safety risks; (2) continuing to support import surveillance by operating, maintaining, and developing the Risk Assessment Methodology (RAM) system to identify and stop noncompliant imported products from entering the U.S. marketplace; (3) emphasizing collaboration, outreach, and education by engaging all stakeholders through forums, advisory groups, seminars, webinars, technical stakeholder-to-government discussions, and workshops; and (4) expanding the sources and types of data analysis used to identify and assess hazards and inform solutions to address identified hazards. The Commission requests comments on the priorities as presented in the FY 2020 Budget Request. The CPSC's Budget Request for fiscal year 2020 can be found at: www.cpsc.gov/about-cpsc/agency-reports/performance-and-budget. The Commission also requests comments on whether the Commission should consider making any changes or adjustments to the agency's proposed or ongoing safety standards activities, regulation and enforcement efforts in fiscal years 2020 and 2021 (16 CFR 1009.8). Comments are welcome on whether particular action items should be higher priority than others, should not be included, or should be added to the fiscal year 2020 and/or fiscal year 2021 agendas.

Persons who desire to make oral presentations at the hearing on May 1, 2019 should send an email, call, or write Alberta E. Mills, Division of the Secretariat, U.S. Consumer Product Safety Commission, 4330 East-West Highway, Bethesda, MD 20814; email: cpsc-os@cpsc.gov; telephone: (301) 504-7923; facsimile (301) 504-0127 not later than 5 p.m. EDT on April 17, 2019. Requests to make oral presentations and texts of the presentation must be received not later than 5 p.m. EDT on April 17, 2019. Presentations should be limited to approximately 10 minutes. The Commission reserves the right to impose further time limitations on all presentations and further restrictions to avoid duplication of presentations.

If you do not want to make an oral presentation, but would like to provide written comments, you may do so. Please submit written comments in the manner described in the previous paragraph. Written comments must be received no later than 5 p.m. EDT on April 17, 2019.
