4. *Affected public who will be asked or required to respond, as well as a brief abstract:* On June 20, 2012, the Department of Justice published a Final Rule to adopt national standards to prevent, detect, and respond to sexual abuse in confinement settings pursuant to the Prison Rape Elimination Act of 2003 (PREA), 34 U.S.C. 30305. These national standards, which went into effect on August 20, 2012, require covered facilities to retain certain specified information relating to sexual abuse prevention planning, responsive planning, education and training, investigations and to collect and retain certain specified information relating to allegations of sexual abuse within the facility. Covered facilities include: Federal, state, and local jails, prisons, lockups, community correction facilities, and juvenile facilities, whether administered by such government or by a private organization on behalf of such government.
