

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 165 as follows:

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

■ 1. The authority citation for part 165 continues to read as follows:

Authority: 46 U.S.C. 70034, 70051; 33 CFR 1.05–1, 6.04–1, 6.04–6, and 160.5; Department of Homeland Security Delegation No. 0170.1.

■ 2. Add § 165. T11–1119 to read as follows:

§ 165. T11–966 Safety Zone; Commandant's State of the Coast Guard Address, San Pedro, California.

(a) *Location.* The following area is a safety zone: All navigable waters from the surface to the sea floor within 500-foot radius in approximate position: 33°43.241' N, 118°15.942' W. All coordinates displayed are referenced by North American Datum of 1983, World Geodetic System, 1984.

(b) *Definitions.* For the purposes of this section:

Designated representative means a Coast Guard Patrol Commander, including a Coast Guard coxswain, petty officer, or other officer operating a Coast Guard vessel and a Federal, State, and local officer designated by or assisting the Captain of the Port Los Angeles—Long Beach (COTP) in the enforcement of the safety zone.

(c) *Regulations.* (1) Under the general safety zone regulations in subpart C of this part, you may not enter the safety zone described in paragraph (a) of this section unless authorized by the COTP or the COTP's designated representative.

(2) To seek permission to enter, hail Coast Guard Sector Los Angeles—Long Beach on VHF–FM Channel 16 or call at (310) 521–3801. Those in the safety zone must comply with all lawful orders or directions given to them by the COTP or the COTP's designated representative.

(d) *Enforcement period.* This section is effective from 12:01 a.m. through 11:59 p.m. on March 21, 2019. No vessel or person would be permitted to operate in the safety zone without obtaining permission from the COTP or her designated representative. This temporary safety zone will only be enforced between 7:00 a.m. PST and 5:00 p.m. PST March 21, 2019. The general boating public will be notified prior to the enforcement of the

temporary moving safety zone via Broadcast Notice to Mariners.

M.L. Rochester,

Captain, U.S. Coast Guard, Captain of the Port, Los Angeles Long Beach.

BILLING CODE 9110–04–P

DEPARTMENT OF HOMELAND SECURITY

Coast Guard

33 CFR Part 165

[Docket Number USCG–2019–0109]

RIN 1625–AA00

Safety Zone; Delaware River, Philadelphia, PA

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary safety zone on the navigable waters of the Delaware Bay and River to restrict and protect vessel traffic during the transit of Post-Panamax gantry cranes to and from the Port of Philadelphia. This action is intended to protect mariners and vessels from the hazards associated with the transportation of these large cranes. Entry of vessels or persons into this zone would be prohibited unless a vessel meets the stated requirements or is specifically authorized by the Captain of the Port Delaware Bay. This rule compliments a safety zone found in docket number USCG–2019–0122 addressing safety risks while the vessel carrying the cranes is moored at the Port of Philadelphia.

DATES: This rule is effective without actual notice from March 21, 2019 through May 7, 2019. For the purposes of enforcement, actual notice will be used from March 15, 2019, through March 21, 2019. This rule may be cancelled earlier if the project is completed before May 7, 2019.

ADDRESSES: To view documents mentioned in this preamble as being available in the docket, go to <https://www.regulations.gov>, type USCG–2019–0109 in the “SEARCH” box and click “SEARCH.” Click on Open Docket Folder on the line associated with this rule.

FOR FURTHER INFORMATION CONTACT: If you have questions about this rulemaking, call or email Petty Officer Thomas Welker, U.S. Coast Guard Sector Delaware Bay, Waterways Management Branch; telephone (215) 271–4814, email Thomas.J.Welker@uscg.mil.

SUPPLEMENTARY INFORMATION:

I. Table of Abbreviations

CFR Code of Federal Regulations
COTP Captain of the Port
DHS Department of Homeland Security
FR Federal Register
NPRM Notice of proposed rulemaking
§ Section
U.S.C. United States Code

II. Background Information and Regulatory History

The M/V ZHEN HUA 25 is transporting three post-Panamax gantry cranes to ports within the United States. These large cranes extend beyond the width of M/V ZHEN HUA 25 on both sides of the vessel and create a navigational hazard to vessels operating within a certain proximity. The cranes are fastened in manner to facilitate passage through open ocean. Upon arrival with the Delaware River, M/V ZHEN HUA 25 will transit to anchorage and begin an approximately four day process of removing the sea fastenings. The M/V ZHEN HUA 25 will then proceed, conditions permitting, to berth at the Port of Philadelphia Greenwich Terminal. The vessel will deliver two of the three cranes then proceed outbound to Wilmington, NC, with one gantry crane remaining onboard.

The Coast Guard is issuing this temporary rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are “impracticable, unnecessary, or contrary to the public interest.” Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing an NPRM with respect to this rule because it is impracticable and contrary to the public interest. There is insufficient time to allow for a reasonable comment period prior to the anticipated arrival of M/V ZHEN HUA 25 to the Delaware Bay Captain of the Port zone. The rule must be in force by March 15, 2019, to serve its purpose of ensuring the safety of waterway users and the general public from hazards associated with the transport of post-Panamax gantry cranes within the Delaware Bay Captain of the Port Zone.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. Delaying the effective date of this rule would be impracticable and contrary to the public interest because

immediate action is needed to mitigate the potential safety hazards associated with transportation of post-Panamax gantry cranes.

III. Legal Authority and Need for Rule

The Coast Guard is issuing this rule under authority in 46 U.S.C. 70034. The COTP has determined that there are potential hazards associated with the transportation of post-Panamax gantry cranes. The COTP Delaware Bay has determined that the potential hazards will be a safety concern for anyone within a 200-yard radius of the vessel unless moored at Greenwich Terminal in Philadelphia, Pennsylvania.

IV. Discussion of the Rule

The safety zone includes all navigable waters within 200 yards of M/V ZHEN HUA 25 unless moored at Greenwich Terminal in Philadelphia, Pennsylvania. Enforcement of the safety zone will begin when the M/V ZHEN HUA 25 arrives at the Delaware Bay Captain of the Port zone and continue, unless the vessel is moored, until departure from the Delaware Bay Captain of the Port zone. The anticipated date of arrival for the M/V ZHEN HUA 25 is March 15, 2019. However, inclement weather and other unforeseen circumstances may necessitate a change in the date of transit upriver. Sector Delaware Bay will notify the maritime community of the date of transit, at a minimum, via marine safety information bulletin and broadcast notice to mariners.

To ensure a safe transit within the Delaware Bay Captain of the Port zone, the vessel may stop in a designated anchorage area, as set forth in 33 CFR 110.157, for a short time if needed due to weather and tidal requirements. The safety zone will remain in place during the time the vessel spends anchored. Vessels may be able to transit through the safety zone while the M/V ZHEN HUA 25 is anchored in a designated anchorage area if they meet the following requirements: Transit through the safety zone at the minimum safe speed to reduce wake and maintain steerage, and, except for towing vessels designated as assist tugs and operating in such capacity, do not overtake, meet, or otherwise pass any other unmoored or unanchored vessel while transiting through the safety zone. Vessels which do not meet all of the requirements listed above are prohibited from entering or transiting the safety zone without prior approval of the COTP Delaware Bay. Additionally, vessels must ask permission to enter or transit the safety zone any time the M/V ZHEN HUA 25 is underway. Vessels requesting to enter or transit the safety zone may

contact the Sector Delaware Bay Command Center via VHF-FM channel 16. The Coast Guard anticipates that most vessels will be able to freely transit around the safety zone and will not need to seek permission to enter the zone while the M/V ZHEN HUA 25 is underway.

There will be a pre-designated safety vessel escorting the ZHEN HUA 25 while it is underway to monitor the flow of traffic and inform mariners that the gantry crane transit is in progress.

The Coast Guard is establishing a second safety zone through a separate rulemaking found in Docket number USCG-2019-0122, published elsewhere in this issue of the **Federal Register**, to ensure the safety of vessels and persons transiting the area during offloading operations once the vessel is moored at the terminal.

V. Regulatory Analyses

We developed this rule after considering numerous statutes and Executive orders related to rulemaking. Below we summarize our analyses based on a number of these statutes and Executive orders, and we discuss First Amendment rights of protestors.

A. Regulatory Planning and Review

Executive Orders 12866 and 13563 direct agencies to assess the costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits. Executive Order 13771 directs agencies to control regulatory costs through a budgeting process. This rule has not been designated a “significant regulatory action,” under Executive Order 12866. Accordingly, this rule has not been reviewed by the Office of Management and Budget (OMB), and pursuant to OMB guidance it is exempt from the requirements of Executive Order 13771.

This regulatory action determination is based on the short duration and traffic management of the safety zone. The safety zone will allow for vessels to transit through the safety zone with permission while the M/V ZHEN HUA 25 is underway or in a designated anchorage without permission if certain requirements are met. The Coast Guard anticipates that most vessels will be able to freely transit around the safety zone and will not need to seek permission to enter the zone while the M/V ZHEN HUA 25 is underway. For these reasons, the impact on waterway traffic is expected to be minimal.

B. Impact on Small Entities

The Regulatory Flexibility Act of 1980, 5 U.S.C. 601–612, as amended, requires Federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities.

While some owners or operators of vessels intending to transit the safety zone may be small entities, for the reasons stated in section V.A. above, this rule will not have a significant economic impact on any vessel owner or operator.

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this rule. If the rule will affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency’s responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1–888–REG–FAIR (1–888–734–3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

C. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

D. Federalism and Indian Tribal Governments

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the national government and the States, or on the distribution of

power and responsibilities among the various levels of government. We have analyzed this rule under that Order and have determined that it is consistent with the fundamental federalism principles and preemption requirements described in Executive Order 13132.

Also, this rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes. If you believe this rule has implications for federalism or Indian tribes, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section above.

E. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

F. Environment

We have analyzed this rule under Department of Homeland Security Directive 023–01 and Commandant Instruction M16475.1D, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (42 U.S.C. 4321–4370f), and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule involves a moving safety zone lasting only the duration of transit of a vessel carrying post-Panamax gantry cranes. It is categorically excluded from further review under paragraph L60(a) of Appendix A, Table 1 of DHS Instruction Manual 023–01–001–01, Rev. 01. A Record of Environmental Consideration supporting this determination is available in the docket where indicated under **ADDRESSES**.

G. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to contact the person listed in the **FOR FURTHER**

INFORMATION CONTACT section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places or vessels.

List of Subjects 33 CFR Part 165

Harbors, Marine safety, Navigation (water), Reporting and recordkeeping requirements, Security measures, Waterways.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 165 as follows:

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

■ 1. The authority citation for part 165 continues to read as follows:

Authority: 46 U.S.C. 70034, 70051; 33 CFR 1.05–1, 6.04–1, 6.04–6, and 160.5; Department of Homeland Security Delegation No. 0170.1.

■ 2. Add § 165.T05–0109 to read as follows:

§ 165.T05–0109 Safety Zone, Delaware River, Philadelphia, PA.

(a) *Location.* The following area is a safety zone: All navigable waters within 200 yards of the M/V ZHEN HUA 25 while the vessel is underway or anchored within Delaware Bay or River.

(b) *Definitions.* As used in this section, *designated representative* means a Coast Guard Patrol Commander, including a Coast Guard coxswain, petty officer, or other officer operating a Coast Guard vessel and a Federal, State, and local officer designated by or assisting the Captain of the Port Delaware Bay (COTP) in the enforcement of the safety zone.

(c) *Regulations.* (1) In accordance with the general safety zones regulations in subpart C of this part and except for as described in paragraph (c)(3) of this section, vessels may not enter, remain in, or transit the safety zone described in paragraph (a) of this section unless authorized by the COTP or the COTP's designated representative.

(2) To seek permission to enter or remain in the zone, unless moored or anchored outside the main navigational channel, contact the COTP or the COTP's representative via VHF–FM Channel 16. Those in the safety zone must comply with all lawful orders or directions given to them by the COTP or the COTP's designated representative.

(3) Vessels may transit the safety zone described in paragraph (a) of this section without permission from the COTP if all of the following criteria are met:

(i) The M/V ZHEN HUA 25 is anchored in a designated anchorage as defined in 33 CFR 110.157.

(ii) Vessels maintain the minimum safe speed to reduce wake and maintain steerage.

(iii) Except towing vessels designated as assist tugs and operating in such capacity, no vessel may meet, overtake or otherwise pass another unmoored or unanchored vessel within the safety zone.

(d) *Enforcement.* The U.S. Coast Guard may be assisted in the patrol and enforcement of the safety zone by Federal, State, and local agencies.

(e) *Enforcement period.* (1) Enforcement of the safety zone will begin when the M/V ZHEN HUA 25 enters the Delaware Bay Captain of the Port zone until midnight on May 7, 2019 unless the project is completed earlier.

(2) This safety zone will not be enforced from the time arrival mooring operations are completed to the time departure mooring operations begin.

(3) The anticipated date of arrival for the M/V ZHEN HUA 25 to the Delaware Bay Captain of the Port zone is March 15, 2019.

Dated: March 15, 2019.

Scott E. Anderson,

Captain, U.S. Coast Guard, Captain of the Port, Delaware Bay.

BILLING CODE 9110–04–P

DEPARTMENT OF HOMELAND SECURITY

Coast Guard

33 CFR Part 165

[Docket Number USCG–2019–0169]

RIN 1625–AA00

Safety Zone; Missouri River, Miles 360–450, Kansas City, MO to St. Joseph, MO

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary safety zone on the navigable waters of the Missouri River from mile marker (MM) 360 to MM 450 between Kansas City, MO and St. Joseph, MO. This action is necessary to provide for the safety of persons, vessels, and the marine environment on these navigable waters as a result of increasing flood conditions on the river that is threatening to overtop levees. Entry of vessels or persons into this zone is prohibited unless specifically authorized by the Captain of the Port Sector Upper Mississippi River (COTP) or a designated representative.
