The complaint, as supplemented, alleges violations of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain multi-stage fuel vapor canister systems and activated carbon components thereof by reason of infringement of certain claims of U.S. Patent No. RE38,844. *Id.* The
