

After consideration of the relevant matter presented, the Committee has determined that the services listed below are no longer suitable for procurement by the Federal Government under 41 U.S.C. 8501–8506 and 41 CFR 51–2.4.

Regulatory Flexibility Act Certification

I certify that the following action will not have a significant impact on a substantial number of small entities. The major factors considered for this certification were:

1. The action will not result in additional reporting, recordkeeping or other compliance requirements for small entities.

2. The action may result in authorizing small entities to furnish the services to the Government.

3. There are no known regulatory alternatives which would accomplish the objectives of the Javits-Wagner-O'Day Act (41 U.S.C. 8501–8506) in connection with the services deleted from the Procurement List.

End of Certification

Accordingly, the following services are deleted from the Procurement List:

Notice of Public Meetings for the Draft Supplemental Environmental Impact Statement/Overseas Environmental Impact Statement for Northwest Training and Testing

AGENCY: Department of the Navy, DoD.

ACTION: Notice.

SUMMARY: Pursuant to section 102(2)(c) of the National Environmental Policy Act (NEPA) of 1969, as implemented by the Council on Environmental Quality, and Presidential Executive Order 12114, the Department of the Navy (DoN) has prepared and filed with the United States Environmental Protection Agency a draft supplement to the 2015 Northwest Training and Testing (NWTT) Final Environmental Impact Statement/Overseas Environmental Impact Statement (EIS/OEIS) to reassess the potential environmental impacts associated with conducting proposed ongoing and future military readiness activities within the NWTT Study Area, referred to as the “Study Area.” Military readiness activities include training and research, development, testing, and evaluation activities, referred to as “training and testing.” In the Draft Supplemental EIS/OEIS, the DoN evaluated new, relevant information, such as more recent marine mammal density data and new scientific information, and updated the environmental analyses as appropriate. The DoN prepared the Draft Supplemental EIS/OEIS to support the issuance of federal regulatory permits and authorizations under the Marine Mammal Protection Act and the Endangered Species Act. The DoN will

consult with the National Marine Fisheries Service (NMFS) and United States Fish and Wildlife Service to renew these authorizations. Additionally, NMFS and the United States Coast Guard are cooperating agencies for this Supplemental EIS/OEIS.

The DoN’s lead action proponent is Commander, United States Pacific Fleet. Additional action proponents include Naval Sea Systems Command and Naval Air Systems Command.

DATES: This notice announces the public review and comment period and the dates and locations of the public meetings, includes information about how the public can review and comment on the document, and provides supplementary information about the environmental planning effort. All comments must be postmarked or received online by May 28, 2019, for consideration in the Final Supplemental EIS/OEIS. Federal, state, and local agencies and officials and interested organizations and individuals are encouraged to provide comments on the Draft Supplemental EIS/OEIS during the public review and comment period or in person at one of the scheduled open house public meetings.

ADDRESSES: Public meetings will be held in an open-house format, with DoN representatives available to provide information and answer questions related to the Draft Supplemental EIS/OEIS. Open house public meetings will be held in Washington, Oregon, Northern California, and southeastern Alaska on the following dates and at the following locations:
