

Commerce initiated the investigation if: (A) The petitioner makes a timely request for a postponement; or (B) Commerce concludes that the parties concerned are cooperating, and determines that the investigation is extraordinarily complicated and that additional time is necessary to make a preliminary determination. Under 19 CFR 351.205(e), the petitioner must submit a request for postponement 25 days or more before the scheduled date of the preliminary determination and must state the reasons for the request. Commerce will grant the request unless it finds compelling reasons to deny the request.

On March 7, 2019, the petitioners<sup>3</sup> in the mattresses LTFV investigation submitted a timely request that Commerce postpone the preliminary determination in the investigation to the maximum extent permitted under the statute.<sup>4</sup> The petitioners requested the postponement to provide Commerce, and the petitioners, time to review questionnaire responses and identify deficiencies within those responses, and to provide time for Commerce to issue, and receive responses to, supplemental questionnaires prior to the preliminary determination.<sup>5</sup>

For the reasons stated above, and because there are no compelling reasons to deny the request, Commerce, in accordance with section 733(c)(1)(A) of

the Act, is postponing the deadline for the preliminary determination in the mattresses LTFV investigation by 50 days (*i.e.*, until 190 days after the date on which this investigation was initiated, plus 40 days for tolling). As a result, Commerce will issue its preliminary determination in the mattress LTFV investigation no later than May 28, 2019. In accordance with section 735(a)(1) of the Act and 19 CFR 351.210(b)(1), the deadline for the final determination in this investigation will continue to be 75 days after the date of the preliminary determination, unless postponed at a later date.

This notice is issued and published pursuant to section 733(c)(2) of the Act and 19 CFR 351.205(f)(1).

Dated: March 27, 2019.

## DEPARTMENT OF COMMERCE

### International Trade Administration

#### Initiation of Antidumping and Countervailing Duty Administrative Reviews

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**SUMMARY:** The Department of Commerce (Commerce) has received requests to conduct administrative reviews of various antidumping and countervailing duty orders and findings with January anniversary dates. In accordance with Commerce's regulations, we are initiating those administrative reviews.

**DATES:** Applicable April 1, 2019.

**FOR FURTHER INFORMATION CONTACT:** Brenda E. Brown, Office of AD/CVD Operations, Customs Liaison Unit, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230, telephone: (202) 482-4735.

**SUPPLEMENTARY INFORMATION:**

#### Background

Commerce has received timely requests, in accordance with 19 CFR 351.213(b), for administrative reviews of various antidumping and countervailing duty orders and findings with January anniversary dates. With respect to the antidumping duty and countervailing duty orders on certain softwood lumber from Canada, the initiation of the antidumping duty and countervailing duty administrative reviews for these orders will be published in a separate initiation notice.

All deadlines for the submission of various types of information, certifications, or comments or actions by Commerce discussed below refer to the

number of calendar days from the applicable starting time.

#### Notice of No Sales

If a producer or exporter named in this notice of initiation had no exports, sales, or entries during the period of review (POR), it must notify Commerce within 30 days of publication of this notice in the **Federal Register**. All submissions must be filed electronically at <http://access.trade.gov> in accordance with 19 CFR 351.303.<sup>1</sup> Such submissions are subject to verification in accordance with section 782(i) of the Tariff Act of 1930, as amended (the Act). Further, in accordance with 19 CFR 351.303(f)(1)(i), a copy must be served on every party on Commerce's service list.

#### Respondent Selection

In the event Commerce limits the number of respondents for individual examination for administrative reviews initiated pursuant to requests made for the orders identified below, except for the administrative review of the antidumping duty order on wooden bedroom furniture from the People's Republic of China (China), Commerce intends to select respondents based on U.S. Customs and Border Protection (CBP) data for U.S. imports during the period of review. We intend to place the CBP data on the record within five days of publication of the initiation notice and to make our decision regarding respondent selection within 30 days of publication of the initiation **Federal Register** notice. Comments regarding the CBP data and respondent selection should be submitted seven days after the placement of the CBP data on the record of this review. Parties wishing to submit rebuttal comments should submit those comments five days after the deadline for the initial comments.

In the event Commerce decides it is necessary to limit individual examination of respondents and conduct respondent selection under section 777A(c)(2) of the Act:

In general, Commerce has found that determinations concerning whether particular companies should be "collapsed" (e.g., treated as a single entity for purposes of calculating antidumping duty rates) require a substantial amount of detailed information and analysis, which often require follow-up questions and analysis. Accordingly, Commerce will not conduct collapsing analyses at the respondent selection phase of this

review and will not collapse companies at the respondent selection phase unless there has been a determination to collapse certain companies in a previous segment of this antidumping proceeding (e.g., investigation, administrative review, new shipper review or changed circumstances review). For any company subject to this review, if Commerce determined, or continued to treat, that company as collapsed with others, Commerce will assume that such companies continue to operate in the same manner and will collapse them for respondent selection purposes. Otherwise, Commerce will not collapse companies for purposes of respondent selection. Parties are requested to (a) identify which companies subject to review previously were collapsed, and (b) provide a citation to the proceeding in which they were collapsed. Further, if companies are requested to complete the Quantity and Value (Q&V) Questionnaire for purposes of respondent selection, in general each company must report volume and value data separately for itself. Parties should not include data for any other party, even if they believe they should be treated as a single entity with that other party. If a company was collapsed with another company or companies in the most recently completed segment of this proceeding where Commerce considered collapsing that entity, complete Q&V data for that collapsed entity must be submitted.

#### Respondent Selection—Wooden Bedroom Furniture From China

In the event that Commerce limits the number of respondents for individual examination in the antidumping duty administrative review of wooden bedroom furniture from China, for the purposes of this segment of the proceeding, i.e., the 2018 review period, Commerce intends to select respondents based on volume data contained in responses to a Q&V questionnaire. All parties are hereby notified that they must timely respond to the Q&V questionnaire. Commerce's Q&V questionnaire along with certain additional questions will be available in a document package on Commerce's website at <https://enforcement.trade.gov/download/prc-wbf/index.html> on the date this notice is published. The responses to the Q&V questionnaire should be filed with the respondents' Separate Rate Application or Separate Rate Certification (see the Separate Rates section below) and their response to the additional questions and must be received by Commerce by no later than 30 days after publication of this notice.
