SUSQUEHANNA RIVER BASIN COMMISSION

ACTION: Notice.

SUMMARY: As part of its regular business meeting held on March 15, 2019, in Annapolis, Maryland, the Commission approved the applications of certain water resources projects, and took additional actions, as set forth in the **SUPPLEMENTARY INFORMATION** below.

Adoption of Resolution 2019–04

The Commission adopted Resolution 2019–04 authorizing the balancing of Approvals by Rule under 18 CFR 806.22(f) (ABR(f)) renewal cycle workload. The number of ABR(f)

renewals required to be submitted varies greatly each year, with a maximum year of 620 renewals and a minimum year of 190 renewals, which places a difficult administrative burden on the Commission to review the renewals in a timely manner in heavy years and/or would require an increase in costs associated with temporary staffing of the ABR(f) program.

To resolve the imbalance, the Commission, pursuant to 18 CFR 806.8, waived the strict application of 18 CFR 806.22(f)(10) to up to 601 ABR(f) approvals and authorized the Executive Director to add one or two years to the term of those approvals to best balance the projected workload over the five year renewal cycle. The list of extended approvals are published on the Commission's website at <https://www.srbc.net/our-work/public-reference-manual/docs/abrf-term-adjustment-list.pdf>.

BILLING CODE 7040–01–P

DEPARTMENT OF TRANSPORTATION

Federal Highway Administration

Notice of Final Federal Agency Actions on Proposed Highway in Utah

AGENCY: Utah Department of Transportation (UDOT), Federal Highway Administration (FHWA), Department of Transportation.

ACTION: Notice of Limitation on Claims for Judicial Review of Actions Taken by UDOT on behalf of FHWA.

SUMMARY: This notice announces certain actions taken by UDOT that are final

Federal agency actions. These actions relate to Purgatory Road, a proposed highway project between State Route (SR) 9 and Southern Parkway (SR 7), in the County of Washington, State of Utah. Those actions grant licenses, permits and/or approvals for the project.

DATES: By this notice, the FHWA, on behalf of UDOT, is advising the public of final Federal agency actions subject to 23 U.S.C. 139(l)(1). A claim seeking judicial review of the Federal agency actions on the highway project will be barred unless the claim is filed on or before August 30, 2019. If the Federal law that authorizes judicial review of a claim provides a time period of less than 150 days for filing such claim, then that shorter time period still applies.

FOR FURTHER INFORMATION CONTACT: Naomi Kisen, Environmental Program Manager, UDOT Environmental Services, P.O. Box 143600, Salt Lake City, UT 84114; telephone: (801) 965–4005; email: nkisen@utah.gov. UDOT's normal business hours are 8:00 a.m. to 5:00 p.m. (Mountain Time Zone), Monday through Friday, except State and Federal holidays.

SUPPLEMENTARY INFORMATION: Effective January 17, 2017, FHWA assigned to UDOT certain responsibilities of FHWA for environmental review, consultation, and other actions required by applicable Federal environmental laws and regulations for highway projects in Utah, pursuant to 23 U.S.C. 327. Actions taken by UDOT on FHWA's behalf pursuant to 23 U.S.C. 327 constitute Federal agency actions for purposes of Federal law. Notice is hereby given that UDOT has taken final agency actions subject to 23 U.S.C. 139(l)(1) by issuing licenses, permits, and approvals for the Purgatory Road; SR 9 to Southern Parkway project in the State of Utah. The Purgatory Road project proposes to improve regional system linkage and mobility between SR 9 and Southern Parkway. The project includes constructing a new three-lane roadway on new alignment between SR 9 and Southern Parkway. The proposed alignment would begin at SR 9 and follow the existing 5300 West alignment until the Quail Creek Industrial Park. The alignment would then run generally southward along the existing dirt road on the east side of the Purgatory Flat until approximately Landfill Road where it would swing to the west. The alignment would then cross the Virgin River via a new approximate 400-foot long, three-span structure to connect directly to Southern Parkway. These improvements were identified in the Environmental Assessment (EA) prepared for the project by UDOT as the

Purgatory Road Build Alternative, which combined Alternatives N2, M3, and R2. The actions by UDOT, and the laws under which such actions were taken, are described in the EA and UDOT Finding of No Significant Impact (FONSI) for the project (Finding of No Significant Impact for Purgatory Road; State Route 9 to Southern Parkway in Washington County, Utah, Project No. F–LC53(72)), issued on February 26, 2019, and in other documents in the UDOT project records. The EA and FONSI, and other project records are available by contacting UDOT at the address provided above. The EA and FONSI can also be viewed and downloaded from the project website at <https://www.purgatoryrd.com/>.

This notice applies to the EA, the FONSI, the Section 4(f) determination, the NHPA Section 106 review, the Endangered Species Act determination, and all other UDOT decisions and other actions with respect to the project as of the issuance date of this notice and all laws under which such actions were taken, including but not limited to the following laws (including their implementing regulations):
