

**ACTION:** Notice.

**SUMMARY:** Notice is hereby given that the U.S. International Trade Commission has determined not to review an initial determination (“ID”) (Order No. 10) of the Administrative Law Judge (“ALJ”) granting-in-part a joint motion to amend the complaint and notice of investigation (“NOI”).

**FOR FURTHER INFORMATION CONTACT:** Houda Morad, Office of the General Counsel, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436, telephone (202) 708–4716. Copies of non-confidential documents filed in connection with this investigation are or will be available for inspection during official business hours (8:45 a.m. to 5:15 p.m.) in the Office of the Secretary, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436, telephone (202) 205–2000. General information concerning the Commission may also be obtained by accessing its internet server at <https://www.usitc.gov>. The public record for this investigation may be viewed on the Commission’s electronic docket (EDIS) at <https://edis.usitc.gov>. Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission’s TDD terminal on (202) 205–1810.

**SUPPLEMENTARY INFORMATION:** On December 13, 2018, the Commission instituted this investigation under section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337 (“section 337”), based on a complaint filed by Juul Labs, Inc. of San Francisco, California (“Complainant”). See 83 FR 64156–57 (Dec. 13, 2018). The complaint, as amended and supplemented, alleges a violation of section 337 based upon the importation into the United States, the sale for importation, and the sale within the United States after importation of certain electronic nicotine delivery systems and components thereof by reason of infringement of certain claims of U.S. Patent No. 10,070,669; U.S. Patent No. 10,076,139; U.S. Patent No. 10,045,568; U.S. Patent No. 10,058,130; and U.S. Patent No. 10,104,915. See *id.* The NOI names numerous respondents, including: Limitless Mod Co. of Simi Valley, California (“Limitless”); Asher Dynamics, Inc. of Chino, California (“Asher Dynamics”); and Ply Rock of Chino, California. See *id.* The Office of Unfair Import Investigations (“OUII”) is also a party to the investigation. See *id.*

On February 1, 2019, Complainant and respondents Limitless, Asher Dynamics, and Ply Rock (collectively, “the Asher Respondents”) filed a joint

motion to amend the complaint and NOI to: (1) Correct the name of respondent Limitless to “Limitless MOD, LLC” and (2) terminate the investigation as to the Asher Respondents. On February 13, 2019, OUII filed a response in support of the joint motion.

On February 28, 2019, the ALJ issued the subject ID (Order No. 10) granting-in-part the joint motion. The ID finds that, under Commission Rule 210.14(b), 19 CFR 210.14(b), “good cause exists to amend the complaint and notice of investigation to conform to the correct information.” See ID at 2. In addition, the ID finds that “this amendment would not prejudice the public interest or the rights of the parties to the investigation.” See *id.* The ID further notes that “[t]he request for termination of the Asher Respondents will be ruled upon in a separate order.” See *id.* at 2 n.2; Order No. 11 (Feb. 28, 2019).

No petition for review of the subject ID was filed. The Commission has determined not to review the ID.

The authority for the Commission’s determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in part 210 of the Commission’s Rules of Practice and Procedure (19 CFR part 210).

By order of the Commission.

Issued: March 27, 2019.

**Katherine Hiner,**

*Acting Secretary to the Commission.*

#### Agency Information Collection Activities; Proposed eCollection eComments Requested; Furnishing of Samples

**AGENCY:** Bureau of Alcohol, Tobacco, Firearms and Explosives, Department of Justice.

**ACTION:** 30-Day notice.

**SUMMARY:** The Department of Justice (DOJ), Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF), will submit the following information collection request to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1995.

**DATES:** The proposed information collection was previously published in the **Federal Register**, on February 5,

2019, allowing for a 60-day comment period. Comments are encouraged and will be accepted for an additional 30 days until May 2, 2019.

**FOR FURTHER INFORMATION CONTACT:** If you have additional comments, particularly with respect to the estimated public burden or associated response time, have suggestions, need a copy of the proposed information collection instrument with instructions, or desire any other additional information, please contact: Anita Scheddel, Program Analyst, Explosives Industry Programs Branch, either by mail 99 New York Ave NE, Washington, DC 20226, or by email at [eipb-informationcollection@atf.gov](mailto:eipb-informationcollection@atf.gov) or by telephone at 202–648–7158. Written comments and/or suggestions can also be directed to the Office of Management and Budget, Office of Information and Regulatory Affairs, Attention Department of Justice Desk Officer, Washington, DC 20503 or sent to [OIRA\\_submissions@omb.eop.gov](mailto:OIRA_submissions@omb.eop.gov).

**SUPPLEMENTARY INFORMATION:** Written comments and suggestions from the public and affected agencies concerning the proposed collection of information are encouraged. Your comments should address one or more of the following four points:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency’s estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Evaluate whether and if so how the quality, utility, and clarity of the information to be collected can be enhanced; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Overview of this information collection:

(1) *Type of Information Collection:* Revision of a currently approved collection.

(2) *The Title of the Form/Collection:* Furnishing of Samples.

(3) *The agency form number, if any, and the applicable component of the Department sponsoring the collection:* Form number: None.

*Component:* Bureau of Alcohol, Tobacco, Firearms and Explosives, U.S. Department of Justice.

(4) *Affected public who will be asked or required to respond, as well as a brief abstract:*

*Primary:* Business or other for-profit.

*Other:* None.

*Abstract:* Pursuant to 18 U.S.C. Chapter 40 § 843 (i) (1), ATF requires licensed manufacturers and importers and persons who manufacture or import explosives materials or ammonium nitrate to submit samples at the request of the Director. This collection of information is contained in 27 CFR 555.110.

(5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* An estimated 100 respondents will utilize this information collection, and it will take each respondent approximately 30 minutes to provide their response.

(6) *An estimate of the total public burden (in hours) associated with the collection:* The estimated annual public burden associated with this collection is 50 hours, which is equal to 100 (# of respondents) \* 1 (# of responses per respondents) \*.5 (30 minutes).

(7) *An Explanation of the Change in Estimates:* The adjustments associated with this collection from the previous renewal include a reduction in the total respondents and burden hours by 2,250 and 1,125 hours respectively, since the previous renewal in 2016.

## NATIONAL FOUNDATION FOR THE ARTS AND THE HUMANITIES

### Institute of Museum and Library Services

#### Notice of Proposed Information Collection Request: Evaluation of the Museums for Digital Learning (MDL) Project

**AGENCY:** Institute of Museum and Library Services, National Foundation for the Arts and the Humanities.

**ACTION:** Notice, request for comments on this collection of information.

**SUMMARY:** The Institute of Museum and Library Services (IMLS), as part of its continuing effort to reduce paperwork and respondent burden, conducts a pre-clearance consultation program to provide the general public and federal agencies with an opportunity to comment on proposed and/or continuing collections of information in accordance with the Paperwork Reduction Act. This pre-clearance consultation program helps to ensure that requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirements on respondents can be properly assessed. This action is to create the overall evaluation plan, survey and data collection instruments and instructions for the various evaluation techniques to be used at different points in the development and implementation of the MDL pilot initiative for the next two years.

A copy of the proposed information collection request can be obtained by contacting the individual listed below in the **ADDRESSES** section of this notice.

**DATES:** Written comments must be submitted to the office listed in the addressee section below on or before June 1, 2019.

IMLS is particularly interested in comments that help the agency to:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who
