ADDRESSES: Direct all written comments to Jennifer Jessup, Departmental Paperwork Clearance Officer, Department of Commerce, Room 6616, 1401 Constitution Avenue NW, Washington, DC 20230 (or via the internet at docpra@doc.gov).

FOR FURTHER INFORMATION CONTACT: Requests for additional information or copies of the information collection instrument and instructions should be directed to Dawn Bailey, Baldrige Performance Excellence Program, 100 Bureau Drive, Stop 1020, Gaithersburg, MD 20899, 301–975–3074, dawn.bailey@nist.gov.

SUPPLEMENTARY INFORMATION:

I. Abstract

The Department of Commerce is responsible for the Baldrige Performance Excellence Program (BPEP) and the Malcolm Baldrige National Quality Award (MBNQA), the nation’s highest award for organizational performance excellence. Directly associated with this award is the Board of Examiners, an integral volunteer workforce for BPEP. NIST manages BPEP. An applicant organization for the MBNQA is required to perform two steps: (1) The applicant organization self-certifies that it meets eligibility requirements with an eligibility form; and (2) the applicant organization prepares and completes an application package. BPEP will assist with or offer advice on any questions or issues that the applicant may have concerning the eligibility or application processes; this includes BPEP staff manning a hotline during the week and on weekends for organizations to call or email. With the help of the Board of Examiners, BPEP will use the eligibility forms and application package to assess and provide feedback on the applicant’s performance excellence practices. These practices could lead to a MBNQA awarded by the President of the United States or his delegate.

Per Public Law 100–107 (Malcolm Baldrige National Quality Improvement Act of 1987), the MBNQA helps to stimulate American companies to improve quality and productivity for the pride of recognition while obtaining a competitive edge through increased profits; recognizes the achievements of those companies that improve the quality of their goods and services and provide an example to others; establishes guidelines and criteria that can be used by business, industrial, governmental, and other organizations in evaluating their own quality improvement efforts; and provides specific guidance for other American organizations that wish to learn how to manage for high quality by making available detailed information on how winning organizations were able to change their cultures and achieve eminence.

The application to be a member of the Board of Examiners is a one-step, secure, online process. Each year, BPEP recruits highly skilled experts in the fields of manufacturing, service, small business, health care, education, and nonprofit, the six Award eligibility categories, to evaluate the applications that BPEP receives. Examiners serve for a one-year term; participation on the board is entirely voluntary. Examiners

receive three- to four-days of free on-site training (depending on experience level); this training has been nationally recognized for six consecutive years by Leadership 500 Awards, sponsored by *HR.com*.

BPEP's mission to improve the competitiveness and performance of U.S. organizations for the benefit of all U.S. residents.

II. Method of Collection

MBNQA applicant organizations must comply in writing according to the Eligibility Certification Form and Baldrige Award Application Form available at http://www.nist.gov/baldrige/enter/how_to_apply.cfm. Information on the application for the Board of Examiners can be found at <http://www.nist.gov/baldrige/examiners/index.cfm>. BPEP will electronically send a unique user ID and password (separate emails) on how applicants to the Board of Examiners can apply to the secure system.

DEPARTMENT OF COMMERCE

National Oceanic and Atmospheric Administration

Submission for OMB Review; Comment Request

The Department of Commerce will submit to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. Chapter 35).

Agency: National Oceanic and Atmospheric Administration (NOAA).

Title: North Atlantic Recreational Fishing Survey.

OMB Control Number: 0648-.

Form Number(s): None.

Type of Request: Regular (Request for a new collection).

Number of Respondents: 1,295.

Average Hours per Response:

Telephone pre-screening survey with an eligible angler, 3 minutes; telephone pre-screening survey with an ineligible angler, 1 minute; completion of mail/email survey by an eligible angler, 20 minutes; completion of mail/email survey by an ineligible angler, 10 minutes.

Burden Hours: 226.66.

Needs and Uses: The Northeast Fisheries Science Center (NEFSC) is conducting an economics research project to assess how changes in recreational Atlantic cod and haddock fishing regulations affect angler effort, angler welfare, fishing mortality, and future stock levels. The statistical model needed to meet this research objective requires fishing-related and socioeconomic data on users of these fisheries. To collect this essential information, the NEFSC seeks to

implement the North Atlantic Recreational Fishing Survey (NARFS), a questionnaire directed toward recreational anglers who fish for Atlantic cod or haddock off the coast of Maine, New Hampshire, and Massachusetts. Data collected by the NARFS will be used as input into a bioeconomic model that is currently used to determine recreational fishing regulations for North Atlantic cod and haddock (83 FR 18972).

Affected Public: Individuals or households.

Frequency: On occasion.

Respondent's Obligation: Voluntary.

This information collection request may be viewed at reginfo.gov. Follow the instructions to view Department of Commerce collections currently under review by OMB.

Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to OIRA_Submission@omb.eop.gov or fax to (202) 395-5806.
