Proposal Under OMB Delegated Authority To Extend for Three Years, With Revision, the Following Information Collection

Report title: Reporting Requirements Associated with Supervision and Regulation Assessments of Fees (Regulation TT).

Agency form number: FR TT.

OMB control number: 7100-0369.

Frequency: On occasion.

Respondents: Bank holding companies (BHCs) and savings and loan holding companies (SLHCs).

Estimated number of respondents: 3.
Estimated average hours per response: 40.

Estimated annual burden hours: 120.
General description of report: The Board's Regulation TT² implements section 11(s) of the Federal Reserve Act (FRA),³ which directs the Board to collect assessments, fees, or other charges (collectively, "assessments") from BHCs and SLHCs that meet a statutory size threshold and from all nonbank financial companies designated for Board supervision by the Financial Stability Oversight Council (FSOC) (collectively, assessed companies) in an amount equal to the total expenses the Board estimates are necessary or appropriate to carry out its supervisory and regulatory responsibilities with respect to such companies. Pursuant to Regulation TT, the Board issues an annual notice of assessment to each assessed company. Assessed companies may file a written appeal with the Board regarding the assessment.⁴

Proposed revisions: Section 401(c) of the Economic Growth, Regulatory Relief, and Consumer Protection Act (EGRRCPA) raised the size threshold in section 11(s) of the FRA for assessments for BHCs and SLHCs from \$50 billion to \$100 billion in total consolidated assets. Therefore, BHCs and SLHCs with total consolidated assets of at least \$50 billion but less than \$100 billion are no longer subject to section 11(s) assessments.⁵ Accordingly, the Board proposes to revise this collection of information so that it no longer applies to such BHCs and SLHCs.

Legal authorization and confidentiality: The FR TT is authorized pursuant to section 11(i) of the FRA (12 U.S.C. 248(i)), which provides that the Board shall make all rules and regulations necessary to enable the Board to effectively perform the duties, functions, or services specified in the FRA. The FR TT is voluntary.

An assessed company may request confidential treatment of its appeal if it believes that disclosure of specific commercial or financial information in the statement would likely result in substantial harm to its competitive position. The determination that such

Proposal Under OMB Delegated Authority To Extend for Three Years, Without Revision, the Following Information Collection

Report title: Recordkeeping and Disclosure Requirements Associated with Regulation II (Debit Card Interchange Fees and Routing).

Agency form number: FR II.

OMB control number: 7100-0349.

Frequency: On occasion.

Respondents: State member banks, national banks, insured nonmember banks, savings associations, and federally-chartered credit unions.

Estimated number of respondents: Implement policies and procedures, 1 respondent; Review and update policies and procedures, 541 respondents; Annual notification and change in status, 541 respondents.

Estimated average hours per response: Implement policies and procedures, 160 hours; Review and update policies and procedures, 40 hours; Annual notification and change in status, 1 hour.

Estimated annual burden hours: Implement policies and procedures, 160 hours; Review and update policies and procedures, 21,640 hours; Annual notification and change in status, 541 hours.

General description of report: Regulation II, Debit Card Interchange Fees and Routing (12 CFR part 235), implements, among other things, standards for assessing whether interchange transaction fees for electronic debit transactions are reasonable and proportional to the cost incurred by the issuer with respect to the transaction, as required by section 920(a) of the Electronic Fund Transfer Act (EFTA) (15 U.S.C. 1693o-2(a)).

Regulation II limits the interchange transaction fee that covered issuers can charge for debit card transactions.

Under the rule a covered debit card issuer is allowed to receive or charge an amount of no more than 1 cent per transaction for the costs associated with preventing fraudulent electronic debit transactions ("fraud-prevention adjustment"), if the issuer complies with the standards and requirements set forth in the rule. In addition, issuers must retain records demonstrating their compliance with the requirements in Regulation II for at least five years after the end of the calendar year in which the electronic debit transaction occurred, any person or issuer subject to an investigation or enforcement proceeding involving Regulation II must retain records pertaining to the matter until the final disposition of the matter, unless an earlier time is allowed by court or agency order. The PRA classifies reporting, recordkeeping, or disclosure requirements of a regulation as an information collection.

Legal authorization and confidentiality: Section 920(a)(3) of the EFTA (15 U.S.C. 1693o-2(a)(3)), as added by section 1075 of the Dodd-Frank Wall Street Reform and Consumer Protection Act, authorizes the Board to (1) prescribe regulations regarding interchange transaction fees that an issuer may charge with respect to electronic debit transactions, and to establish standards to assess whether the amount of any such fee is reasonable and proportional; and (2) require any issuer or payment card network to provide the Board such information as deemed necessary. Section 920(a)(5) of the EFTA (15 U.S.C. 1693o-2(a)(5)), further provides that the Board may allow for an adjustment to the interchange transaction fee amount received or charged by an issuer if "(1) such adjustment is reasonably necessary to make allowance for costs incurred by the issuer in preventing fraud in relation to electronic debit card transactions involving that issuer; and (2) the issuer complies with the fraud-related standards established by the Board." Section 920(a)(5) also provides detailed requirements pertaining to the fraud-related standards to be established by the Board and authorizes the Board to promulgate such standards by rule. In addition, the EFTA (15 U.S.C. 1693o(a) and 1693o-2(d)) authorizes enforcement of compliance with the requirements implemented under the EFTA by the Board for entities that the Board has enforcement authority over under section 8 of the Federal Deposit Insurance Act (12 U.S.C. 1818), which covers member banks (other than national banks), branches and agencies of foreign banks (other than federal

branches, federal agencies, and insured state branches of foreign banks), commercial lending companies owned or controlled by foreign banks, and organizations operating under section 25 or 25A of the Federal Reserve Act (12 U.S.C. 601 *et seq.* and 611 *et seq.*).

Regulation II's fraud-prevention recordkeeping requirements (12 CFR 235.4(b)) and disclosure requirements (12 CFR 235.4(c) and (d)) are required in order for an issuer to obtain a benefit (*i.e.*, to be eligible to receive or charge the fraud-prevention adjustment). Regulation II's general recordkeeping requirements for issuers (12 CFR 235.8(c)) are mandatory. The records and notifications required under sections 235.4(b)–(d) and 235.8(c) of Regulation II are generally not submitted to the Board or the other federal financial regulatory agencies. Accordingly, normally no confidentiality issues arise under the Freedom of Information Act ("FOIA") (5 U.S.C. 552). In the event such records or notifications are obtained by the Board through the examination or enforcement process, such information may be kept confidential under exemption 8 of the FOIA, which protects information contained in or related to the examination or supervision of a financial institution (5 U.S.C. 552(b)(8)).
