

the cash deposit rate of Sichuan SVW.² In its submission, SVW and Wego explain that Sinopec Sichuan Vinylon Works (*i.e.*, Sichuan SVW) has changed its name to Sinopec Chongqing SVW Chemical Co., Ltd. (*i.e.*, SVW), and aver that no substantive changes other than this change of name have otherwise occurred.³

On March 4, 2019, we initiated this changed circumstances review and published the notice of preliminary results, determining that SVW is the successor-in-interest to Sichuan SVW.⁴ In the *Initiation and Preliminary Results*, we provided all interested parties with an opportunity to comment and request a public hearing regarding our preliminary finding.⁵ We received no comments or requests for a public hearing from interested parties within the time period set forth in the *Initiation and Preliminary Results*. The current deadline for issuance of these final results of antidumping duty change circumstances review is April 12, 2019.

Scope of the Order

The merchandise covered by the order is PVA. This product consists of all PVA hydrolyzed in excess of 80 percent, whether or not mixed or diluted with commercial levels of defoamer or boric acid.⁶

Final Results of Changed Circumstances Review

For the reasons stated in the *Initiation and Preliminary Results*, and because we received no comments from interested parties to the contrary, Commerce continues to find that SVW is the successor-in-interest to Sichuan SVW.⁷ As a result of this determination and consistent with established practice, we find that SVW should receive the cash deposit rate previously assigned to Sichuan SVW in the most recently-completed segment of the *Order* in which Sichuan SVW was under review.⁸ As the rate calculated for Sichuan SVW in that review was *de*

minimis (0.00 percent), Commerce will instruct U.S. Customs and Border Protection that no cash deposit shall be required for subject merchandise exported by SVW and entered, or withdrawn from warehouse, for consumption on or after the publication date of this notice in the **Federal Register**. This cash deposit requirement shall remain in effect until further notice.

Notification to Interested Parties

This notice serves as the only reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

We are issuing this determination and publishing these final results and notice in accordance with sections 751(b)(1) and 777(i)(1) and (2) of the Act, and 19 CFR 351.216 and 351.221(c)(3).

SUPPLEMENTARY INFORMATION: This meeting is being held under the provisions of the Federal Advisory Committee Act (FACA) (Title 5 United States Code (U.S.C.), Appendix), the Government in the Sunshine Act (Title 5 U.S.C., Section 552b), and Title 41 Code of Federal Regulations (CFR), Sections 102-3.140 and 102-3.150.

Purpose of the Meeting: The mission of the DSB is to provide independent advice and recommendations on matters relating to the DoD's scientific and technical enterprise. The objective of the meeting is to obtain, review, and evaluate classified information related to the DSB's mission. DSB membership will meet to discuss the 2019 DSB Summer Study on the Future of U.S. Military Superiority ("the DSB Summer Study").

Agenda: The DSB Summer Study meeting will begin on May 14, 2019 at 8:00 a.m. with opening remarks by Mr. Kevin Doxey, the Designated Federal Officer (DFO), and Dr. Craig Fields, DSB Chairman. Next, the DSB members will meet in small groups to discuss classified ways in which the DoD can secure U.S. interests, manage escalation, and deter and counter adversary aggression, given a renewed great power competition. Finally, the members of the study will meet in a plenary session to discuss classified ways in which the DoD can secure U.S. interests, manage escalation, and deter and counter adversary aggression, given a renewed great power competition. The meeting will adjourn at 5:00 p.m.

On May 15, 2019, the members of the study will meet in small groups beginning at 8:00 a.m. to discuss classified ways in which the DoD can secure U.S. interests, manage escalation, and deter and counter adversary aggression, given a renewed great power competition. Next, the members of the study will meet in a plenary session to discuss classified ways in which the DoD can secure U.S. interests, manage escalation, and deter and counter adversary aggression, given a renewed great power competition. The meeting will adjourn at 3:00 p.m.

Meeting Accessibility: In accordance with Section 10(d) of the FACA and 41 CFR 102-3.155, the DoD has determined that the DSB meeting will be closed to

the public. Specifically, the Under Secretary of Defense (Research and Engineering), in consultation with the DoD Office of General Counsel, has determined in writing that the meeting will be closed to the public because it will consider matters covered by 5 U.S.C. 552b(c)(1). The determination is based on the consideration that it is expected that discussions throughout will involve classified matters of national security concern. Such classified material is so intertwined with the unclassified material that it cannot reasonably be segregated into separate discussions without defeating the effectiveness and meaning of the overall meetings. To permit the meeting to be open to the public would preclude discussion of such matters and would greatly diminish the ultimate utility of the DSB's findings and recommendations to the Secretary of Defense and to the Under Secretary of Defense (Research and Engineering).

Written Statements: In accordance with Section 10(a)(3) of the FACA and 41 CFR 102-3.105(j) and 102-3.140, interested persons may submit a written statement for consideration by the DSB at any time regarding its mission or in response to the stated agenda of a planned meeting. Individuals submitting a written statement must submit their statement to the DSB DFO provided in the **FOR FURTHER INFORMATION CONTACT** section at any point; however, if a written statement is not received at least three calendar days prior to the meeting, which is the subject of this notice, then it may not be provided to or considered by the DSB until a later date.

Dated: April 12, 2019.

Alternate OSD Federal Register Liaison Officer, Department of Defense.
