Final Determination of No Shipments

Commerce preliminarily found that Comfort Coil Technology Sdn. Bhd. (Comfort Coil), did not have any shipments of subject merchandise during the POR.³ Commerce also found that Foshan Nanhai Jolyspring (Foshan Nanhai) did not demonstrate it is entitled to a separate rate and, thus, we consider Foshan Nanhai to be part of the China wide-wide entity.⁴ After the *Preliminary Results*, we received no comments or additional information with respect to these two companies. Therefore, for the final results, we continue to find that Comfort Coil did not have any shipments of subject merchandise during the POR, and that Foshan Nanhai continues to be a part of the China-wide entity. Consistent with our practice, we will issue appropriate instructions to U.S. Customs and Border Protection (CBP) based on our final results.

Analysis of Comments Received

As noted above, we received no comments on the *Preliminary Results*.

Changes Since the Preliminary Results

As no parties submitted comments on the *Preliminary Results*, Commerce has not modified its analysis from that presented in the *Preliminary Results*, and no decision memorandum accompanies this **Federal Register** notice.

Assessment Rates

We have not calculated any assessment rates in this administrative review. Pursuant to Commerce's assessment practice, because we have determined that Comfort Coil had no shipments of the subject merchandise, any suspended entries that entered under that exporter's case number (*i.e.*, at that exporter's rate) will be liquidated at the China-wide entity rate.⁵ We will instruct CBP to liquidate entries from the PRC-wide entity (including Foshan Nanhai) at the current rate for the PRC-wide entity (*i.e.*, 234.51 percent). Commerce intends to issue appropriate assessment instructions to CBP 15 days

after the publication date of the final results of this administrative review.

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this administrative review for shipments of the subject merchandise from China entered, or withdrawn from warehouse, for consumption on or after the publication date of this notice, as provided by section 751(a)(2)(C) of the Act: (1) For previously investigated or reviewed Chinese and non-Chinese exporters that received a separate rate in a prior segment of this proceeding, the cash deposit rate will continue to be the existing exporter-specific rate published for the most recently completed period; (2) for all Chinese exporters of subject merchandise that have not been found to be entitled to a separate rate, *i.e.*, Foshan Nanhai, the cash deposit rate will be the China-wide rate of 234.51 percent; and (3) for all non-Chinese exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to the Chinese exporter that supplied that non-Chinese exporter. These deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Administrative Protective Orders

This notice also serves as the only reminder to parties subject to administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation subject to sanction. These final results of administrative and new shipper reviews are issued and published in accordance with sections 751(a)(1) and 777(i) of the Act and 19 CFR 351.221(b)(5).

Dated: April 10, 2019.

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations, performing the non-exclusive functions and duties of the Assistant Secretary for Enforcement and Compliance.

Polyvinyl Alcohol From the People's Republic of China: Notice of Final Results of Antidumping Duty Changed Circumstances Review

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: On March 4, 2019, the Department of Commerce (Commerce) initiated, and published the preliminary results of, the changed circumstances review of the antidumping duty order on polyvinyl alcohol (PVA) from the People's Republic of China (China). For these final results, Commerce continues to find that Sinopec Chongqing SVW Chemical Co., Ltd. (SVW) is the successor-in-interest to Sinopec Sichuan Vinylon Works (Sichuan SVW).

DATES: Effective April 18, 2019.

FOR FURTHER INFORMATION CONTACT: Charles Doss, AD/CVD Operations, Office III, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: 202-482-4474.

SUPPLEMENTARY INFORMATION:

Background

On October 1, 2003, Commerce published in the **Federal Register** an antidumping duty order on PVA from China.¹ On December 7, 2018, SVW, a foreign producer and exporter of PVA from China, and Wego Chemical and Mineral Corp. (Wego), an importer of PVA from China (collectively, SVW and Wego) requested that, pursuant to section 751(b)(1) of the Tariff Act of 1930, as amended (the Act) and 19 CFR 351.216(b), Commerce conduct an expedited changed circumstances review of the *Order* to confirm that SVW is the successor-in-interest to Sichuan SVW and, accordingly, to assign SVW

the cash deposit rate of Sichuan SVW.² In its submission, SVW and Wego explain that Sinopec Sichuan Vinylon Works (*i.e.*, Sichuan SVW) has changed its name to Sinopec Chongqing SVW Chemical Co., Ltd. (*i.e.*, SVW), and aver that no substantive changes other than this change of name have otherwise occurred.³

On March 4, 2019, we initiated this changed circumstances review and published the notice of preliminary results, determining that SVW is the successor-in-interest to Sichuan SVW.⁴ In the *Initiation and Preliminary Results*, we provided all interested parties with an opportunity to comment and request a public hearing regarding our preliminary finding.⁵ We received no comments or requests for a public hearing from interested parties within the time period set forth in the *Initiation and Preliminary Results*. The current deadline for issuance of these final results of antidumping duty change circumstances review is April 12, 2019.

Scope of the Order

The merchandise covered by the order is PVA. This product consists of all PVA hydrolyzed in excess of 80 percent, whether or not mixed or diluted with commercial levels of defoamer or boric acid.⁶

Final Results of Changed Circumstances Review

For the reasons stated in the *Initiation and Preliminary Results*, and because we received no comments from interested parties to the contrary, Commerce continues to find that SVW is the successor-in-interest to Sichuan SVW.⁷ As a result of this determination and consistent with established practice, we find that SVW should receive the cash deposit rate previously assigned to Sichuan SVW in the most recently-completed segment of the *Order* in which Sichuan SVW was under review.⁸ As the rate calculated for Sichuan SVW in that review was *de*

minimis (0.00 percent), Commerce will instruct U.S. Customs and Border Protection that no cash deposit shall be required for subject merchandise exported by SVW and entered, or withdrawn from warehouse, for consumption on or after the publication date of this notice in the **Federal Register**. This cash deposit requirement shall remain in effect until further notice.

Notification to Interested Parties

This notice serves as the only reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

We are issuing this determination and publishing these final results and notice in accordance with sections 751(b)(1) and 777(i)(1) and (2) of the Act, and 19 CFR 351.216 and 351.221(c)(3).

Dated: April 2, 2019.

Christian Marsh,

Deputy Assistant Secretary for Enforcement and Compliance.
