

submitting written comments on the proposal to the FAA. No comments were received.

Class D and E airspace designations are published in Paragraphs 5000, 6002, and 6005 respectively, of FAA Order 7400.11C, dated August 13, 2018, and effective September 15, 2018, which is incorporated by reference in 14 CFR part 71.1. The Class D and Class E airspace designations listed in this document will be published subsequently in the Order.

#### Availability and Summary of Documents for Incorporation by Reference

This document amends FAA Order 7400.11C, Airspace Designations and Reporting Points, dated August 13, 2018, and effective September 15, 2018. FAA Order 7400.11C is publicly available as listed in the ADDRESSES section of this document. FAA Order 7400.11C lists Class A, B, C, D, and E airspace areas, air traffic service routes, and reporting points.

#### The Rule

This amendment to Title 14 Code of Federal Regulations (14 CFR) part 71 amends Class D and Class E airspace extending upward from 700 feet above the surface by recognizing the airport's name change to Brooksville-Tampa Bay Regional Airport, (formerly Hernando County Airport), and updating the geographic coordinates of the airport to be in concert with the FAA's aeronautical database. Also, Class E surface airspace is removed, providing the controlled airspace required to support the new RNAV (GPS) standard instrument approach procedures for IFR operations at this airport. Additionally, an editorial change is made replacing the outdated term Airport/Facility Directory with the term Chart Supplement in the associated Class D airspace legal description of this airport. These changes are necessary for continued safety and management of IFR operations at this airport.

#### Regulatory Notices and Analyses

The FAA has determined that this regulation only involves an established body of technical regulations for which frequent and routine amendments are necessary to keep them operationally current. It, therefore: (1) Is not a "significant regulatory action" under Executive Order 12866; (2) is not a "significant rule" under DOT Regulatory Policies and Procedures (44 FR 11034; February 26, 1979); and (3) does not warrant preparation of a regulatory evaluation as the anticipated impact is so minimal. Since this is a

routine matter that only affects air traffic procedures and air navigation, it is certified that this rule, when promulgated, does not have a significant economic impact on a substantial number of small entities under the criteria of the Regulatory Flexibility Act.

#### Environmental Review

The FAA has determined that this action qualifies for categorical exclusion under the National Environmental Policy Act in accordance with FAA Order 1050.1F, "Environmental Impacts: Policies and Procedures," paragraph 5–6.5a. This airspace action is not expected to cause any potentially significant environmental impacts, and no extraordinary circumstances exist that warrant preparation of an environmental assessment.

#### Lists of Subjects in 14 CFR Part 71

Airspace, Incorporation by reference, Navigation (air).

#### Adoption of the Amendment

In consideration of the foregoing, the Federal Aviation Administration amends 14 CFR part 71 as follows:

#### PART 71—DESIGNATION OF CLASS A, B, C, D, AND E AIRSPACE AREAS; AIR TRAFFIC SERVICE ROUTES; AND REPORTING POINTS

- 1. The authority citation for part 71 continues to read as follows:

**Authority:** 49 U.S.C. 106(f), 106(g); 40103, 40113, 40120; E.O. 10854, 24 FR 9565, 3 CFR, 1959–1963 Comp., p. 389.

#### § 71.1 [Amended]

- 2. The incorporation by reference in 14 CFR 71.1 of FAA Order 7400.11C, Airspace Designations and Reporting Points, dated August 13, 2018, effective September 15, 2018, is amended as follows:

*Paragraph 5000 Class D Airspace.*

\* \* \* \* \*

#### ASO FL D Brooksville, FL [Amended]

Brooksville-Tampa Bay Regional Airport, FL (Lat. 28°28'25" N, long. 82°27'20" W)

That airspace extending upward from the surface up to and including 1,500 feet MSL within a 5.1-mile radius of the Brooksville-Tampa Bay Regional Airport. This Class D airspace area is effective during specific dates and times established in advance by a Notice to Airmen. The effective date and time will thereafter be continuously published in the Chart Supplement.

*Paragraph 6002 Class E Surface Area Airspace.*

\* \* \* \* \*

#### ASO FL E2 Brooksville, FL [Remove]

*Paragraph 6005 Class E Airspace Areas Extending Upward From 700 Feet or More Above the Surface of the Earth.*

\* \* \* \* \*

#### ASO FL E5 Brooksville, FL [Amended]

Brooksville-Tampa Bay Regional Airport, FL (Lat. 28°28'25" N, long. 82°27'20"

That airspace extending upward from 700 feet above the surface within a 7.6-mile radius of Brooksville-Tampa Bay Regional Airport.

Issued in College Park, Georgia, on April 11, 2019.

#### Matthew Cathcart,

*Acting Manager, Operations Support Group, Eastern Service Center, Air Traffic Organization.*

## DEPARTMENT OF JUSTICE

### Drug Enforcement Administration

#### 21 CFR Part 1308

[Docket No. DEA–476]

#### Chemical Names of Previously Controlled Fentanyl-Related Substances

**AGENCY:** Drug Enforcement Administration, Department of Justice.  
**ACTION:** Notification of chemical names of previously controlled substances.

**SUMMARY:** The Drug Enforcement Administration (DEA) is providing additional descriptive information with respect to five specific substances already covered by a temporary scheduling order that appeared in the **Federal Register** on February 6, 2018. That order placed fentanyl-related substances temporarily in schedule I of the Controlled Substances Act. The order further stated that if and when DEA identifies a specific new substance that falls under the definition of a fentanyl-related substance, the agency will publish in the **Federal Register**, and on the agency website, the chemical name of such substance. Consistent therewith, this document provides the chemical names of five substances that fall within the definition of fentanyl-related substances that were temporarily controlled under the scheduling order issued February 6, 2018.

**DATES:** This notification has the same effective period as the temporary scheduling order published on February 6, 2018 (83 FR 5188): February 6, 2018 through February 6, 2020.

**FOR FURTHER INFORMATION CONTACT:** Lynnette M. Wingert, Diversion Control

Division, Drug Enforcement Administration; Mailing Address: 8701 Morrisette Drive, Springfield, Virginia 22152; Telephone: (202) 598-6812.

**SUPPLEMENTARY INFORMATION:** On February 6, 2018, DEA issued an order pursuant to 21 U.S.C. 811(h), which temporarily placed fentanyl-related substances in schedule I of the Controlled Substances Act (CSA). 83 FR 5188. As defined in the order, fentanyl-related substances include any substance not otherwise controlled in any schedule (*i.e.*, not included under any other Administration Controlled Substance Code Number) that is structurally related to fentanyl by one or more of the following modifications:

1. Replacement of the phenyl portion of the phenethyl group by any monocycle, whether or not further substituted in or on the monocycle;
2. substitution in or on the phenethyl group with alkyl, alkenyl, alkoxy, hydroxyl, halo, haloalkyl, amino or nitro groups;
3. substitution in or on the piperidine ring with alkyl, alkenyl, alkoxy, ester, ether, hydroxyl, halo, haloalkyl, amino or nitro groups;
4. replacement of the aniline ring with any aromatic monocycle whether or not further substituted in or on the aromatic monocycle; and/or
5. replacement of the *N*-propionyl group by another acyl group.

The order further stated that if and when DEA identifies a specific new substance that falls under the definition of a fentanyl-related substance, the agency will publish in the **Federal Register**, and on the agency website, the chemical name of such substance. Consistent therewith, DEA is hereby providing the chemical names of five substances, which have been identified on the illicit market in the United States, that fall within the existing definition of a fentanyl-related substance:

*N*-(1-(2-fluorophenethyl)piperidin-4-yl)-*N*-(2-fluorophenyl)propionamide (2'-fluoro *ortho*-fluorofentanyl);

*N*-(2-methylphenyl)-*N*-(1-phenethylpiperidin-4-yl)acetamide (*ortho*-methyl acetylfentanyl);

*N*-(1-phenethylpiperidin-4-yl)-*N*,3-diphenylpropanamide (beta'-phenyl fentanyl); hydrocinnamoyl fentanyl);

*N*-(1-phenethylpiperidin-4-yl)-*N*-phenylthiophene-2-carboxamide (thiofuranyl fentanyl); and

(*E*)-*N*-(1-phenethylpiperidin-4-yl)-*N*-phenylbut-2-enamide (crotonyl fentanyl).

The five foregoing substances fall within the definition of fentanyl-related substances as they are not otherwise

listed under another Administration Controlled Substance Code Number and are structurally related to fentanyl by the following modifications:

2'-fluoro *ortho*-fluorofentanyl:

Substitution on the phenethyl group with a halo group and substitution on the aniline ring (meets definition for modifications 2 and 4);

*ortho*-methyl acetylfentanyl:

Substitution on the aniline ring and replacement of the *N*-propionyl group with another acyl group (meets definition for modifications 4 and 5);

beta'-phenyl fentanyl: Replacement of the *N*-propionyl group by another acyl group (meets definition for modification 5);

thiofuranyl fentanyl: Replacement of the *N*-propionyl group by another acyl group (meets definition for modification 5);

crotonyl fentanyl: Replacement of the *N*-propionyl group by another acyl group (meets definition for modification 5).

It bears emphasis that, as DEA stated in the temporary scheduling order for fentanyl-related substances, even in the absence of this publication providing the chemical names of the foregoing five substances that fall within the definition of a fentanyl-related substance, these five substances (along with any others that might be identified in the future) were controlled as of February 6, 2018 by virtue of the temporary scheduling order that DEA issued on that date. 83 FR 5188.

Dated: April 3, 2019.

**Uttam Dhillon,**

*Acting Administrator.*

## DEPARTMENT OF STATE

### 22 CFR Part 126

[Public Notice: 10363]

RIN 1400-AE24

### International Traffic in Arms Regulations: Transfers Made by or for a Department or Agency of the U.S. Government

**AGENCY:** Department of State.

**ACTION:** Final rule.

**SUMMARY:** The Department of State is amending the International Traffic in Arms Regulations (ITAR) to revise the licensing exemption for transfers made by or for an agency of the U.S. Government.

**DATES:** This rule is effective on April 19, 2019.

**FOR FURTHER INFORMATION CONTACT:** Robert Monjay, Office of Defense Trade Controls Policy, Department of State, telephone (202) 663-2817; email [DDTCPublicComments@state.gov](mailto:DDTCPublicComments@state.gov). ATTN: ITAR Amendment—By or For.

**SUPPLEMENTARY INFORMATION:** The Department published a proposed rule on May 22, 2015 (RIN 1400-AC88, 80 FR 29565) (Proposed Rule) and received 17 public comments. The Department published a final rule on August 17, 2016 (81 FR 54732) covering those elements of the Proposed Rule not related to the exemption for exports and temporary imports made to or on behalf of a department or agency of the U.S. Government in ITAR § 126.4, and addressed the relevant public comments. This final rule addresses only the proposed revision of that exemption, and addresses only the public comments related to that proposal. The changes to § 126.4 relevant to the existing text are described below.

This final rule revises ITAR § 126.4 to clarify when exports, reexports, retransfers, temporary imports, and performance of a defense service (collectively described as “transfers” for the remainder of this rule) may be made by or for an agency of the U.S. Government without a license, including by employees of the U.S. Government in the performance of their official duties. This rule expands the scope of this exemption to allow for permanent exports, reexports, and retransfers, in addition to temporary exports and imports, and to allow transfers by third parties acting for the U.S. Government. In addition, this rule revises the section heading from shipments to transfers to reflect the scope of the exemption.

The authorization to transfer defense articles and defense services by or for the U.S. Government is divided between paragraphs (a) and (b) in the revised § 126.4. Paragraph (a) applies to transfers made by the U.S. Government and paragraph (b) applies to transfers made for, or on behalf of, the U.S. Government. Paragraphs (c), (d), (e) and (f) set out additional requirements applicable to transfers made under either paragraph (a) or (b).

Paragraph (a) is revised to authorize those transfers made by a department or agency of the U.S. Government (1) for official use by the U.S. Government, (2) for carrying out certain international agreements or arrangements, (3) for carrying out foreign assistance, or sales programs authorized by statute, or (4) for carrying out certain Department of Defense (DOD) “security cooperation
