Overview of This Information Collection

(1) *Type of Information Collection:* Revision of a currently approved collection.

(2) *Title of the Form/Collection:* Federal Firearms Licensee (FFL) Enrollment/National Instant Criminal Background Check System (NICS) E-Check Enrollment Form, Federal Firearms Licensee (FFL) Officer/Employee Acknowledgment of Responsibilities under the NICS Form, Responsibilities of a Federal Firearms Licensee (FFL) under the National

Instant Criminal Background Check System (NICS) Form.

(3) *Agency form number:* 1110–0026.

(4) *Affected public who will be asked or required to respond, as well as a brief abstract:*

Primary: Any Federal Firearms Licensee (FFL) or State Point of Contact (POC) requesting access to conduct National Instant Criminal Background Check System (NICS) checks telephonically or by the internet through the NICS E-Check.

Brief Abstract: The Brady Handgun Violence Prevention Act of 1993 required the United States Attorney General to establish a national instant criminal background check system that any FFL may contact, by telephone or by other electronic means, for information to be supplied immediately, on whether receipt of a firearm to a prospective purchaser would violate state or federal law. Information pertaining to licensees who may contact the NICS is being collected to manage and control access to the NICS and to the NICS E-Check, to ensure appropriate resources are available to support the NICS, and also to ensure the privacy and security of NICS information. More information can be obtained at <https://www.fbi.gov/services/cjis/nics>.

(5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:*

It is estimated that 250 FFLs enroll with the NICS per month for a total of 3,000 enrollments per year. The average response time for reading the directions for the National Instant Criminal Background Check System (NICS) Federal Firearms Licensee (FFL) Enrollment/NICS E-Check Enrollment Form is estimated to be two minutes; time to complete the form is estimated to be three minutes; and the time it takes to assemble, mail, or fax the form to the FBI is estimated to be three minutes, for a total of eight minutes. The average hour burden for this specific form is $3,000 \times 8 \text{ minutes} / 60 = 400 \text{ hours}$.

The FFL Officer/Employee Acknowledgment of Responsibilities Form under the NICS takes approximately three minutes to read the responsibilities and two minutes to complete the form, for a total of five minutes. The average hour burden for this specific form is $3,000 \times 5 \text{ minutes} / 60 = 250 \text{ hours}$.

The Responsibilities of an FFL under the NICS Form takes an additional two minutes to read which would be $3,000 \times 2 \text{ minutes} / 60 = 100 \text{ hours}$.

The entire process of reading the material and completing both forms
