

percent of the 2018 Fair Market Rents (FMRs) for zero and one-bedroom units.

Nature of Requirement: The regulation, 24 CFR 982.503(a)(3), states that a public housing agency (PHA) voucher payment standard schedule shall establish a single payment standard amount for each unit size. For each unit size, the PHA may establish a single payment standard amount for the whole FMR area or may establish a separate payment standard amount for each designated part of the FMR area. A waiver of this regulation is necessary to establish a separate payment standard for the HUD-VASH program. The second regulation 24 CFR 982.503(c)(2) states that the HUD office may approve an exception payment standard amount from 110 percent of the published FMR to 120 percent of the published FMR if the HUD Field Office determines that approval is justified by either the median rent method of the 40th of 50th percentile rent method and that such approval is also supported by an appropriated program justification.

Granted By: Dominique Blom, General Deputy Assistant Secretary for Public and Indian Housing.

Date Granted: December 4, 2018.

Reason Waived: This waiver was approved because of the rising rents throughout the Los Angeles area and to better serve HUD-VASH families.

• **Regulation:** 24 CFR 5.801(c) and 24 CFR 5.801(d)(1).

Project/Activity: Puerto Rico Housing Finance Authority (RQ911).

Nature of Requirement: The regulation establishes certain reporting compliance dates. The audited financial statements are required to be submitted to the Real Estate Assessment Center (REAC) no later than nine months after the housing authority's (HA) fiscal year end (FYE), in accordance with the Single Audit Act and OMB Circular A-133.

Granted By: Dominique Blom, General Deputy Assistant Secretary for Public and Indian Housing.

Date Granted: October 1, 2018.

Reason Waived: The HA requested relief from compliance for additional time to submit its financial reporting requirements for the fiscal year end (FYE) of June 30, 2017. The HA is still recovering from damages resulting from hurricanes which began September 20, 2017 and is in Category C of the applicable Major Disaster Declaration for Hurricane Maria. The circumstances preventing the HA from submitting its FYE 2017 audited financial data by the due date was acceptable. Accordingly, the HA has until March 31, 2019, to submit its audited financial information to the Department. The approval of the Financial Assessment Subsystem (FASS) audited financial submission only permits the extension for filing. The HA is required to contact the HUDOIG Single Audit Coordinator at

[Investigation Nos. 731-TA-929-931 (Third Review)]

Silicomanganese from India, Kazakhstan, and Venezuela

Determination

On the basis of the record¹ developed in the subject five-year reviews, the

¹ The record is defined in sec. 207.2(f) of the Commission's Rules of Practice and Procedure (19 CFR 207.2(f)).

United States International Trade Commission ("Commission") determines, pursuant to the Tariff Act of 1930 ("the Act"), that revocation of the antidumping duty orders on silicomanganese from India, Kazakhstan, and Venezuela would be likely to lead to continuation or recurrence of material injury to an industry in the United States within a reasonably foreseeable time.

Background

The Commission, pursuant to section 751(c) of the Act (19 U.S.C. 1675(c)), instituted these reviews on September 4, 2018 (83 FR 44898) and determined on December 10, 2019, that it would conduct expedited reviews (84 FR 8544, March 8, 2019).

The Commission made these determinations pursuant to section 751(c) of the Act (19 U.S.C. 1675(c)). It completed and filed its determinations in these reviews on April 17, 2019.² The views of the Commission are contained in USITC Publication 4881 (April 2019), entitled *Silicomanganese from India, Kazakhstan, and Venezuela: Investigation Nos. 731-TA-929-931 (Third Review)*.

By order of the Commission.

Issued: April 17, 2019.

INTERNATIONAL TRADE COMMISSION

[Investigation No. 337-TA-1067]

Certain Road Milling Machines and Components Thereof Commission Determination To Review in Part a Final Initial Determination; Schedule for Filing Written Submissions on Remedy, the Public Interest, and Bonding

AGENCY: U.S. International Trade Commission.

ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission ("the Commission") has determined to review in part the final initial determination ("ID") issued by the presiding administrative law judge ("ALJ") finding a violation of section 337 of the Tariff Act of 1930, as

amended ("section 337"), in the above-referenced investigation on October 1, 2018.

FOR FURTHER INFORMATION CONTACT:

Michael Liberman, Esq., Office of the General Counsel, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436, telephone (202) 205-3115. Copies of non-confidential documents filed in connection with this investigation are or will be available for inspection during official business hours (8:45 a.m. to 5:15 p.m.) in the Office of the Secretary, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436, telephone (202) 205-2000. General information concerning the Commission may also be obtained by accessing its internet server at <http://www.usitc.gov>. The public record for this investigation may be viewed on the Commission's electronic docket (EDIS) at <http://edis.usitc.gov>. Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission's TDD terminal on (202) 205-1810.

SUPPLEMENTARY INFORMATION: The Commission instituted this investigation under section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337 ("section 337"), on August 25, 2017, based on a complaint filed by Wirtgen America, Inc. of Antioch, Tennessee ("Wirtgen" or "Complainant"). 82 FR 40596-97 (Aug. 25, 2017). The complaint alleges a violation of section 337 by reason of infringement of certain claims of U.S. Patent Nos. 9,644,340 ("the '340 patent"); 9,624,628 ("the '628 patent"); 9,656,530 ("the '530 patent"); 7,530,641 ("the '641 patent"); and 7,828,309 ("the '309 patent"). The complaint named as respondents Caterpillar Bitelli SpA of Minerbio, Italy ("Caterpillar Bitelli"); Caterpillar Prodotti Stradali S.r.l. of Minerbio, Italy; Caterpillar Americas CV of Geneva, Switzerland; Caterpillar Paving Products, Inc. of Minneapolis, MN; and Caterpillar Inc. of Peoria, IL ("Caterpillar" or "Respondents"). *Id.* at 40596. The Office of Unfair Import Investigations is named as a party in this investigation. *Id.* Subsequently, the investigation was terminated as to respondent Caterpillar Bitelli. The investigation was also terminated with respect to the '628 patent.

The evidentiary hearing on the question of violation of section 337 was held April 20-24, 2018. The ALJ issued a final ID on violation on October 1, 2018. The ID found that a violation of section 337 has occurred in this investigation with respect to the '530 and '309 patents, and no violation of

section 337 has occurred with respect to the '641 and '340 patent. The Commission determined to extend the deadlines for determining whether to review the final ID and/or the target date of the investigation by notices dated February 21, 2019; February 4, 2019; and November 9, 2018. We note that these notices inadvertently misstated that the ALJ found no violation of section 337 in this investigation, and we hereby correct those misstatements. The ALJ issued his recommended determination ("RD") on remedy, the public interest and bonding on October 18, 2018. The RD recommended that if the Commission finds a violation of section 337 in the present investigation, the Commission should: (1) Issue a limited exclusion order ("LEO") covering products that infringe the patent claims as to which a violation of section 337 has been found; (2) issue a cease and desist order ("CDO"); and (3) require no bond during the Presidential review period.

Both parties to the investigation filed timely petitions for review of various portions of the final ID, as well as timely responses to the petitions. The parties also timely filed their respective Public Interest Statements pursuant to 19 CFR 210.50(a)(4). Responses from the public were likewise received by the Commission pursuant to notice. *See* Notice of Request for Statements on the Public Interest (Oct. 16, 2018).

Having examined the record in this investigation, including the final ID, the petitions for review, and the responses thereto, the Commission has determined to review the final ID in part. In particular, the Commission has determined to review the ALJ's findings and analysis pertaining to the obviousness determinations with regard to claims 26, 35, and 36 of the '309 patent, *see* ID at 107-111, 120-123, 124-128, 128-130, 130-136, and, on review, to state that these findings and analysis lead to the conclusion that claims 26, 35, and 36 are invalid as obvious. As a result, the Commission modifies the conclusion of law No. 18 on page 436 of the ID to read as follows: "18) Caterpillar has shown through clear and convincing evidence that asserted claim 36 of the '309 Patent is invalid as obvious under 35 U.S.C. 103. Caterpillar has not shown through clear and convincing evidence that asserted claims 10 and 29 of the '309 Patent are invalid under 35 U.S.C. 103."

The Commission has determined not to review the remainder of the ID.

In connection with the final disposition of this investigation, the Commission may (1) issue an order that could result in the exclusion of the

subject articles from entry into the United States, and/or (2) issue one or more cease and desist orders that could result in the respondents being required to cease and desist from engaging in unfair acts in the importation and sale of such articles. Accordingly, the Commission is interested in receiving written submissions that address the form of remedy, if any, that should be ordered. If a party seeks exclusion of an article from entry into the United States for purposes other than entry for consumption, the party should so indicate and provide information establishing that activities involving other types of entry either are adversely affecting it or are likely to do so. For background, see *Certain Devices for Connecting Computers via Telephone Lines*, Inv. No. 337-TA-360, USITC Pub. No. 2843, Comm'n Op. at 7-10 (Dec. 1994).

If the Commission contemplates some form of remedy, it must consider the effects of that remedy upon the public interest. The factors the Commission will consider include the effect that an exclusion order and/or cease and desist orders would have on (1) the public health and welfare, (2) competitive conditions in the U.S. economy, (3) U.S. production of articles that are like or directly competitive with those that are subject to investigation, and (4) U.S. consumers. The Commission is therefore interested in receiving written submissions that address the aforementioned public interest factors in the context of this investigation.

If the Commission orders some form of remedy, the U.S. Trade Representative, as delegated by the President, has 60 days to approve or disapprove the Commission's action. *See* Presidential Memorandum of July 21, 2005, 70 FR 43251 (July 26, 2005). During this period, the subject articles would be entitled to enter the United States under bond, in an amount determined by the Commission and prescribed by the Secretary of the Treasury.

Written Submissions: Parties to the investigation, interested government agencies, and any other interested parties are encouraged to file written submissions on the issues of remedy, the public interest and bonding. Such submissions should address the recommended determination on remedy, the public interest and bonding issued on October 18, 2018, by the ALJ. Complainants are also requested to submit proposed remedial orders for the Commission's consideration.

Complainants are further requested to provide the expiration date of the '530 and '309 patents, the HTSUS numbers

under which the accused articles are imported, and any known importers of the accused products. The written submissions and proposed remedial orders must be filed no later than the close of business on May 1, 2019. Reply submissions must be filed no later than the close of business on May 8, 2019. No further submissions on these issues will be permitted unless otherwise ordered by the Commission.

Persons filing written submissions must file the original document electronically on or before the deadlines stated above and submit 8 true paper copies to the Office of the Secretary by noon the next day pursuant to section 210.4(f) of the Commission's Rules of Practice and Procedure (19 CFR 210.4(f)). Submissions should refer to the investigation number ("Inv. No. 337-TA-1067") in a prominent place on the cover page and/or the first page. (See Handbook for Electronic Filing Procedures, http://www.usitc.gov/secretary/fed_reg_notices/rules/handbook_on_electronicfiling.pdf). Persons with questions regarding filing should contact the Secretary (202-205-2000).

Any person desiring to submit a document to the Commission in confidence must request confidential treatment. All such requests should be directed to the Secretary to the Commission and must include a full statement of the reasons why the Commission should grant such treatment. See 19 CFR 201.6. Documents for which confidential treatment by the Commission is properly sought will be treated accordingly. All information, including confidential business information and documents for which confidential treatment is properly sought, submitted to the Commission for purposes of this Investigation may be disclosed to and used: (i) By the Commission, its employees and Offices, and contract personnel (a) for developing or maintaining the records of this or a related proceeding, or (b) in internal investigations, audits, reviews, and evaluations relating to the programs, personnel, and operations of the Commission including under 5 U.S.C. Appendix 3; or (ii) by U.S. government employees and contract personnel, solely for cybersecurity purposes. All contract personnel will sign appropriate nondisclosure agreements. All non-confidential written submissions will be available for public inspection at the Office of the Secretary and on EDIS.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, and in Part

210 of the Commission's Rules of Practice and Procedure, 19 CFR part 210.

By order of the Commission.

Issued: April 17, 2019.

Lisa Barton,

Secretary to the Commission.
