RIN 0703-AB16

Payments of Amounts Due Mentally Incompetent Members of the Naval Service

AGENCY: Department of the Navy, Department of Defense.

ACTION: Final rule.

SUMMARY: This final rule removes the Department of the Navy (DON) regulation concerning Payments of Amounts Due Mentally Incompetent Members of the Naval Service. Removal is appropriate because the regulation does not affect how the public engages the DON regarding these payments and does not place obligations on the public. The Department of Defense, the Secretary of the Navy, and the Bureau of Medicine and Surgery (BUMED) issue internal instructions that establish requirements for competency boards, the process for determining mental incompetence, and the process and requirements for making payments within the parameters established by many controlling statutes. These internal instructions do not require publication in the Code of Federal Regulations.

**DATES:** This rule is effective on April 24, 2019.

**FOR FURTHER INFORMATION CONTACT:** CDR Meredith Werner at 703-614-7408.

**SUPPLEMENTARY INFORMATION:** Section 603 of Title 37, United States Code, requires the Service Secretaries to prescribe regulations to carry out Chapter 11 of Title 37, United States Code: Payments to Mentally Incompetent Persons. The Department of Defense publishes the process and requirements for making payments in Chapter 33 of Volume 7A and Chapter 16 of Volume 7B of the Financial Management Regulation (DoD 7000.14-R, available at [https://comptroller.defense.gov/Portals/45/documents/fmr/Volume\\_07b.pdf](https://comptroller.defense.gov/Portals/45/documents/fmr/Volume_07b.pdf)), of March 2018; BUMED publishes requirements for competency boards in Chapter 18 of the Manual of the Medical Department (MANMED) (NAVMED P-117, available at <https://www.med.navy.mil/directives/Documents/NAVMED%20P-117%20%28MANMED%29/MMDChapter18.pdf>), of January 10, 2005; and the Secretary of the Navy (SECNAV) publishes the process for determining mental competency (SECNAV Instruction 1850.4E, available at <https://www.secnav.navy.mil/mra/CORB/Documents/SECNAVINST-1850-4E.PDF>), of April 30, 2002.

32 CFR part 726 was last updated on October 29, 2008.

It has been determined that publication of this CFR part for public comment is impracticable, unnecessary, and contrary to the public interest since it is based upon removing internal content, and the ultimate statutory authority governing the payments of amounts due mentally incompetent members of the Naval service remains in effect in Chapter 11 of Title 37, United States Code.

This rule is not significant under Executive Order (E.O.) 12866, "Regulatory Planning and Review." Therefore, E.O. 13771, "Reducing Regulation and Controlling Regulatory Costs" does not apply.

**ACTION:** Temporary final rule.

**SUMMARY:** The Coast Guard is establishing a temporary safety zone for navigable waters within Cocos Lagoon. This action is necessary to protect all persons and vessels participating in this marine event from potential safety hazards associated with vessel traffic in the area. Race participants, chase boats, and organizers of the event will be exempt from the safety zone. Entry of persons or vessels into the safety zone is prohibited unless authorized by the Captain of the Port Guam (COTP).

FR Federal Register  
NPRM Notice of proposed rulemaking  
§ Section  
U.S.C. United States Code

## II. Background Information and Regulatory History

The purpose of this rule is to ensure the safety of the participants and the navigable waters in the safety zone before, during, and after the scheduled swim event. In response, on March 8, 2019, the Coast Guard published an NPRM titled "Safety Zone; Cocos Lagoon, Merizo, GU" (84 FR 8489). There we stated why we issued the NPRM, and invited comments on our proposed regulatory action related to this safety zone. During the comment period that ended April 8, 2019, we received no comments.

## III. Legal Authority and Need for Rule

The Coast Guard is issuing this rule under authority in 46 U.S.C. 70034 (previously 33 U.S.C. 1231). The COTP has determined that potential hazards associated with the event will be a safety concern. The purpose of this rule is to protect all persons and vessels participating in this event from potential safety hazards associated with vessel traffic in the area.

## IV. Discussion of Comments, Changes, and the Rule

As noted above, we received no comments on our NPRM published March 8, 2019. There is one change in the regulatory text of this rule from the proposed rule in the NPRM. Paragraph (b), regarding enforcement dates, has been updated to an enforcement date from 7 a.m. to 1 p.m. on May 26, 2019 whereas the enforcement date in the NPRM was from 6 a.m. to 1 p.m. on a specified day during either the last two weeks of May or the first two weeks of June. This change was made after we received notification of the exact date and time of the event. The date and time are within the time frame listed in the NPRM.

This rule establishes a safety zone from 7 a.m. until 1 p.m. on May 26, 2019. The safety zone will cover all navigable waters within 100-yards radius of race participants in Cocos Lagoon, Guam. This rulemaking would prohibit persons and vessels not involved in the event from being in the safety zone unless authorized by the COTP or a designated representative.

## V. Regulatory Analyses

We developed this rule after considering numerous statutes and Executive orders related to rulemaking. Below we summarize our analyses based on a number of these statutes and Executive orders, and we discuss First Amendment rights of protestors.
