Draft Mathematics Assessment Framework for the 2025 National Assessment of Educational Progress

AGENCY: National Assessment Governing Board, U.S. Department of Education.

ACTION: Notice of opportunity for public comment for the Mathematics Assessment Framework for the 2025 National Assessment of Educational Progress (NAEP).

SUMMARY: The National Assessment Governing Board (Governing Board) is soliciting public comment for guidance in updating the Assessment Framework for the 2025 National Assessment of Educational Progress (NAEP) in Mathematics.

The Governing Board is authorized to formulate policy guidelines for NAEP. The NAEP legislation specifies that the Governing Board determines the content to be assessed for each NAEP Assessment. Each NAEP subject area assessment is guided by a framework that defines the scope of the domain to be measured by delineating the knowledge and skills to be tested at each grade and subject, the format of the assessment, and the achievement level definitions-guiding assessments that are valid, reliable, and reflective of widely accepted professional standards. The NAEP Mathematics Assessment Framework was last revised in 2006. It is anticipated that the current update of the NAEP Mathematics Assessment Framework will be presented for approval at the National Assessment Governing Board quarterly meeting on August 1-3, 2019.

Public and private parties and organizations are invited to provide written comments and recommendations on the draft framework. This notice sets forth the review schedule and provides information for accessing additional materials that will be useful for this review.

DATES: Comments must be received no later than June 7, 2019.
