Comments submitted in response to this notice should be submitted electronically through the Federal eRulemaking Portal at <http://www.regulations.gov> by selecting the Docket ID number or via postal mail, commercial delivery, or hand delivery. If the www.regulations.gov site is not available to the public for any reason, ED will temporarily accept comments at ICDocketMgr@ed.gov. Please include the docket ID number and the title of the information collection request when requesting documents or submitting comments. *Please note that comments submitted by fax or email and those submitted after the comment period will not be accepted.* Written requests for information or comments submitted by postal mail or delivery should be addressed to the Director of the Information Collection Clearance Division, U.S. Department of Education, 550 12th Street SW, PCP, Room 9086, Washington, DC 20202–0023.

FOR FURTHER INFORMATION CONTACT: For specific questions related to collection activities, please contact Beth Grebeldinger, 202–377–4018.

SUPPLEMENTARY INFORMATION: The Department of Education (ED), in accordance with the Paperwork Reduction Act of 1995 (PRA) (44 U.S.C. 3506(c)(2)(A)), provides the general public and Federal agencies with an opportunity to comment on proposed, revised, and continuing collections of information. This helps the Department assess the impact of its information collection requirements and minimize the public's reporting burden. It also helps the public understand the Department's information collection requirements and provide the requested data in the desired format. ED is soliciting comments on the proposed information collection request (ICR) that is described below. The Department of Education is especially interested in public comment addressing the following issues: (1) Is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology. Please note that written comments received in

response to this notice will be considered public records.

Title of Collection: William D. Ford Federal Direct Loan Program (Direct Loan Program) Promissory Notes.

OMB Control Number: 1845–0007.

Type of Review: A revision of an existing information collection.

Respondents/Affected Public: Individuals or Households.

Total Estimated Number of Annual Responses: 9,862,685.

Total Estimated Number of Annual Burden Hours: 4,021,534.

Abstract: The Department is requesting that three separate ICR packages be combined into a single ICR using OMB Control Number 1845–0007. The three separate ICR packages cover: The Direct Subsidized Loan and Direct Unsubsidized Loan Master Promissory Note, 1845–0007; the Direct PLUS Loan Master Promissory Note and Direct PLUS Loan Endorser Addendum, 1845–0068; and the Direct Consolidation Loan Application and Promissory Note and Related Forms, 1845–0053. We are streamlining all of the forms by eliminating duplicative and obsolete information, reordering items to present information in a more logical order, using plain language to present information more clearly, adding information about the new cancer treatment deferment, updating information about the borrower defense discharge provisions to show changes made through the November 1, 2016 regulation. For the PLUS master promissory note (MPN) we are revising the information and instruction section to clarify who qualifies as a “parent”. The promissory notes serve as the means by which an individual applies for and agrees to repay a Federal Direct Loan. It also informs the borrower of the terms and conditions of the Direct Loan and includes a statement of borrower's rights and responsibilities. Instructions explain how to complete the applications. The additional forms for the Direct Consolidation Loan allows the borrower to list all loans that they wish to include that would not fit on the application, and add other loans within the allowed time frame once the Consolidation Loan is made. The LVC for the Consolidation Loan serves as the means by which the Department obtains information needed to pay off the holders of the loans being consolidated.

Title of Collection: Magnet Schools Assistance Program Application for Grants (1894–0001).

OMB Control Number: 1855–0011.

Type of Review: An extension of an existing information collection.

Respondents/Affected Public: State, Local, and Tribal Governments.

Total Estimated Number of Annual Responses: 150.

Total Estimated Number of Annual Burden Hours: 6,000.

Abstract: The Magnet Schools Assistance program provides grants to eligible local educational agencies to establish and operate magnet schools that are operated under a court-ordered or federally approved voluntary desegregation plan. These grants assist in the desegregation of public schools by supporting the elimination, reduction, and prevention of minority group isolation in elementary and secondary schools with substantial numbers of minority group students. In order to meet the statutory purposes of the program, projects also must support the development and implementation of magnet schools that assist in the achievement of systemic reforms and provide all students with the opportunity to meet challenging academic content and student academic achievement standards. Projects support the development and design of innovative education methods and practices that promote diversity and increase choices in public education programs. The program supports capacity development—the ability of a school to help all its students meet more challenging standards—through professional development and other activities that will enable the continued operation of the magnet schools at a

high performance level after funding ends. Finally, the program supports the implementation of courses of instruction in magnet schools that strengthen students' knowledge of academic subjects and their grasp of tangible and marketable vocational skills.
