SUPPLEMENTARY INFORMATION:

Title of Collection: Data Collection Instruments for AmeriCorps NCCC Impact Studies.

OMB Control Number: TBD. Type of Review: New.

Respondents/Affected Public: Individuals.

Total Estimated Number of Annual Responses: 7,990.

Total Estimated Number of Annual Burden Hours: 2,717.

Abstract: The purpose of the information collection is to gather data for the upcoming National Civilian Conservation Corps (NCCC) impact studies. The studies intend to assess the performance and impact of NCCC programs on members and communities served by the program. In particular, the studies will investigate three main components of NCCC:

1. The impact of NCCC on developing leaders
2. The impact of NCCC on strengthening communities
3. Retention at the different phases of the program, from application to completion

Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval. Comments are invited on: (a) Whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology; and (e) estimates of capital or start-up costs and costs of operation, maintenance, and purchase of services to provide information. Burden means the total time, effort, or financial resources expended by persons to generate, maintain, retain, disclose or provide information to or for a Federal agency. This includes the time needed to review instructions; to develop, acquire, install and utilize technology and systems for the purpose of collecting, validating and verifying

information, processing and maintaining information, and disclosing and providing information; to train personnel and to be able to respond to a collection of information, to search data sources, to complete and review the collection of information; and to transmit or otherwise disclose the information. All written comments will be available for public inspection on regulations.gov.

Dated: April 3, 2019.
