FOR FURTHER INFORMATION CONTACT: Dr. Kit Dahl, Pacific Council; telephone: (503) 820-2422.

SUPPLEMENTARY INFORMATION: The purpose of this webinar is for the EWG to discuss revisions to the Fishery Ecosystem Plan goals and objectives as part of the five-year review. In March 2019 the Council directed the EWG to submit, for the September 2019 advanced briefing book, alternative descriptions of the FEP Vision (including purpose, goals, and objectives), taking into account public and advisory body comments.

Although non-emergency issues not contained in the meeting agenda may be discussed, those issues may not be the subject of formal action during this meeting. Action will be restricted to those issues specifically listed in this document and any issues arising after publication of this document that require emergency action under section 305(c) of the Magnuson-Stevens Fishery Conservation and Management Act, provided the public has been notified of the intent to take final action to address the emergency.

Special Accommodations

This meeting is physically accessible to people with disabilities. Requests for sign language interpretation or other auxiliary aids should be directed to Mr. Kris Kleinschmidt, (503) 820-2411, at least 10 business days prior to the meeting date.
