BILLING CODE 5001-06-P

DEPARTMENT OF DEFENSE

Office of the Secretary

[Docket ID: DOD-2019-OS-0050]

Proposed Collection; Comment Request

AGENCY: Office of the Under Secretary of Defense for Personnel and Readiness, DoD.

ACTION: Information collection notice.

SUMMARY: In compliance with the *Paperwork Reduction Act of 1995*, the Office of the Under Secretary of Defense for Personnel and Readiness announces a proposed public information collection and seeks public comment on the provisions thereof. Comments are invited on: Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; the accuracy of the agency's estimate of the burden of the proposed information collection; ways to enhance the quality, utility, and clarity of the information to be collected; and ways to minimize the burden of the information collection on respondents, including through the use of automated collection techniques or other forms of information technology.

DATES: Consideration will be given to all comments received by July 2, 2019.

ADDRESSES: You may submit comments, identified by docket number and title, by any of the following methods:

Federal eRulemaking Portal: <http://www.regulations.gov>. Follow the instructions for submitting comments.

Mail: Department of Defense, Office of the Chief Management Officer, Directorate for Oversight and Compliance, 4800 Mark Center Drive, Mailbox #24, Suite 08D09, Alexandria, VA 22350-1700.

Instructions: All submissions received must include the agency name, docket number and title for this **Federal Register** document. The general policy for comments and other submissions from members of the public is to make these submissions available for public viewing on the internet at <http://www.regulations.gov> as they are received without change, including any personal identifiers or contact information.

FOR FURTHER INFORMATION CONTACT: To request more information on this proposed information collection or to obtain a copy of the proposal and associated collection instruments, please write to Mr. Sam Peterson at Defense Manpower Data Center, 400 Gigling Road, Seaside, CA 93955-6771 or call (831) 583-2400.

SUPPLEMENTARY INFORMATION:

Title; Associated Form; and OMB Number: Collection of Required Data Elements to Verify Eligibility; OMB Control Number 0704-0545.

Needs and Uses: The information collection requirement is necessary for the Government to verify whether or not an individual was impacted by the OPM cybersecurity incident involving background investigation records and to send a letter confirming status as "impacted" or "not impacted" by this incident. Once the minimally required information has been input into the OPM secure portal, it will be compared to an electronic master file and verification will be accomplished electronically. After the Government has validated the individual's status, the DoD Defense Manpower Data Center (DMDC) will generate and mail a response letter. This letter will either confirm eligibility and contain a PIN for impacted individuals, or confirm that the individual was not impacted by this cybersecurity incident.

Affected Public: Individuals or households.

Annual Burden Hours: 83,333.

Number of Respondents: 1,000,000.

Responses per Respondent: 1.

Annual Responses: 1,000,000.

Average Burden per Response: 5 minutes.

Frequency: On occasion.

For the purposes of this submission, the affected public is comprised of military applicants, and employees of government contractors, experts, instructors, and consultants to Federal programs who underwent a personnel background investigation after January 1, 1990. Additionally, other individuals whose Social Security Numbers (SSN) were provided on an SF 85, SF85-P or SF86 after January 1, 1990. Lastly, it also applies to individuals who submit a breach verification inquiry as well as minor children, who were minors as of July 1, 2015, of individuals described in this paragraph.

Dated: April 29, 2019.

Aaron T. Siegel,

Alternate OSD Federal Register Liaison
Officer, Department of Defense.

SUPPLEMENTARY INFORMATION:

Title; Associated Form; and OMB Number: Technical Assistance for Public Participation (TAPP) Application; DD Form 2749; OMB Control Number 0704-0392.

Needs and Uses: The information collection requirement is necessary to identify products or services requested by community members of restoration advisory boards or technical review committees to aid in their participation in the Department of Defense's environmental restoration program, and to meet Congressional reporting requirements.

Affected Public: Individuals or households.

Annual Burden Hours: 200.
Number of Respondents: 25.
Responses per Respondent: 2.
Annual Responses: 50.
Average Burden per Response: 4 hours.

Frequency: On occasion.

Respondents are community members of restoration advisory boards or technical review committees requesting technical assistance to interpret scientific and engineering issues regarding the nature of environmental hazards at an installation. This assistance will assist communities in participating in the cleanup process. The information, directed by 10 U.S.C. 2705, will be used to determine the eligibility of the proposed project, begin the procurement process to obtain the requested products or services, and determine the satisfaction of community members of restoration advisory boards and technical review communities receiving the products and services.

Dated: April 30, 2019.

The information collection requirement is necessary for use by the Admissions Committee to select the annual class of 171 medical students. The majority of medical schools use the American Medical College Application Service. A secondary application is utilized for the school to gain further information from the applicant. Approximately 3,200 applications are received annually and take 30 hours to complete. This application process accounts for 96,000 of the reported annual burden hours.

This information collection is also necessary for the Graduate Education Office (GEO) to select its incoming students. The application is completed through a single online application.
