

securities of the issuer that may be sold within a 12-month period does not exceed \$5,000,000 and certain other conditions are met. Rule 607 under Regulation E (17 CFR 230.607) entitled, "Sales material to be filed," requires sales material used in connection with securities offerings under Regulation E to be filed with the Commission at least five days (excluding weekends and holidays) prior to its use.¹ Commission staff reviews sales material filed under rule 607 for materially misleading statements and omissions. The requirements of rule 607 are designed to protect investors from the use of false or misleading sales material in connection with Regulation E offerings.

Respondents to this collection of information include SBICs and BDCs making an offering of securities pursuant to Regulation E. Two filings were submitted to the Commission under rule 607 in 2016, 2017, and 2018. Accordingly, we estimate one annual response. Each respondent's reporting burden under rule 607 relates to the burden associated with filing its sales material electronically, which is negligible. For administrative purposes, we estimate an annual burden of one hour. The estimate of average burden hours is made solely for purposes of the Paperwork Reduction Act and is not derived from a quantitative, comprehensive, or even representative survey or study of the burdens associated with Commission rules and forms.

The requirements of this collection of information are mandatory. Responses will not be kept confidential. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid control number.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information

May 1, 2019.

On March 1, 2019, NYSE Arca, Inc ("Exchange" or "NYSE Arca") filed with the Securities and Exchange Commission ("Commission"), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² a proposed rule change to list and trade the shares of the iShares Commodity Curve Carry Strategy ETF, a series of the iShares U.S. ETF Trust, pursuant to NYSE Arca Rule 8-600-E, which governs the listing and trading of Managed Fund Shares on the Exchange. The proposed rule change was published for comment in the **Federal Register** on March 20, 2019.³ On April 18, 2019, the Exchange filed Amendment No. 1 to the proposed rule change. The Commission has received no comment letters on the proposed rule change.

Section 19(b)(2) of the Act⁴ provides that, within 45 days of the publication of notice of the filing of a proposed rule change, or within such longer period up to 90 days as the Commission may designate if it finds such longer period to be appropriate and publishes its reasons for so finding, or as to which the self-regulatory organization consents,

the Commission shall either approve the proposed rule change, disapprove the proposed rule change, or institute proceedings to determine whether the proposed rule change should be disapproved. The 45th day after publication of the notice for this proposed rule change is May 4, 2019.

The Commission is extending this 45-day time period. The Commission finds that it is appropriate to designate a longer period within which to take action on the proposal so that it has sufficient time to consider the proposed rule change, as modified by Amendment No. 1. Accordingly, the Commission, pursuant to Section 19(b)(2) of the Act,⁵ designates June 18, 2019, as the date by which the Commission shall either approve or disapprove, or institute proceedings to determine whether to disapprove, the proposed rule change (File No. SR-NYSEArca-2019-12), as modified by Amendment No. 1.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.⁶

Deputy Secretary.
