SUPPLEMENTARY INFORMATION: Notice of this meeting is given under Section 10(a) of the Federal Advisory Committee Act (FACA), Public Law 92-463 (5 U.S.C. Appendix), which requires each FACA committee meeting to be open to the public.

The Council provides organizationally independent, strategic, timely, specific, actionable advice, and recommendations to the Secretary of Homeland Security on matters related to homeland security. The Council is comprised of leaders of local law enforcement, first responders, Federal,

State, and local government, the private sector, and academia.

The Council will meet in an open session between 1:00 p.m. to 3:30 p.m. EDT. The Council will swear in new members, they will receive an update from the Families and Children Care Panel subcommittee, and review and deliberate on reports from the; State, Local, Tribal, and Territorial Cybersecurity; Emerging Technologies; and Countering Foreign Influence subcommittees. Following this, there will be a break for public commentary.

The Council will meet in a closed session from 8:45 a.m. to 12:50 p.m. EDT to receive sensitive operational information from senior officials on current counterterrorism threats, border security, aviation security, and cybersecurity.

Basis for Partial Closure: In accordance with Section 10(d) of FACA, the Secretary of Homeland Security has determined this meeting requires partial closure. The disclosure of the information relayed would be detrimental to the public interest for the following reasons:

The Council will receive closed session briefings at the For Official Use Only and Law Enforcement sensitive information from senior officials. These briefings will concern matters sensitive to homeland security within the meaning of 5 U.S.C. 552b(c)(7)(E) and 552b(c)(9)(B). The Council will receive operational counterterrorism updates on the current threat environment and security measures associated with countering such threats, including those related to aviation security programs, border security, immigration enforcement, and cybersecurity.

The session is closed under 5 U.S.C. 552b(c)(7)(E) because disclosure of that information could reveal investigative techniques and procedures not generally available to the public, allowing terrorists and those with interests against the United States to circumvent the law and thwart the Department’s strategic initiatives. Specifically, there will be material presented during the briefings regarding the latest viable threats against the United States and how DHS and other Federal agencies plan to address those threats. Disclosure of this information could frustrate the successful implementation of protective measures designed to keep our country safe. In addition, the session is closed pursuant to 5 U.S.C. 552b(c)(9)(B) because disclosure of these techniques and procedures could frustrate the successful implementation of protective measures designed to keep our country safe.

Participation: Members of the public will have until 5:00 p.m. EDT on Friday, May 17, 2019, to register to attend the Council meeting on Tuesday, May 21, 2019. Due to limited availability of seating, admittance will be on a first-come first-serve basis. Participants interested in attending the meeting can contact Mike Miron at *HSAC@hq.dhs.gov* or (202) 447-3135. You are required to provide your full legal name, date of birth, and company/agency affiliation. The public may access the facility via public transportation or use the public parking garages located near the Fashion Centre at Pentagon City.
