

the close of public comments. Future adjustments in the fee amount would be made in accordance with the plan, including a public comment period, and through consultation with the Northwest Oregon RAC. Fee amounts will be posted onsite and online once established.

The BLM has found that recreation fee proposals are of a procedural nature and do not constitute a major Federal action, and are therefore excluded from environmental review under Section 102(2)(C) of the National Environmental Policy Act of 1969 (NEPA), 42 U.S.C. 4332(C), pursuant to 43 CFR 46.210(i). In addition, the fee proposals do not present any of the 12 extraordinary circumstances related to categorical exclusions listed at 43 CFR 46.215.

The BLM Northwest Oregon District welcomes public comment on this proposal. Comments received after the close of the comment period may not be considered or included in the administrative record for the proposed fees. Effective no sooner than 6 months after publication of this notice, and contingent upon final review and recommendation for approval by the Northwest Oregon Resource Advisory Council (RAC), the BLM will initiate fee collection at the above-mentioned recreation sites, unless the BLM publishes a **Federal Register** Notice to the contrary.
