DEPARTMENT OF JUSTICE**Notice of Lodging of Proposed Consent Decree Under the Clean Air Act**

On May 13, 2019, the Department of Justice lodged a proposed Consent Decree with the United States District Court for the Northern District of Indiana in the lawsuit entitled *United States, State of Indiana, and State of Ohio v. ArcelorMittal USA LLC, ArcelorMittal Burns Harbor LLC, and ArcelorMittal Cleveland LLC*, Civil Action No. 2:19–cv–00179.

The proposed Consent Decree resolves a Complaint filed against ArcelorMittal USA LLC, ArcelorMittal Burns Harbor LLC, and ArcelorMittal Cleveland LLC as the owners and operators of the three steel plants in Indiana and one plant in Ohio that are the subject of the action. The Complaint asserts 18 claims pursuant to the Clean Air Act (“CAA”) for violations of: (1) National Emission Standards for Hazardous Air Pollutants promulgated under CAA Section 112, 42 U.S.C. 7412, and the implementing regulations governing various specific source areas; (2) the New Source Performance Standards promulgated under CAA Section 111(b)(1)(A), 42 U.S.C. 7411(b)(1)(A), and the regulations

governing electric arc furnaces at steel facilities, 40 CFR part 60, subpart AAA; (3) Title V of the CAA, 42 U.S.C. 7661 *et seq.*, and Title V’s implementing federal, Indiana, and Ohio regulations; and (4) the federally enforceable CAA State Implementation Plans for Indiana and Ohio, which incorporate and/or implement the above-listed federal requirements.

Under the proposed Consent Decree, ArcelorMittal USA, ArcelorMittal Burns Harbor, and ArcelorMittal Cleveland shall pay a total aggregate civil penalty of \$5,002,158. Of the total civil penalty, \$2,594,829 will be paid to the United States; \$2,035,469.50 will be paid to the State of Indiana; and \$371,859.50 will be paid to the State of Ohio. The proposed Consent Decree includes injunctive relief in the form of various compliance monitoring activities and recognizes that during the course of the negotiations Defendants expended an estimated \$22 million to address sulfur dioxide, nitrogen oxide, particulate matter, volatile organic compounds, and carbon monoxide emission concerns identified in the U.S. Environmental Protection Agency’s 2011 and 2019 Notices of Violation/Findings of Violation regarding the Indiana and Ohio facilities. Additionally, the proposed Consent Decree provides for the transfer of five acres of Lake Michigan beachfront property, appraised at \$350,000, from ArcelorMittal USA LLC to the City of East Chicago, Indiana, for community benefit as a State of Indiana Supplemental Environmental Project.

DEPARTMENT OF JUSTICE

Notice of Lodging of Proposed Consent Decree Under the Clean Air Act

On May 10, 2019, the Department of Justice lodged a proposed Consent Decree with the United States District Court for the District of New Jersey in the lawsuit entitled *United States v. Infineum USA LP*, Civil Action No. 2:19-cv-12441. In the Complaint, the United States, on behalf of the U.S. Environmental Protection Agency, alleges that Infineum USA LP violated the Clean Air Act, 42 U.S.C. 7412 and 7414, and Title V requirements under the Clean Air Act, 42 U.S.C. 7661a(a) and 7661c(a) for failing to operate its steam-assisted flare (“Flare”) that is used to control emissions at Infineum’s facility, in compliance with limits and conditions in its Title V operating permit, and the Complaint further alleges that Infineum failed to operate the Flare in a manner consistent with good air pollution control practices for minimizing emissions. The Complaint alleges these violations occurred because Infineum injected disproportionate steam into the Flare at rates that caused excess emissions of hazardous air pollutants. The proposed Consent Decree requires Infineum to conduct injunctive relief, particularly incorporating automated steam injection and automated gas monitoring for any gas sent to the Flare for combustion. The Consent Decree also requires Infineum to pay a civil penalty of \$187,500.

The publication of this notice opens a period for public comment on the proposed Consent Decree. Comments should be addressed to the Assistant Attorney General, Environment and
