DEPARTMENT OF JUSTICE

Notice of Lodging of Proposed Consent Decree Under the Clean Air Act

On May 10, 2019, the Department of Justice lodged a proposed Consent Decree with the United States District Court for the District of New Jersey in the lawsuit entitled *United States v. Infineum USA LP*, Civil Action No. 2:19-cv-12441. In the Complaint, the United States, on behalf of the U.S. Environmental Protection Agency, alleges that Infineum USA LP violated the Clean Air Act, 42 U.S.C. 7412 and 7414, and Title V requirements under the Clean Air Act, 42 U.S.C. 7661a(a) and 7661c(a) for failing to operate its steam-assisted flare (“Flare”) that is used to control emissions at Infineum’s facility, in compliance with limits and conditions in its Title V operating permit, and the Complaint further alleges that Infineum failed to operate the Flare in a manner consistent with good air pollution control practices for minimizing emissions. The Complaint alleges these violations occurred because Infineum injected disproportionate steam into the Flare at rates that caused excess emissions of hazardous air pollutants. The proposed Consent Decree requires Infineum to conduct injunctive relief, particularly incorporating automated steam injection and automated gas monitoring for any gas sent to the Flare for combustion. The Consent Decree also requires Infineum to pay a civil penalty of \$187,500.

The publication of this notice opens a period for public comment on the proposed Consent Decree. Comments should be addressed to the Assistant Attorney General, Environment and

PTE 1976–1 permits a multi-employer employee benefit plan, under specific conditions, to negotiate with a contributing employer to accept a delinquent contribution and to settle a delinquency; to make a construction loan to a contributing employer; and to lease property and purchase services and goods from a party in interest, including a contributing employer and an employee association. property and purchasing goods and services. PTE 1978–6 provides an exemption to a multi-employer apprenticeship plan for purchasing personal property or leasing real property from a contributing employer. All three exemptions impose recordkeeping requirements on plans as a condition to availability of the relief. See 5 CFR 1320.5(a) and 1320.6. The DOL obtains OMB approval for this information collection under Control Number 1210–0058.

OMB authorization for an ICR cannot be for more than three (3) years without renewal, and the current approval for this collection is scheduled to expire on June 30, 2019. The DOL seeks to extend PRA authorization for this information collection for three (3) more years, without any change to existing requirements. The DOL notes that existing information collection requirements submitted to the OMB receive a month-to-month extension while they undergo review.
