

determination of nationwide scope or effect and if in taking such action the Administrator finds and publishes that such action is based on such a determination.”

To the extent a court finds this action to be locally or regionally applicable, the EPA proposes to find that this action is based on a determination of “nationwide scope or effect” within the meaning of CAA section 307(b)(1). This action addresses emissions impacts from sources located in nine states, which are located in multiple EPA Regions and federal circuits. The proposed action is also based on a common core of factual findings and analyses concerning the transport of pollutants between the different states.

For these reasons, to the extent a court finds this action to be locally or regionally applicable, the Administrator proposes to determine that any final action related to this proposal is based on a determination of nationwide scope or effect for purposes of section 307(b)(1) of the CAA. Thus, pursuant to CAA section 307(b), any petitions for review of any final action related to this proposal must be filed in the Court of Appeals for the District of Columbia Circuit within 60 days from the date such final action is published in the **Federal Register**.

[EPA-R08-UST-2018-0729; FRL-9991-42-Region 8]

Colorado: Final Approval of State Underground Storage Tank Program Revisions and Codification

AGENCY: Environmental Protection Agency (EPA).

ACTION: Proposed rule.

SUMMARY: Pursuant to the Resource Conservation and Recovery Act (RCRA or Act), the Environmental Protection Agency (EPA) is proposing to approve revisions to the state of Colorado’s Underground Storage Tank (UST) Program submitted by the State. This action is based on the EPA’s

determination that the State’s revisions satisfy all requirements for UST program approval. This action also proposes to codify Colorado’s state program, as revised by Colorado and approved by the EPA, and to incorporate by reference the State regulations that we have determined meet the requirements for approval. The State’s federally authorized and codified UST program, as revised pursuant to this action, will remain subject to the EPA’s inspection and enforcement authorities under sections 9005 and 9006 of RCRA Subtitle I and other applicable statutory and regulatory provisions.
