Farm Service Agency

Title: 7 CFR 764, Direct Loan Making.

OMB Control Number: 0560-0237.

Summary of Collection: The Farm Loan Program (FLP) in the Farm Service Agency (FSA) provides loans to family farmers to purchase real estate and equipment and finance agricultural production. The regulation as specified in 7 CFR 764 covered by this collection describes the policies and procedures the agency uses to provide supervised credit to FLP applicants requesting direct loan assistance in accordance with the provisions of the Consolidated Farm and Rural Development Act (CONTACT) (Pub. Need and Use of the Information: Information is submitted by the applicants to the local agency office serving the county in which their business is headquartered. The information is necessary to thoroughly evaluate the applicant's request for a direct loan and is used by agency officials to: (1) Ensure that cash flow projections used in determining loan repayment are based on the actual production history of the operation, (2) Ensure that a loan is adequately secured; (3) Ensure the applicant meets the statutorily established program

eligibility requirements; and (4) Obtain assignment on income or sales proceeds, when appropriate, to ensure timely repayment of the loans.
