

For IRS extension filers, the signed statement must also indicate that the individual has not filed a 2018 income tax return and list the sources of any 2018 income, and the amount of income from each source.

Since individuals without a Social Security Number, an Individual Taxpayer Identification Number, or an Employer Identification Number are unable to obtain a verification of nonfiling from the IRS, these individuals whose income is below the IRS filing threshold must submit to the institution a signed and dated statement—

(a) Certifying that the individual(s) does not have a Social Security Number, an Individual Taxpayer Identification Number, or an Employer Identification Number; and

(b) Listing the sources and amounts of earnings, other income, and resources that supported the individual(s) for the 2018 tax year.

⁵An unexpired valid government-issued photo identification is one issued by the U.S. government, any of the 50 States, the District of Columbia, the Commonwealth of Puerto Rico, a federally recognized American Indian and Alaska Native Tribe, American Samoa, Guam, the Virgin Islands, the Commonwealth of the Northern Mariana Islands, the Republic of the Marshall Islands, the Federated States of Micronesia, or the Republic of Palau.

Verification Requirements for Individuals Who Are Eligible for an Auto Zero Expected Family Contribution (EFC)

Only the following FAFSA/ISIR information must be verified:

For dependent students—

- The parents' AGI if the parents were tax filers;
- The parents' income earned from work if the parents were nontax filers; and
- The student's high school completion status and identity/statement of educational purpose, if selected.

For independent students—

- The student's and spouse's AGI if they were tax filers;
- The student's and spouse's income earned from work if they were nontax filers;
- The student's high school completion status and identity/statement of educational purpose, if selected; and
- The number of household members to determine if the independent student has one or more dependents other than a spouse.

Note: Verification of nonfiling⁴ from the IRS (or other relevant tax authority, if applicable) dated on or after October 1, 2019, must be provided for (1) independent students (and spouses, if applicable) and parents of dependent students who did not file and are not required to file a 2018 income tax return, and (2) individuals who are required to file a 2018 IRS income tax return but have not filed because they have been granted a tax filing extension by the IRS beyond the automatic six-month extension for the 2018 tax year.
