**SUPPLEMENTARY INFORMATION:** The purpose of WIOA is to provide workforce investment activities through statewide and local workforce investment systems that increase the employment, retention, and earnings of participants. WIOA programs are intended to increase the occupational skill attainment by participants and the quality of the workforce, thereby reducing welfare dependency and enhancing the productivity and competitiveness of the Nation.

LLSIL is used for several purposes under the WIOA. Specifically, WIOA SEC.3(36) defines the term “low income individual” for eligibility purposes, and Sections 127(b)(2)(C) and 132(b)(1)(B)(V)(IV) define the terms “disadvantaged youth” and “disadvantaged adult” in terms of the poverty line or LLSIL for State formula allotments. The governor and state and local workforce development boards use the LLSIL for determining eligibility for youth and adults for certain services. ETA encourages governors and state/local boards to consult the WIOA Final Rule and ETA guidance for more specific guidance in applying LLSIL to program requirements. The U.S. Department of Health and Human Services (HHS) published the most current poverty-level guidelines in the **Federal Register** on January 11, 2019 (Volume 84, Number 22), pp. 1167-1168.
