

- There is a need to develop plan components related to the Forest Service land uses and adjustment program to provide access, resolve boundary inconsistency, create connectivity for wildlife, and facilitate management.

- There is a need for plan components that encourage the acquisition of public access and protection of existing public access.

- There is a need for plan components related to military uses of the Forest.

Energy Resources, Mineral Resources, and Geologic Hazards

- There is a need for plan components that address transmission corridors, non-renewable and renewable energy generation, including wind, solar, biomass, and geothermal, in order to protect natural resources, heritage and sacred sites, traditional tribal activities, caves and scenery.

- There is a need for plan components regarding the use of common variety salable mineral materials, such as commercial contracts, personal use, and free use permits, while protecting natural resources, heritage and sacred sites, traditional tribal activities, and scenery.

- There is need for plan components regarding locatable minerals such as commercial leasing, while protecting natural resources, heritage and sacred sites, traditional tribal activities, and scenery.

Proposed Action

The proposed action is to revise the Forest Plan to address the above identified needs for change to the existing Forest Plan. Alternatives to the proposed action will be developed to address the significant issues that will be identified through scoping. In response to the above needs for change, a Preliminary Draft Forest Plan has been developed. This more fully developed description of the proposed action is available for review on the Lincoln plan revision website at: <https://www.fs.usda.gov/detail/lincoln/landmanagement/planning/?cid=STELPRD3814307>.

Please review and provide any feedback you may have on both the needs for change identified above and on the Preliminary Draft Forest Plan found on the above website.

Responsible Official

Travis Moseley, Forest Supervisor, Lincoln National Forest

Scoping Process

This notice of intent initiates the scoping process, which guides the development of the EIS. Written comments received in response to this notice will be analyzed to complete the identification of the needs for change to the existing plan, further develop the proposed action (Preliminary Draft Forest Plan), and identify potential significant issues. Significant issues will, in turn, form the basis for developing alternatives to the proposed action.

It is important that reviewers provide their comments at such times and in such manner that they are useful to the agency's preparation of the environmental impact statement. Therefore, comments are best provided prior to the close of the comment period and should clearly articulate the reviewer's concerns and contentions. Comments received in response to this notice, including the names and addresses of those who comment, will be part of the public record. Comments submitted anonymously will be accepted and considered; however, anonymous comments will not provide the Lincoln National Forest with the ability to provide the respondent with subsequent environmental documents.

For information on when public meetings will be scheduled for refining the proposed action and identifying possible alternatives to the proposed action, refer to the Forest's website: <https://www.fs.usda.gov/detail/lincoln/landmanagement/planning/?cid=STELPRD3814307>.

The decision to approve the revised Forest Plan for the Lincoln National Forest will be subject to the objection process identified in 36 CFR part 219 subpart B (219.50 to 219.62). According to 36 CFR 219.53(a), those who may file an objection are individuals and entities who have submitted substantive formal comments related to plan revision during the opportunities provided for public comment during the planning process.

Applicable Planning Rule

Preparation of the revised Forest Plan for the Lincoln National Forest began with the publication of a Notice of Assessment Initiation in the **Federal Register** on June 25, 2015 (80 FR 36500) and was initiated under the planning procedures contained in the 2012 Planning Rule (36 CFR 219 (2012)).

Documents Available for Review

The Needs for Change documentation, the Preliminary Draft Forest Plan, the Assessment Report (Volumes 1 & 2),

summaries of the public meetings and public meeting materials, and public comments are posted on the Forest's website at: <https://www.fs.usda.gov/detail/lincoln/landmanagement/planning/?cid=STELPRD3814307>. As necessary or appropriate, the material available on this site will be further adjusted as part of the planning process using the provisions of the 2012 Planning Rule.

Dated: May 10, 2019.

Frank R. Beum,
Acting Associate Deputy Chief, National Forest System.

Forest Service

Revision of the Land Management Plan for El Yunque National Forest

AGENCY: Forest Service, USDA.

ACTION: Notice of approval of the revised land management plan for El Yunque National Forest.

SUMMARY: Sharon Wallace, the Forest Supervisor for El Yunque National Forest, Southern Region, has signed the Record of Decision (ROD) for the Revised Land Management Plan (Forest Plan) for El Yunque National Forest. The final ROD documents the rationale for approving the Forest Plan and is consistent with the Reviewing Officer's response to objections and instructions. **DATES:** The Revised Land Management Plan for El Yunque National Forest will become effective 30 days after the publication of this notice of approval in the **Federal Register** (36 CFR 219.17(a)(1)). To view the final ROD, final environmental impact statement (FEIS), the Revised Land Management Plan, and other related documents, please visit the El Yunque National Forest website at: <https://www.fs.usda.gov/detail/elyunque/home/?cid=stelprdb5411382>.

A legal notice of approval is also being published in El Yunque National Forest's newspaper of record, *El Nuevo Dia*. A copy of this legal notice will be posted on the website described above.

FOR FURTHER INFORMATION CONTACT: Further information about the Revised Land Management Plan for El Yunque National Forest can be obtained by contacting Pedro Rios, Forest Planning Staff Officer, El Yunque National Forest, at 787-888-1880. Individuals who use telecommunication devices for the deaf (TDD) may call the Federal Information Relay Service (FIRS) at 1-800-877-8339.

between 8:00 a.m. and 8:00 p.m., Eastern time, Monday through Friday. Written requests for information may be sent to El Yunque National Forest, Attn: EYNF Plan Revision, HC 01 Box 13490, Rio Grande, PR 00745.

SUPPLEMENTARY INFORMATION: El Yunque National Forest covers approximately 29,000 acres in the northeastern part of Puerto Rico. The Revised Land Management Plan, which was developed pursuant to the 2012 Forest Planning Rule (36 CFR 219), will replace the Land Management Plan approved in 1997. This new, Revised Land Management Plan establishes a strong commitment to provide social opportunities and economic benefits to forest visitors and local communities in eastern Puerto Rico and an all-lands approach to conserving high-priority forest ecosystems. The plan components were developed using best available scientific information and the consideration of fiscal capability.

A draft ROD, Revised Land Management Plan, and FEIS were released in August 2018, and were subject to a pre-decisional objection period. One objection was received containing one issue, and the Reviewing Officer's response to the objection has been signed by the Regional Forester for the Southern Region. The instructions from the Reviewing Officer were incorporated into the ROD. The final ROD to approve the Revised Land Management Plan for El Yunque National Forest has now been signed by the Responsible Official, and is available at the website described above.

Responsible Official

The responsible official for the revision of the land management plan for El Yunque National Forest is Sharon Wallace, Forest Supervisor, El Yunque National Forest, HC 01 Box 13490, Rio Grande, PR 00745.

Dated: May 23, 2019.
