SUPPLEMENTARY INFORMATION: The Tribe proposes to develop a casino-hotel resort on approximately 33 acres in the City of Beloit, Rock County, Wisconsin. The BIA published a Notice of Intent to prepare an EIS in the **Federal Register** on November 26, 2012 (77 FR 70460), and in *The Daily News*, *The Janesville Gazette*, and *The Rockford Register Star*. The BIA held a public scoping meeting on December 13, 2012, at Aldrich Middle School in Beloit, Wisconsin. The BIA published a Notice of Availability for the Draft EIS in the **Federal Register** on November 9, 2018 (83 FR 56096), and in *The Daily News*, *The Janesville Gazette*, and *The Rockford Register Star*. The BIA held a public hearing for the proposed project on December 11, 2018, at Aldrich Middle School.

Background: The Tribe's proposed project consists of the following components: (1) The Department of the Interior's (Department) transfer of approximately 33 acres from fee to trust status; (2) issuance of a determination by the Secretary of the Interior pursuant to Section 20 of the Indian Gaming Regulatory Act, 25 U.S.C. 2719; and (3) the development of the trust parcel. The proposed casino-hotel resort would include a hotel, convention center, outdoor amphitheater, several restaurant facilities, waterpark, retail buildings, and parking facilities. Access to the project site would be provided via three driveways, one along Willowbrook Road and two along Colley Road. The following alternatives are considered in the FEIS: (1) Proposed Project; (2) Reduced Casino and Commercial Development; (3) Retail Development; and (4) No Action/No Development. The BIA identifies Alternative 1 the Preferred Alternative as discussed in the FEIS.

The information and analysis contained in the FEIS, as well as its evaluation and assessment of the Preferred Alternative, will assist the Department in its review of the issues presented in the fee-to-trust application. The Preferred Alternative does not reflect the Department's final decision because the Department must further evaluate all of the criteria listed in 25 CFR part 151 and 25 CFR part 292. The Department's consideration and analysis

of the applicable regulations may lead to a final decision that selects an alternative other than the Preferred Alternative, including no action, or a variant of the Preferred or another of the alternatives analyzed in the FEIS.

Environmental issues addressed in the FEIS include geology and soils, water resources, air quality, biological resources, cultural and paleontological resources, socio-economic conditions (including environmental justice), transportation and circulation, land use, public services, noise, hazardous materials, aesthetics, cumulative effects, and indirect and growth-inducing effects.

Locations Where the FEIS is Available for Review: The FEIS will be available for review at the Beloit Public Library located at 605 Eclipse Blvd., Beloit, Wisconsin 53511, and online at www.ho-chunkbeloiteis.com. To obtain a compact disk copy of the FEIS, please provide your name and address in writing to Mr. Timothy Guyah, Bureau of Indian Affairs, Midwest Regional Office. Contact information is listed in the **FOR FURTHER INFORMATION CONTACT** section of this notice. Individual paper copies of the FEIS will be provided only upon payment of applicable printing expenses by the requestor for the number of copies requested.

Public Comment Availability: Comments, including names and addresses of respondents, will be available for public review at the BIA address shown in the **ADDRESSES** section, during regular business hours, 8 a.m. to 4:30 p.m., Monday through Friday, except holidays.
